THE AMERICAN JOURNAL OF PHILATELY consists of sixteen pages of well printed valuable reading matter, entirely devoted to the interests of Stamp Collectors, and a colored wrapper with from four to twelve pages of advertisements. No collector can afford to be without it, and we shall deem it a favor, if those who have tested its merits would introduce it to their stamp collecting friends. Any collector getting us two subscribers, will be allowed a free copy for himself, gratis.

We should like every old subscriber, to send us three names and addresses, and \$2.00, the first of February, as it is very important that we should know how large an edition to print the present year. Collectors must bear in mind that we cannot guarantee to supply back numbers, although we shall be pleased to do so when we have them in stock.

## P R E F A C E .

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines.

Postage Stamps were first issued in Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of pre paying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the *JOURNAL OF PHILATELY*.

The great and increasing demand for "locals," as the stamps of the various private express companies are incorrectly called, has induced our publishers to incorporate a complete list of these interesting labels in the present edition (the twenty-eighth) of "*THE ILLUSTRATED POSTAGE STAMP CATALOGUE*," and as the three columns of figures may not at once be understood by all its readers, we append the following explanation:

The first column gives the price of good imitations, printed in the correct color only, of nearly all of the rare and almost unobtainable originals; these are offered at the uniform rate of two cents each. They have been prepared for the express purpose of familiarizing collectors with the appearance of these rare stamps, nearly all of which are worth, at present, from one to ten dollars each; our publishers being prepared to pay nearly the full retail value for all of them. It is hoped that the publication of these facts will stimulate active search for these rarities, and bring such quantities of genuine original locals from their hiding places as to enable them to withdraw the imitations from the market, and supply originals at a moderate price.

The second column gives the prices of those stamps which have been reprinted either by the original owners or by dealers to whom the plates or dies have been sold, thus enabling stamps from the original plates, &c., to be sold at a nominal rate.

The third column gives the prices of those stamps of which our publishers can supply genuine original copies.

N. B.—We wish it to be particularly understood that these remarks apply only to pages 38, 39 and 40. All other stamps offered in this catalogue are warranted to be authentic, genuine and original copies.

### SPECIAL NOTICE

Persons ordering Stamps from this List, will greatly oblige by attending to the following directions.

ORDERS should be written *plainly* with the name of country, date of issue, color, value and price. Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to \$3 or upwards, always Register the Letter, or send by P.O.O., the cost of which can be deducted from the amount or Banker's draft, payable to J. W. Scott & Co., at New York or London. Unused Postage Stamps of low denomination will be received from parties residing abroad in sums not exceeding £1 or \$5, and above that amount by Banker's draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at \$2 and upwards, if required.

TERMS, NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

AUCTION SALES OF STAMPS.—J. W. Scott & Co. are also prepared to dispose of large collections of stamps at auction, in New York or London, for the owner. For full particulars see "*American Journal of Philately*," or inquire of J. W. S. & C. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.

Entered according to Act of Congress, in the year 1874, by J. W. Scott & Co., in the Office of the Librarian of Congress, at Washington.

## THE COMMON SENSE POSTAGE STAMP ALBUM.

—:0:—

It has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

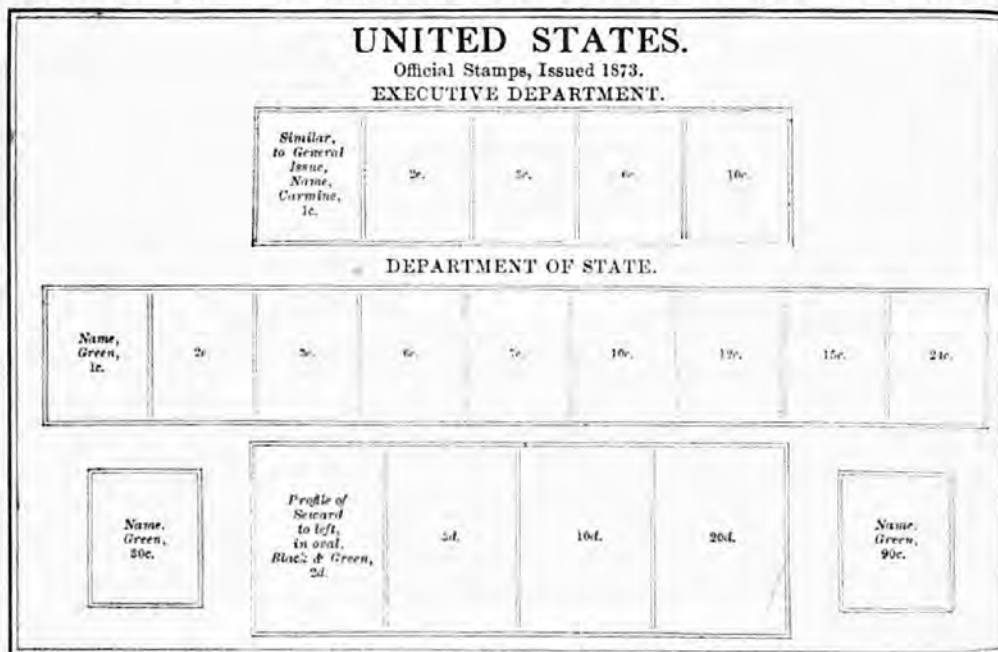

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Island, United States Official, &c., &c.

It is bound in the strongest manner, by the most skilful workmen, with the best materials. The following styles and prices now ready :

HALF CLOTH, beautifully illuminated in black and gold.	\$2 00
CLOTH, gilt lettering, back and sides.	2 50
"    guards, clasp, &c.	3 50
"    extra thick paper, gilt clasp, printed on one side of the paper only.	5 00
HALF MOROCCO, extra fine, heavy paper, gilt clasp.	6 00

HALF MOROCCO, bound very strong, every other page blank, making it "perfectly permanent;" warranted ten years. Price only	10 00
HALF LEVANT MOROCCO, gilt edges, a perfect book.	15 00
FULL LEVANT or RUSSIA, full gilt.	25 00

### EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels, but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."

# THE REVENUE STAMP ALBUM.

—:O:—

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain in a convenient and elegant form these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

## EXTRACT FROM PREFACE.

In the present state of knowledge concerning revenue stamps it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would in that case, make it impossible to fill the Album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to his brother collectors, and there being no definite value or degrees of value yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless rarities among their revenue stamps, which, perhaps, have only cost them two or three cents.

Taking these facts into consideration, spaces have only been prepared for well-known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for all fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide space for every stamp that has ever been issued by our own country, with the exception of beer, spirit, and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers do collect them, sufficient blank pages have been left for their accommodation, and taking into consideration their large size, they can be arranged with equal facility without the aid of lines.

## BEAUTIFY YOUR ALBUMS.

The Flags of the different Nations and the portraits of the various rulers of the earth, add interest and beauty to any Stamp Album, while for a blank book containing stamps, they are almost indispensable.

### THE MERCHANT FLAGS OF THE WORLD

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any others we were acquainted with, which consist in the facts that there is only one Flag to each country; more nations represented than have heretofore been given; and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in album, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and without correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in five colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

*In ordering please state which paper is required.*
