THE

DUPLICATE POSTAGE STAMP ALBUM,

Has been designed to furnish Collectors with a convenient means of keeping and referring to their Duplicate Stamps.

Every Collector knows how troublesome a large quantity of Duplicates soon becomes; how much time it takes to find any particular Stamp that may be wanted for exchanging with a friend, or to answer the question, "Have you a Duplicate of this or that Stamp?"

These difficulties are at once disposed of by the use of this Album, which is provided with a number of pockets, into which the Stamps of all nations may be sorted, according to their countries; and by means of the Index any country can be readily turned to at pleasure.

The Pockets are so designed that, whilst on the one hand they can be quickly opened out flat, and their contents at once seen and examined, they are safer than ordinary envelopes when closed, and there is no danger of any Stamps dropping out.

There is no doubt that a short trial will prove the convenience of this Album, which is hoped may be found useful to many Collectors.

The Album is of a very handy size (measuring 5½ in. by 4½ in.), and may be had in three qualities of binding.

- No. 1.—*Elegant cloth gilt, lettered on side. Post free, 3/10; (abroad, 4/2).*
- No. 2.—*French morocco gilt, lettered on side. Post free, 5/10; (abroad, 6/2).*
- No. 3.—*Best morocco gilt, lettered on] side. Post free, 8/10; (abroad, 9/1).*

THE PERMANENT STAMP ALBUM,

By H. STAFFORD SMITH.

Brought up to very recently, spaces being provided for all new issues. Illustrated by a specially-engraved

Map of the World,

containing the name of every Stamp-issuing Country.

The leading feature of this Album is the provision of supplementary leaves bound up with the book, thereby saving future trouble and expense. All leaves not required at the date of the publication of the Album will be found with an asterisk (*) at the bottom of the page. More than 30 of such leaves are provided (allowing for no less than 1,700 additional Stamps), which are so distributed throughout the volume that there is little chance of any new stamp country being placed out of its proper order.

THE

DUPLICATE POSTAGE STAMP ALBUM,

Has been designed to furnish Collectors with a convenient means of keeping and referring to their Duplicate Stamps.

Every Collector knows how troublesome a large quantity of Duplicates soon becomes; how much time it takes to find any particular Stamp that may be wanted for exchanging with a friend, or to answer the question, "Have you a Duplicate of this or that Stamp?"

These difficulties are at once disposed of by the use of this Album, which is provided with a number of pockets, into which the Stamps of all nations may be sorted, according to their countries; and by means of the Index any country can be readily turned to at pleasure.

The Pockets are so designed that, whilst on the one hand they can be quickly opened out flat, and their contents at once seen and examined, they are safer than ordinary envelopes when closed, and there is no danger of any Stamps dropping out.

There is no doubt that a short trial will prove the convenience of this Album, which is hoped may be found useful to many Collectors.

The Album is of a very handy size (measuring 5½ in. by 4½ in.), and may be had in three qualities of binding.

- No. 1.—Elegant cloth gilt, lettered on side. Post free, 3/10; (abroad, 4/2).
- No. 2.—French morocco gilt, lettered on side. Post free, 5/10; (abroad, 6/2).
- No. 3.—Best morocco gilt, lettered on side. Post free, 8/10; (abroad, 9/1).

THE PERMANENT STAMP ALBUM,

By H. STAFFORD SMITH.

Brought up to very recently, spaces being provided for all new issues. Illustrated by a specially-engraved

Map of the World,

containing the name of every Stamp-issuing Country.

The leading feature of this Album is the provision of supplementary leaves bound up with the book, thereby saving future trouble and expense. All leaves not required at the date of the publication of the Album will be found with an asterisk (*) at the bottom of the page. More than 30 of such leaves are provided (allowing for no less than 1,700 additional Stamps), which are so distributed throughout the volume that there is little chance of any new stamp country being placed out of its proper order.
