PREFACE.

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines. Postage Stamps were first issued by Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of pre-paying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the *JOURNAL OF PHILATELY*.

The great and increasing demand for "locals," as the stamps of the various private express companies are incorrectly called, has induced our publishers to incorporate a complete list of these interesting labels in the present edition (the Thirty-Fourth) of "*THE ILLUSTRATED POSTAGE STAMP CATALOGUE*," and it is hoped that it will be the means of familiarizing collectors with the appearance of these rare stamps, nearly all of which are worth, at present, from one to ten dollars each; our publishers being prepared to pay nearly the full retail value for all of them, they hope that the publication of these facts will stimulate active search for these rarities, and bring such quantities of genuine original locals from their hiding places, as to enable them to supply originals at a moderate price.

ABBREVIATIONS, &c.

LOCATION OF COUNTRIES.

A.—Asia. AF.—Africa. E.—Europe. N. A.—North America. O.—Oceanica. S. A.—South America. W. I. I.—West India Islands.

Where the color is given in *italics* it signifies that the stamp is printed in black (or color) on paper of the tint indicated.

Only the first letter of the money used in the country is given in the column, but the full name, with its relative value, is given directly under the heading of each nation.

The first column of figures gives the original value of the stamps in the country when issued, with the abbreviation of the money used; then follows the date; where there are figures in parenthesis, thus, (t 530) it refers to an engraving of the same number in a supplement accompanying the 50 cent edition; after the color is the price we charge for the stamp unused or clean; the last column gives our price for the stamp used or canceled; of these, the best or cleanest copy we have in stock at the time of receiving the order will invariably be sent.

In the pages devoted to the U. S. Locals, Ori (original) and Rep. (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between a used or unused stamp (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price.

In a few places, tri. (triangle), rect. (rectangle), cir. (circle), and ov. (oval), will be found, which refer to the shape of the stamp in the same line with it.

SPECIAL NOTICE.

Persons ordering Stamps from this List will greatly oblige by attending to the following:

Orders should be written *plainly*, with the name of the country, date of issue, color, value and price.

Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to \$3 or upwards, always Register the letter, or send by Banker's Draft, or P. O. O., (the cost of which can be deducted from the amount,) payable to SCOTT & COMPANY, New York. Unused Postage Stamps of low denomination will be received from parties residing abroad, in sums not exceeding £1 or \$5, and above that amount by Banker's Draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at \$2 and upwards, if required.

UNITED STATES STAMPS.—Scott & Company wish it distinctly understood that all U. S. Stamps sold by them are warranted genuine original impressions, and not the spurious reprints and imitations lately circulated to deceive collectors.

TERMS, NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

AUCTION SALES OF STAMPS.—Scott & Company are also prepared to di-*pose* of large collections of stamps at auction in New York or London for the owner. For full particulars see "*American Journal of Philately*," or inquire of Scott & Company. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.
