## TO THE PHILATIC FRATERNITY.

In presenting a Directory of Collectors the Compiler has left the usual rut and omitted the names of the many dealers. Those that have had the enterprise to advertise, will be found elsewhere. The Compiler has endeavored to arrange on a comprehensive plan, the names and addresses of over 1000 collectors in all sections of the world. They will be found alphabetically arranged in countries, States, &c., so that any locality may be easily found, the names are all genuine and bona-fide, and gathered from reliable sources, should the Compiler receive encouragement enough, the publication will be continued annually. I desire to thank all who have aided me by information and encouragement in this work, and wish all a Happy New Year.

J. T. HANDFORD,
