The ink line is very fine and does not mar the beauty of the stamps. |  |         |       | 1874, 2c., " " " .....          |  | .07     | .05   |

\* The unperforated officially sealed stamps sold and offered for sale by C. F. Rothfuchs, are from part of a sheet which he secured in June, 1888, and were submitted to the Third Assistant Postmaster General, and pronounced by him in his official communication as "genuine unperforated seals which the Dead Letter Office and postmasters for a short time were using." They are on thicker paper and the color much darker than the perforated seals issued later in the same year. The following official communication will explain all,

POST OFFICE DEPARTMENT.  
Office of Third Assistant Postmaster General.  
WASHINGTON, D. C., July 20, 1888.

MR. C. F. ROTHFUCHS,  
359½ Pennsylvania Avenue.,  
WASHINGTON, D. C.

SIR: Your two letters of the 10th and 19th inst. are before me. The two unperforated "official seals" submitted with the first of these letters are genuine samples of seals which the Dead Letter Office and postmaster recently, for a short time, were using. Those that are now used are identical in design, but are perforated.

The two seals, together with a third one submitted by you—being a specimen of the steel-plate seal formerly in use—are herewith returned.

Yours very respectfully,

H. R. HARRIS,  
3d Asst. P. M. General,

C. F. ROTHFUCHS' PRICE-LIST.
