## P R E F A C E.

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and in the hopes that we can add to the present number of collectors has induced us to write these few lines.

Postage Stamps were first issued in Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of pre-paying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face, either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History, and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to *The American Journal of Philately*.

## SPECIAL NOTICE.

*Persons ordering stamps from this list, will greatly oblige by attending to the following directions.*

**ORDERS** should be written *plainly*, with the name of country, date of issue, colour, value, and price. Purchasers are particularly requested to give full name and address each time.

**REMITTANCES.**—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to 3 dols. or upwards, always Register the Letter, or send by P.O.O., the cost of which can be deducted from the amount, or Banker's draft, payable to J. W. SCOTT & Co., at New York or London. Unused Postage Stamps of low denomination will be received from parties residing abroad, in sums not exceeding £1 or 5 dols., and above that amount by Banker's draft.

**POSTAGE.**—All letters must be fully prepaid, and contain sufficient stamps for return postage.

**GUARANTEE.**—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at 2 dols. and upwards if required.

**TERMS, NET CASH.**—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

**GREAT BRITAIN.**—Persons residing here will please address all orders to J. W. Scott & Co.'s London House, and reckon the prices which are marked in *cents* as halfpence.

**JOB LOTS AND CHEAP SETS.**—We are constantly in receipt of stamps to sell upon commission, which are advertised every month in *The American Journal of Philately*; those are often sold at about one-half of their market value, and we should advise all persons to subscribe to that paper, as they will thereby save considerable. We receive stamps on consignment, and effect speedy sales, our charge being 25 per cent.

**AUCTION SALES OF STAMPS.**—J. W. S. & Co., are also prepared to dispose of large collections of stamps at auction, in New York or London, for the owner. For full particulars see *American Journal of Philately*, or inquire of J. W. S. & Co. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.
