NEW EDITION, ILLUSTRATED.

THE LINCOLN POSTAGE STAMP ALBUM

WITH A LIST OF EVERY STAMP KNOWN.

THE LINCOLN POSTAGE STAMP ALBUM.—(SECOND EDITION) with a list of every stamp known, and compartments of different sizes arranged for their reception. The stamps can be arranged according to the taste of the collector, and varieties of shades and watermarks can be added if desired. Additional room is given in each country for new issues—this is most desirable, as it makes the Album more permanent. It is printed on superior paper, and the shape best adapted for a Stamp Album; the binding is strong and durable, sufficient guards are provided, and good clasps.

There are 450 pages in the Album, 225 pages being occupied by descriptions of Stamps and Illustrations, the other 225 pages are filled with about 8,000 compartments for Stamps; so there is sufficient room for a large collection. Special attention and care has been given to the printing and binding of this new Edition, the materials used both for the cloth and morocco bound Albums are of the very best.

It is the most complete and compact Postage Stamp Album ever offered to Philatelists.

THE FAVOURITE OBLONG SHAPE: size 7½ inches by 11½ inches.

No. 1, bound in Cloth, Gilt, one Gilt Clasp, price 12s. 6d.

Carefully packed and sent carriage free 1/- extra.

No. 2, bound in whole Morocco, Gilt, and Gilt edges, Two best Clasps, price £1 1s.

Carefully packed and sent carriage free 1/- extra.

TESTIMONIALS.

"SIR,—I have much pleasure in reporting to you that I am much pleased with the 'POSTAGE STAMP ALBUM' received from you last month, it is very suitable and fulfils all my requirements. Mr. Douglas Hemming, of this town, is about to order from you a similar Album to the one you sent me. I am, yours faithfully,
WILLIAM FRAZER, M.D."

"DEAR SIR,—I should have acknowledged before the receipt of the Album I ordered from you, which came duly to hand on Tuesday morning quite safely. I like it very much, and think it is decidedly the best arranged Album I have seen. I have been a collector for many years, but pressure of professional duties obliged me to put stamps aside for some time, I have now taken them up again a little and devote spare moments to re-arranging my collection, your Album is certainly most satisfactory. Yours faithfully,
DOUGLAS HEMMING."

"DEAR SIR,—I must certainly praise you for the splendid Album I received on the 18th ultimo from you, and also for the quickness you send them. I was very pleased with it and have recommended it to my friends. Yours truly, MORTON CADMAN."

"DEAR SIR,—One reason why I should like to see your Album advertised is because I think it is the best for the moderate collector, as it does not confine him to any certain varieties. Yours respectfully,
G. GALE."

"DEAR SIR,—I think your 'POSTAGE STAMP ALBUM' is a perfect wonder for cheapness and perfection of design. Your obedient Servant,
H. RICKARDS."

"SIR,—The Stamp book arrived safe, it is worth double the money. Yours truly,
JOHN ALLISTER."

Opinions of the Press of the Lincoln Crest and Monogram Album.

By WILLIAM LINCOLN, Crown 8vo., cloth, gilt extra.

LINCOLN CREST AND MONOGRAM ALBUM.—This Book is calculated to afford endless amusement to the collectors of Crests and Monograms. The designs in which the specimens are to be set are both pretty and ingenious.—*The Tablet.*

The Second Edition of the Lincoln Crest and Monogram Album has just appeared. It is a clever idea, and I fancy would be highly prized by collectors. Some of the designs are very ingenious.—*Judy.*

THE LINCOLN CREST AND MONOGRAM ALBUM. Second Edition. Few collections are more easily or less expensively formed than one of Crests and Monograms; the principal difficulty has been that of providing a suitable receptacle for one's easily acquired treasures without entailing greater outlay than might seem warranted. This want has been well met by the publication of the above Album, which consists of a series of artistic designs specially engraved for the volume, with spaces arranged for the reception of Crests and Monograms of any size that may come to hand. The whole is neatly and tastefully bound in cloth, and will form a pretty ornament for any drawing-room table.—*The Baptist.*

MR. LINCOLN, of High Holborn, has issued a Second Edition of his Lincoln Crest and Monogram Album, an ingeniously arranged book, likely to be much prized by Collectors of Crests and Monograms.—*Sunday Times.*

THE LINCOLN CREST AND MONOGRAM ALBUM has reached a Second Edition. It is well got up, and the ornamental designs with which its pages are adorned are well adapted to the objects indicated by the title.—*The Pictorial World.*

THE LINCOLN CREST ALBUM.—This pretty little Album will form a suitable present for young people. Crests and Monograms can generally be had for the asking, and a neat arrangement of them in the artistic and quaint devices prepared for their reception will afford many hours' amusement to their possessors.—*Young Ladies' Journal.*

Opinions of the Press of the Lincoln Stamp Album and Catalogue.

THE LINCOLN STAMP ALBUM AND CATALOGUE.—Stamp collecting has almost become a science; from being an ephemeral pastime it has developed into a serious Pursuit. It doubtless has its educational value, of which, however, the limits of space forbid us making more than a passing allusion. The early Philatelists had to find out a deal for themselves, they had to work in the dark, and their meagre collections were made under circumstances of great uncertainty and difficulty, their sons, however, thanks to such works as those of Mr. Lincoln, will find all the difficulties smoothed away and a royal road to stamp collecting most efficiently constructed. The present album now before us is admirably constructed for arranging a collection. It is not only an album but it is a stamp collector's guide as well. It contains a complete list of the Stamps of the world with the prices new and used; it gives illustrations of a large number. This album is admirably contrived; it contains every possible kind of information on the subject of stamps and their arrangement, and it is one that no collector should be without.—*Sunday Times*.

THE LINCOLN STAMP ALBUM.—Mr. Lincoln has just issued a fifth edition of his valuable work, which is now so well known that a detailed description is unnecessary. Stamp collecting has now become almost a science, and such works as this are a great boon to Philatelists. The Lincoln album is admirably constructed for arranging a collection. Besides being an album it is a stamp collector's guide.—*Pictorial World*.

THE LINCOLN STAMP ALBUM.—We have on a former occasion favourably noticed this publication, which is such an indispensable aid to the collector of postage stamps. In this new edition Mr. Lincoln has considerably improved his album, while the original arrangement is the same, he has added "guards" and illustrations of a large number of foreign and colonial stamps which will very much facilitate the labours of the collector.—*The Tablet*.

ALBUMS FOR STAMPS, HERALDIC CRESTS, &c.—"The LINCOLN CREST AND MONOGRAM ALBUM with original artistic designs printed in various colors, and the LINCOLN POSTAGE STAMP ALBUM with a list of every stamp known, are works published in London, England, by W. LINCOLN, 239, High Holborn. The Crest and Monogram Album has designs giving spaces for Crests and Monograms of all sizes and shapes. Of the remaining work, which is sold at 12s. 6d. cloth, or 21s. in morocco, it suffices to say the opinions of the press give us reason to say that the more learned the collector the greater will be his appreciation of this book, which is an ornamental as well as most convenient album. The English press commends the three works with emphasis."—*Geyer's Stationer*.

LINCOLN STAMP ALBUM.—"The most enthusiastic philatelist could not desire a more luxurious repository for his treasures than is furnished by the new album just issued by Mr. WILLIAM LINCOLN, 239, High Holborn. It is a second and improved edition of the album already known, and has now swollen to the dimensions of a bulky volume of 450 pages oblong fcap. folio. It not only furnishes a list of every known stamp, but also gives a facsimile engraving of many, with ruled spaces for the preservation of specimens, to which a full index furnishes a key. We do not pretend to a competent knowledge of philately, but the statement of the publisher that this album is the most complete ever offered appears to us to be fully justified. In substantial cloth binding, gilt clasp, 12s. 6d., and in morocco, 21s."—*The Stationery Trades Journal*.

TASSIE'S GEMS.

These Gems were made by James Tassie and William Tassie, during the later thirty years of the last century, when the taste for collecting antique gems was at its zenith. The Tassies had access to all the best collections, and copied from the antique, as well as employing the best artists of the period; while James Tassie modelled admirably, his medallion portraits are of high excellence. The gems were made of what is styled enamel, a sort of vitreous paste composition, invented by Dr. Quin, of Dublin, and James Tassie.

There are only two complete collections of these gems known, one in the National Gallery of Scotland, the other belonging to the Royal Family of Russia.

THE BOY'S OWN PAPER says—"With the progress of civilisation and with political changes the number of Postage Stamps in use is ever varying, generally being on the

increase. Whether still in use or not, they are equally sought for by Collectors, in fact, some of the wholly disused become gradually the most valuable as specimens. For present prices, and for enumeration of English, Foreign or Colonial Stamps, the most handy book of reference is the Lincoln Catalogue."
