P R E F A C E .

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines. Postage Stamps were first issued by Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of pre-paying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face, either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the *JOURNAL OF PHILATELY*.

The great and increasing demand for "locals," as the stamps of the various private express companies are incorrectly called, has induced our publishers to incorporate a complete list of these interesting labels in the present edition (the thirtieth) of "THE ILLUSTRATED POSTAGE STAMP CATALOGUE," and it is hoped that it will be the means of familiarizing collectors with the appearance of these rare stamps, nearly all of which are worth, at present, from one to ten dollars each; our publishers being prepared to pay nearly the full retail value for all of them; they hope that the publication of these facts will stimulate active search for these rarities, and bring such quantities of genuine original locals from their hiding places as to enable them to supply originals at a moderate price.

ABBREVIATIONS, &c.

LOCATION OF COUNTRIES.

A.—Asia. AF.—Africa. E.—Europe. N. A.—North America. O.—Oceania. S. A.—South America. W. I. I.—West India Islands.

Only the first letter of the money used in the country is given in the column, but the full name with its relative value will be found directly under the heading of each nation.

The first column of figures gives the original value of the stamps in the country when issued, with the abbreviation of the money used; then follows the date; where there are figures in parenthesis, thus (t 530), it refers to an engraving of the same number in a supplement accompanying the 50 cent edition; after the color is the price we charge for the stamp unused or clean; the last column gives our price for the stamp used or cancelled, of these the best or cleanest copy we have in stock at the time of receiving the order will invariably be sent.

In the pages devoted to the U. S. Locals, Ori. (original) and Rep. (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between an used or unused stamp (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price.

In a few places, tri. (triangle), rect. (rectangle), cir. (circle), and ov. (oval), will be found which refer to the shape of the stamp in the same line with it.

SPECIAL NOTICE.

Persons ordering Stamps from this List will greatly oblige by attending to the following:

Orders should be written *plainly* with the name of country, date of issue, color, value and price.

Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to \$3 or upwards, always Register the Letter, or send by Banker's draft, or P. O. O., (the cost of which can be deducted from the amount) payable to J. W. SCOTT & CO., New York. Unused Postage Stamps of low denomination will be received from parties residing abroad in sums not exceeding £1 or \$5, and above that amount by Banker's Draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at \$2 and upwards, if required.

UNITED STATES STAMPS.—J. W. Scott & Co., wish it distinctly understood that all the U. S. Stamps sold by them are warranted genuine original impressions, and not the spurious reprints and imitations lately circulated to deceive collectors.

TERMS NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

AUCTION SALES OF STAMPS.—J. W. Scott & Co., are also prepared to dispose of large collections of stamps at auction, in New York or London, for the owner. For full particulars see "American Journal of Philately," or inquire of J. W. Scott & Co. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.

THE COMMON SENSE POSTAGE STAMP ALBUM.

—:0:—

It has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Island, United States Official, &c., &c.

It is bound in the strongest manner, by the most skillful workmen, with the best materials. The following styles and prices now ready:

CLOTH, gilt lettering, back and sides, - - - - -	2 50
“ guards, clasps, &c., - - - - -	3 50
“ extra thick paper, gilt clasp, printed on one side of the paper only, - - - - -	5 00
HALF MOROCCO, extra fine, heavy paper, gilt clasp, - - - - -	6 00
FRENCH MOROCCO, fine heavy paper, gilt edges, two gilt clasps - - - - -	8 00
HALF MOROCCO, bound very strong, every other page blank, making it “perfectly permanent;” warranted ten years. Price only - - - - -	10 00
HALF LEVANT MOROCCO, gilt edges, a perfect book, - - - - -	15 00
FULL LEVANT or RUSSIA, full gilt, - - - - -	25 00

EXTRACT FROM PREFACE.

“Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose, thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published.”

THE AUTOGRAPH ALBUM.

Much has been said and written concerning the collection of autographs; many learned men maintaining that the hand writing is a sure guide to the character of the writer; be this as it may, it is certain that from the earliest authentic records of history to the present day, there has never been lack of diligent searchers after the signatures of eminent men, and none who has studied the subject, can doubt the historic value of narratives authenticated by the signatures of well-known characters, but it is not for this class of autographs that the present volume is intended, although if desired these can be pasted with good effect on the blank pages; but rather to contain a collection of the signatures of our friends and acquaintances, and thus, perhaps, be the means of preserving the hand-writing of many loved and lost ones, or at least help to pass many a pleasant hour amongst our friends by comparing hand writing and making guesses at character.

THE REVENUE STAMP ALBUM.

—:O:—

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain in a convenient and elegant form these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

EXTRACT FROM PREFACE.

In the present state of knowledge concerning revenue stamps, it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present, very limited, which would in that case, make it impossible to fill the Album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to his brother collectors, and there being no definite value or degrees of value yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless rarities among their revenue stamps, which, perhaps, have only cost them two or three cents.

Taking these facts into consideration, spaces have only been prepared for well-known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book, ample room has been secured for all fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide space for every stamp that has ever been issued by our own country, with the exception of beer, spirit, and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers do collect them, sufficient blank pages have been left for their accommodation, and taking into consideration their large size, they can be arranged with equal facility without the aid of lines.

Centennial Stamp Albums,

FOR ALL

AMERICAN STAMPS.

This splendid album has been published to commemorate in a convenient and appropriate form the centennial of our country's birth.

To this end it has been prepared with great care, the paper, printing and binding being of the best quality, all of American workmanship in itself illustrating the present state of American art, and with the collection it is intended to contain will prove the most interesting souvenir of our country's hundredth birth day.

Apart from the auspicious year of its advent, there has been a growing feeling among collectors that the numerous issues of our country demand a volume for themselves, this want has been amply provided for by the publication of this beautiful volume, as it contains spaces for all stamps, (Postage and Revenue,) issued in the United States, up to the year 1876. The shape and general design are similar to that standard work "The Common Sense Album," and by the same author.

Prices \$5, \$10, \$15, and \$25. Look out for publication notice.

A collection of Postal Cards arranged in one of these albums is always handy for reference or examination, both sides of the card being exhibited with equal facility, and can at any time be removed without injury to card or album.

The following styles are now ready :

THE COATS OF ARMS OF THE WORLD.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine heavy paper for framing, or on the same quality of thin paper for inserting in albums. Price, 50c.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country: more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

AMERICAN & FOREIGN COPPER COINS.

This catalogue gives the selling price of the various series of coins of which it treats, the text being profusely illustrated with engravings of the rarer pieces, to enable the collector to determine their nationality and date of issue. The value of the American coins is given in three degrees of preservation, which will be found a valuable feature of the work.

It will be found of great value to all NEWSDEALERS and STOREKEEPERS, as it gives the fictitious value of all American copper. By its means many small traders have made hundreds of dollars by selling coins taken in their stores, which they would otherwise have passed out in change. Price 25 cents, post free.

AMERICAN & FOREIGN SILVER COINS.

This handy manual is gotten up in the same style as the Copper coin catalogue, and is illustrated with well-executed engravings, of every American silver coin ever issued, and some of the most interesting foreign ones.

Our remarks concerning the value of the Copper coin catalogue, will apply with still greater force to this, for as the silver coin which has been hoarded up for the last fifteen years, comes again into circulation, many rare and valuable pieces are sure to reward those, who take the time to look at the dates, before paying them away. It must not be thought that it is only the old pieces that are valuable, as, for instance, the publisher will pay \$5.00 for the silver dollar of 1854, and so with other comparatively recent dates.

Price 25 cents, post free. Or the two bound in one volume, with a supplement containing fac-similes, of a number of old Roman and Greek coins. Price 50 cents, post free.

AMERICAN BOYS' THEATRE.

Without counting the endless pleasure to be derived, from acting or witnessing the performance of *Seltz's American Boys' Theatre*; the fitting up, mounting and performing these plays, will be found to give more pleasure and profit for the money, than the same amount expended in any other way. They have been proved of incalculable benefit in developing a boys' talent, in the various faculties called into play. His mechanical invention is brought out in constructing his theatre; his artistic genius is improved in carefully coloring the characters and scenery, and his elocution perfected in reading the speeches of the different actors.

The following interesting plays are now ready price 25 cents or beautifully colored 50 cents, post free:

Alone in the Pirates' Lair.
Jack Cade; or, the Rebel of London.
King Arthur, and the Knights of the Round Table.
The Giant of the Black Mountains (Pantomime.)
