PRICE LIST OF STAMPS, ETC.

Now Ready, the THIRD Edition of the

IMPERIAL POSTAGE STAMP ALBUM.

GREATLY ENLARGED AND ENTIRELY RE-ARRANGED.

This Album is now the most recent of its class published.

PERMANENCY is insured to all collecting in the "Imperial," Supplements exactly similar in style and arrangement, and forming a perfect continuance of the same, being published as required.

This is an advantage possessed by no other work, and is, the Author believes, the only satisfactory way of meeting the difficult question of providing for the newly issued Stamps and Cards. Apart from this question of permanency, the IMPERIAL STAMP ALBUM is illustrated with nearly ONE THOUSAND ENGRAVINGS including a series of the Arms of the Chief Countries of the Universe and is undoubtedly the most elaborate work of its kind ever published. One great merit is its simplicity; every variety is clearly defined, and the arrangement is such, the whole of the spaces being numbered to correspond with the descriptive catalogue, that mistakes in arranging the collections are impossible.

Prices of the "IMPERIAL" Albums, securely packed.

To correspondents residing abroad.—The rates of postage named above apply only to those countries to which Book Packets, exceeding 3lbs. in weight, are permitted. Other foreign orders for the "Imperial" Albums should be accompanied by instructions as to how they should be forwarded, in which case merely the price of the book should be remitted, as W., K., & Co., do not undertake to prepay carriage.

THE

STAMP COLLECTOR'S HANDBOOK,

BY EDWARD L. PEMBERTON,

AN elaborately illustrated catalogue, compiled on a popular and most comprehensive plan, containing a detailed description of every stamp issued to the date of publication, with interesting notes on all subjects, and full of valuable information to collectors.

This work is complete in one volume, and is strongly bound in an attractive cover, designed in an entirely new style. The great experience of the Editor, dating from the first days of Philately, is a sufficient guarantee that the work will be of a most complete character.

OPINIONS OF THE PRESS.

From the **West of England Observer**, 15th December, 1876.

"Messrs. WHITFIELD, KING & Co., may be recommended as honest dealers in Foreign Stamps. Their stock is an immense one, whilst the prices are very low. We have examined their advertised packets and found them to contain genuine selections."

From the **Bazaar, Exchange and Mart**, 16th December, 1876.

"We have received a sheet and some packets of stamps from Messrs. WHITFIELD, KING & Co., of Ipswich, for inspection. If (as from what we have generally heard, we have every reason to believe) these were fair specimens of their stock, as well as of the selections they send on approval, we have no hesitation in recommending them to the notice of collectors. A fact, which is the best endorsement to our views, is that from enquiries made, we find they sell none but genuine stamps, which is a great point. A reliable dealer is the collector's best friend, because from him he gets his money's worth."

From **Weldon's Annual for Christmas**, 1876.

"The collecting of stamps has become a fine art,
And WHITFIELD & KING can aver it's no blunder;
This firm are importers—at Ipswich their mart—
Their two shilling packet is truly a wonder.
Messrs. WHITFIELD & KING—for their pluck nought can coop in—
Sell the best of all works on collecting and grouping."

From the **Christian Globe**, 5th January, 1877.

"Collectors of Foreign Stamps may be gratified to learn that Messrs. WHITFIELD, KING & Co., of Ipswich, have a large assortment of these stamps, and are enabled to supply the wants of collectors to any reasonable extent. This firm sell none but Genuine Stamps, and their approval sheets are very attractive."

Extract from an article in the **Englishwoman's Domestic Magazine**, for March, 1877.

"I have just been examining a packet of Stamps from Messrs. WHITFIELD, KING & Co., of Ipswich, and can recommend collectors to apply to this firm. A shilling packet contains a large number, and a surprising per centage of rare specimens."

TESTIMONIALS.

W., K. & Co., guarantee the authenticity of *every one* of the following Testimonials. For obvious reasons, the full addresses are not given, but the originals can be seen on personal application. They are all *wholly unsolicited*, and many more might be given did space permit.

From **J. C. Macfarlane, Esq., Hokitika, New Zealand**.—"I acknowledge receipt of packets, &c., in good condition, and am much pleased with them, I have persuaded one of my friends here to write to you for some."

From **Mons. Jean Russalis, Egypt**, (translation).—"I am very much pleased with the Stamps you have sent me, and find the prices much lower than those of Messrs. ——— and Mr. ——— with whom I have previously dealt."

From **Mons. Victor G. Joannides, Egypt**, (translation).—"I have been highly pleased with the Stamps you have sent me, and am very happy to be in communication with such gentlemen as Messrs. WHITFIELD, KING & Co."

From **Mr. E. A. Martin, British Guiana**.—"The sheet you sent me is a very fine one indeed, and I am much pleased with it."

From **H. R. Hackman, Esq., Malta**.—"I have received both the Album and the Stamps. I am very much pleased with the Album, it is far superior to any I have seen, and has not a single fault. The Stamps are also very cheap at the price, especially the half-crown packet."

From **J. Pearce, Esq., Brighton**.—"I find your prices very fair."

From **Mr. J. Wilkinson, Bedcar**.—"I am much pleased with the packet you sent me."
