THE WEEK

Our first number was prepared in the last part of the old year and the date 1890 was inserted in error. Singularly it was not noticed and remained the same in the second number.

A cash dividend of 10 per cent has been declared on the capital stock of the Philatelic Publishing Co.

The above company owns the *Philatelic Journal of America* and other copyrights that are handled by the publishers of this paper.

A difference in paper of the Columbian registration stamp has been noticed.

recently. The stamp now comes on a thin white rough paper. The first specimens were on thick yellowish white paper.

The Boston Stamp Co., 28 Congress street, Boston, Mass., and the Columbia Stamp Co., Watertown, Mass., are the latest to embark in the stamp traffic in New England. According to their announcements they are engaged principally in the approval sheet business.

The above surcharges each appear on the following current French Colonial stamps: 20c, 75c, and 1 franc, making nice varieties in all, for use in the Nossi Be.

It is only fair to give collectors due notice of our intention in regard to the mailing of this paper.

All subscriptions must commence with the number for the Wednesday preceding receipt of the subscription, and all numbers over one week will be sold while they last, at 70 cents a copy.

The following is an extract from a circular letter announcing the sale of Pemberton, Wilson & Co.'s business: "We have much pleasure in informing you that we have purchased the entire stock and good will of the old established and well-known stamp dealers business of Pemberton, Wilson & Co., which has been carried on for many years at Palmerston Road, Wood Green.

"Our purchase includes the remainder of the celebrated 'Caillebotte' collection, the well-known stock of stamps of Afghanistan, and the large number of rarities

which have been accumulated during eighteen years, together with the copyright of the *Philatelic Record* and other celebrated publications.

"All liabilities of Pemberton, Wilson & Co. will be paid by Mr. A. H. Wilson, and all orders will be executed by us. We have decided to continue the *Philatelic Record* and the *Stamp News*, as separate publications, entirely independent of each other, and each will be published on the same lines as hitherto.

PHILIPP VON FERRARY

The above portrait is of the greatest stamp collector in the world, Mr. Ferrary, a resident of Paris, France, although a member of a noble Austrian family. Notwithstanding the very absurd statements that have appeared about himself and his collection, it is of great value and wonderful in size. Our illustration was made from the photograph in *The Philatelic Record*, of December, 1889, which observes as follows:

"According to their usual custom the publishers of *The Philatelic Record* present the subscribers with a frontispiece to the annual volume. This year they are permitted to give a portrait of Herr Philipp von Ferrary, whose name is known to most of our readers as a great collector, and the 'master of many legions' of stamps. Although the entire collections of two Presidents of the Philatelic Society of London have passed into his hands, it must not be supposed that he has merely formed his large collection by wholesale purchases. It is now some five-and-twenty years since we first remember seeing him indefatigably ransacking the shops of all the Paris dealers, even to the stamp bourse, in hopes of finding additions to his then growing collection, and this spirit of earnest search has continued ever since with unflagging perseverance. He has not been a great contributor to philatelic literature, though what he has written has been very much to the purpose, but he has been, and still is, an enthusiastic collector, and has spared neither pains nor money to make his collection as complete as possible."

CINCINNATI LETTER

I recently received the January issue of the *Metropolitan Philatelist*, and I read with regret the suggestion of its editor to name the weekly paper "The Scandinavian of the Mississippi Valley." This indicates that the "large guns" east of us, who are of the minority, propose to vent their spleen in more ways than one. I believe every contributor to your weekly paper will take pride in having it a success, and consider himself personally responsible for its character, and will strive to elevate our cause by the tone of the articles or "gossip" in its columns. For one I wish to see, and certainly expect to behold the "Weekly" grow in popularity, display its purity of purpose and so strengthen the bonds of Philatelic union that it will overtop its fellows, and by example, force the editor of the *Metropolitan Philatelist* to realize the beauty of its policy and change the character of his own sheet.

Very little of interest can be noted this week about philately in Cincinnati. The holidays just passed were fraught with such interesting experiences of other nature, that stamps were relegated to the rear.

I wonder if any of your readers can give me the address of Mr. Frank P. Kellogg, formerly a prominent philatelist of Cincinnati, and for twenty-five years a student. The last I heard of him, he was with an engineering party in Oklahoma. He had his stamp over then as violently as ever. I would like very much to re-new my correspondence with him.

Some five months ago I became acquainted with Mr. P. C. Browne, who is a son of the man who had the local penny post in Cincinnati, and who issued the now very scarce Browne, 1c and 2c locals.

He had in his possession a pair of the 2c stamps and was kind enough to present me with one of them. He stated they were all that were left to remind him of the profitable business his father once had acting as postmaster for the community at 1 cent and 2 cents a post. I have a 1 cent on the original envelope—a splendid specimen that I found among some old papers in his house—which he turned over to me for all there might be in them. This was the only "hand" there was.

A. N. SPENCER

Samples of this number go to some collectors who did not receive a sample of numbers 1 and 2. To such of these as know the facts and subscribe for one year we will let their subscription commence from the start, and send them the first numbers.

We are obliged to crowd out several interesting notes and letters this week, and thank our correspondents for their kindness.

A new 1-centavo, Urten-Kum Republic of Colombia was received in the last mail, we shall illustrate it next week, the design is similar to the last—Arms, etc.

NEW YORK AND BROOKLYN NOTES

The board of managers of the *Metropolitan Philatelist* on the 9th inst. sold the interest of the National Philatelic Society in that paper to J. W. Scott. Mr. Bogert opposed the deal, but he was over-ruled by the other members of the board. The consideration was purely nominal, being \$5, which one of the members of the board, R. F. Albrecht, volunteered to pay in event of Scott's declining to. The board excuses its action on the ground that it was done to promote harmony, but as its action was without the slightest authority it is by no means final.

The meeting at which the Staten Island Philatelic Society transferred its interest in the paper to Scott was attended by five members, three of whom voted to sell the paper, and only one of whom was a resident of Staten Island. Besides this the meeting was a species one called to prevent a full vote turning out.

If the action of the board of managers of the *Metropolitan Philatelist* be endorsed by the National Philatelic Society it will probably issue a paper of its own without the assistance of the other societies. In fact the sooner we cut loose from them the better.

A meeting of the New York members of the Dresden Society has been called for to meet on Friday, January 25, at the office of Hy Grimmel, for the purpose of forming a New York section.

A new society is to be formed in New York for advanced collectors. Mr. B. Corwin is at the head of it. Only collectors admitted—no dealers need apply.

The board of managers of the *Metropolitan Philatelist* at the last meeting of the National Philatelic Society advised the society to sell out its share of Mr. J. W. Scott, who had made a bid of \$5 for its share above all debts. This offer was accepted, so that Mr. Scott now owns the whole paper.

C. H. Mekeel, Editor, WEEKLY STAMP NEWS.

DEAR SIR:—I note the remarks made in your No. 2 on the Mexican revenue. I cannot agree with my friends' De la Cruz about the color of the Documentos stamp, 1883-84, of 10 pesos being green and black. The one in my collection is green and black, as given in your Latinogue and unless there were two varieties issued these colors are correct. The 25-cent of the same issue varies in shade from light yellow to deep red. Your catalogue gives only one color each for the centavo and peso issue of the Republic.

The above large 4-page newspaper has been published every Wednesday since January 1, 1891. You can't afford to be without the *only* weekly stamp newspaper published. Single copy 5 cents, \$1.00 a year. Postage 52 cents extra to foreign countries in Postal Union.

PREFACE.

The stamp collector of to-day realizes the impossibility of collecting stamps of all countries and is becoming a *Specialist*, devoting his attention to some one country, or group of colonies, or a continent, and by these plans placing himself in a fair way to get a reasonably complete collection of something, instead of having a smattering of everything.

The dealer in stamps must be, to a great extent, what the collector makes him. Without the collector the dealer would not exist. We make American stamps our specialty, to which we add the various revenue stamps of Mexico.

Stamps priced in *italics* are not in stock, but are estimated values.

ORDERS.

The prices in this catalogue are *net*, payable *cash in advance*.

Our stock of American stamps is very large and includes most all of the stamps priced, but it is impossible to have everything on hand at all times, so patrons will please send a list greater than your remittance.

If the stamps ordered are not in stock, *others will not be substituted*, but the money will be returned or a credit slip sent.

All stamps are guaranteed to be genuine and originals; no reprints handled.

REMITTANCES.

Post office or express money orders are the safest means of remitting money by mail. Postal notes, unused stamps, currency or coin are at sender's risk unless registered. Drafts or checks (on New York, Boston, Philadelphia, Chicago, Cincinnati or St. Louis banks) received, but personal checks on banks in other places will be subject to 25 cents exchange.

FOREIGN CUSTOMERS. In making remittances from foreign countries, P. O. money orders payable at St. Louis should be obtained when possible.

Drafts on New York banks can be obtained in any city in the world and will be accepted.

Bank drafts on London will be received at \$4.80 to the (£) pound.

Where it is impossible to obtain either of the above, *small amounts* may be remitted in bank-notes and unused stamps subject to usual rates of exchange.

NEW STAMPS.

We want \$5.00 worth of every new stamp that appears in the world, and especially provisionals.

Collectors who will send me \$5.00 worth of unused stamps of **REGULAR** issues within one month from date of issue may order \$7.50 worth of stamps from this catalogue in payment.

For \$5.00 worth of **UNUSED PROVISIONALS** we allow \$10.00 in exchange from our catalogue.

Or for \$5.00 worth of unused Provisionals we will remit \$5.00 cash upon receipt and give \$2.50 worth of stamps as a premium.

It being understood that these new stamps are to be sent us within one month from date of issue and the quantity limited to \$5.00 worth of each value. Less quantities may, however, be sent if more convenient.

THE APPENDIX.

Examine the appendix, page 104, for the more recent issues; also for revised prices.

FOURTH EDITION.

The fourth edition of this catalogue will be issued as soon as the present edition is exhausted. Corrections and criticisms will be thankfully received, so that the next may be more nearly perfect.

PREVIOUS QUOTATIONS.

All previous quotations are hereby canceled.

APPROVAL SHEETS.

We are always ready to send selections of stamps on approval to our correspondents, and will consider it a favor for them to request them. Discounts from 10 per cent to 40 per cent below market prices.

PROVISIONAL STAMPS.

These stamps were issued in 1861 by the post-masters of the different post offices.

There are many bogus stamps of this class, so that collectors should be very careful in buying. Those marked with a (*) may be considered more or less doubtful.

Note. The stamps of Mexico at this time were not sold to the public, but were applied to the letters by the post office clerks upon the payment of the fee.

When they were short of stamps of the lower values they cut the higher values to serve the purpose, and the several portions were often surcharged with the name of the post office of issue.

Used in this way these cut stamps have a legitimate philatelic value different from the ordinary cut stamps of other countries.

To be of marketable value they should be on entire envelopes or letters, and the specimens we price are supplied in that way.

MEKEEL'S BLANK STAMP ALBUM.

This album is blank, except for a neatly printed border around each page and a label at the top of each page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared, it looks like a printed page.

The paper used in the albums is of a fine cream tint and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithographed stamp mounts that are furnished with it and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The following illustrations are rather crude, but they serve to explain the mount. The effect of a page of stamps on their mounts neatly arranged is beyond description.

STAMP ON MOUNT.

SHOWING HOW STAMP IS ATTACHED.

The stamps lay on a perfectly flat surface as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

1000 mounts and 1 set of adhesive names are given *free* with each album.

No. 1. Bound in brown cloth, 328 pp., printed only on one side of page.....\$2 50

No. 2. Bound in brown cloth, 500 pp., printed only on one side of page, heavier paper..... 4 00

Extra mounts, 35 cents per 1,000. Extra names, 20 cents per set.

Over 5000 of these albums have been sold and we can show testimonials from many who are using them with great satisfaction.

"There is no one who is so well able to write the history of these stamps as Mr. John K. Tiffany. * * * Those who are interested, in as much as can be known of these stamps, will do well to study this work, and we can confidently promise them that they will be fully repaid."—*The Philatelic Record* [London].

"It is a book no collector should be without."—*The Western Philatelist*.

"Every stamp collector who has not a copy of this history, should get one."—*The Philatelic Gazette*.

"It is a very handsomely bound book, and contains about all information that is to be found on the subject. It should be in the hands of every collector, as positively, it is invaluable."—*The Stamp*.

"We cheerfully commend this monograph to the thousands of intelligent readers all over the globe, who will soon be turning its leaves in the bureaux and salons of the jurist, the scholar, the scientist, the literateur, and the merchant. And we trust ere long, to see it reach many editions, as it so richly deserves."

—R. S. Hatcher in *The Western Philatelist*.

"The book is one which will take the precedence of anything written on U. S. adhesive stamps, and its value to the collector cannot be easily computed. No one interested in U. S. stamps can afford to be without it."—*The Stamp Collectors' Figaro*.

"The wonder is that all these years collectors have been content with knowing so little of the stamps of their own country, and the wonder grows as we discover from reading this book how much there is of interest concealed. * * * No live collector can afford to be without it."—*The Philatelic Gazette*.
