*The 1866, 3c, scarlet is a very scarce stamp. The 3c, scarlet which I offer are not used postally but cancelled with four ink lines three quarters across the stamp, otherwise it is in prime condition. It is priced too low the standard catalogues. My price is \$15.00. Try and buy it elsewhere at as low a figure and if you do succeed, your order for one will be thankfully received. The stamp is not sent on approval but should they sold when your order reaches me I will refund the money, and pay expenses both ways.

*The unperforated officially sealed stamps sold and offered for sale by C. F. Rothfuchs, are from part of sheet which he secured in June, 1888, and were submitted to the Third Assistant Postmaster General, and pronounced by him in his official communication as "genuine unperforated seals which the Dead Letter Office and postmasters for a short time were using." They are on thicker paper and the color much darker than the perforated seals issued later in the same year. The following official communication will explain all.

POST OFFICE DEPARTMENT.
Office of Third Assistant Postmaster General.

MR. C. F. ROTHFUCHS,

359 1/2 Pennsylvania Avenue,

WASHINGTON, D. C.

WASHINGTON, D. C., July 20, 1888.

SIR: Your two letters of the 10th and 19th inst. are before me. The two unperforated "official seals" submitted with the first of these letters are genuine samples of seals which the Dead Letter Office and postmasters recently, for a short time, were using. Those that are now used are identical in design, but are perforated.

The two seals, together with a third one submitted by you—being a specimen of the steel-plate seal formerly in use—are herewith returned.

Yours very respectfully,

H. R. HARRIS,
3d Asst. P. M. General.
