No. 38	Contains 50 varieties of revenue, including U. S. Canada, English, etc.....	1.00 "

# READ THIS AND SAVE MONEY.

— Some few days ago, I noticed a large sign in a store, down town which read as follows: "IT IS IMPOSSIBLE TO KNOW ANYTHING ABOUT STAMPS WITHOUT SUBSCRIBING TO SOME OF THE STAMP PAPERS. THE AMERICAN JOURNAL OF PHILATELY IS THE BEST. \$1.00 PER YEAR. SPECIMEN COPIES, WITH UNUSED STAMP, ONLY 12 CENTS." Wishing further information in regard to this curious announcement, I made the following inquiries, and knowing that all Stamp collectors must be deeply interested in the result, publish them for the benefit of my fellow collectors.

Q. "Can you tell me the meaning of the word Philately?"

A. "Philately is derived from the two Greek words: *philos*, a friend, and *telos*, a tax, and although the word may not be quite appropriate, is the best obtainable from a classical source, and is as appropriate as one-half the names for modern inventions derived from Greek or Latin roots."

Q. "Well, what is this JOURNAL OF PHILATELY?"

A. "It is a 16 page magazine, devoted to the interests of the Stamp collectors, and is illustrated with beautiful engravings of newly-issued and rare Stamps, printed in the correct color of the Stamps represented."

Q. "It really is very beautiful, does it pay?"

A. "It has been pronounced, by competent judges, to be the finest specimen of printing ever executed; and in regard to its paying, it has a circulation of from two to four thousand copies; but it is not published as a speculation, all profits exceeding 10 per cent. being spent on improving the paper, which has been done several times, and it is expected that it will shortly be increased to 24 pages."

Q. "But what use is it to stamp collectors?"

A. "It teaches them everything they want to know that is anyway connected with stamps amongst which might be noticed: The location and general customs of the lesser known stamp-issuing countries. The biographies of the various persons whose portraits adorn the different stamps. A critical examination of every stamp enabling the amateur to distinguish between spurious and genuine stamps, thus saving him many dollars in the course of a year. Sketches of the mode of manufacturing the different stamps. A monthly article describing all stamps that have been issued during the month. This is prepared with great care, and is always ahead of all others; but it would be impossible to mention all it teaches, for it tells everything that the stamp dealer or collector wants to know."

Q. "What's that about an unused stamp with every number?"

A. "The publishers return the value of the subscription, which is only 1.00 per year, in unused newly issued stamps, so that none of their subscribers have the stamps given, one of these is presented with each number."

Q. "Did you ever make or save anything by subscribing to it?"

A. "Yes, I calculate I save about \$12 per year by subscribing, because I buy about \$2 worth of stamps a month, and by reading this I find out where to buy stamps the cheapest, and so get my stamps about 25 per cent. less than most persons. I never get swindled by buying counterfeits, which most persons do; this makes a saving of another quarter; and as I keep posted in regard to newly issued stamps, do not buy stamps for scarce, because I have never seen them before, but wait till they get common, and when I find out that a stamp is going to be discontinued, I buy it before it gets scarce, and thus save about 50 per cent. I would buy the *American Journal of Philately* if it cost \$1.00 per number."

This was sufficient, and I went down to the office and subscribed at once; and I think anyone who collects stamps will do the same, unless they have more money than they know what to do with.

It is published by

J. W. SCOTT & CO.,

75 & 77 NASSAU STREET,

New York City

and is issued on the 20th of every month at \$1.00 per year.
