The enormous sale of these books allows of frequent editions, thus insuring each to contain all the latest issues and improvements which have been discovered by our own experts or pointed out to us by the critics among our million readers. They are all uniform in the excellence of the engraving, printing and paper, and are sold at the popular price of 25 cents, regardless of the cost of production, our aim being simply to reimburse the actual cost and protect the books from waste.

PREFACE.

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines. Postage Stamps were first issued by Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of prepaying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the *JOURNAL OF PHILATELY*.

The great and increasing demand for "locals," as the stamps of the various private express companies are incorrectly called, has induced our publishers to incorporate a complete illustrated list, and it is hoped that it will be the means of familiarizing collectors with the appearance of these rare stamps, a large number of which are worth, at present, from one to ten dollars each; our publishers being prepared to pay nearly the full retail value for all of them, they hope that the publication of these facts will stimulate active search for these rarities, and bring such quantities of genuine original locals from their hiding-places, as to enable them to supply originals at a moderate price.

ABBREVIATIONS, &c.

LOCATION OF COUNTRIES.

A.—Asia. AF.—Africa. E.—Europe. N. A.—North America. O.—Oceanica. S. A.—South America. W. I. I.—West India Islands.

Where the color is given in *italics*, it signifies that the stamp is printed in black (or color) on paper of the tint indicated. An asterisk after the date indicates that the stamp is a surcharged provisional.

Only the first letter of the money used in the country is given in the column, but the full name, with its relative value, is given directly under the heading of each nation.

The first column of figures gives the original value of the stamps in the country when issued, with the abbreviation of the money used; if the value is in brackets, it signifies that it is not indicated on the stamp; then follows the date; where there are figures in parenthesis, thus (t 530) it refers to an engraving of the same number in the supplement following the list; after the color is the price we charge for the stamp unused or clean; the last column gives our price for the stamp used or canceled; of these, the best or cleanest copy we have in stock at the time of receiving the order will invariably be sent.

In the pages devoted to the U. S. Locals, Ori (original) and Rep (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between a used or unused stamp, (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price. It should be understood that any stamp printed from a genuine plate is genuine, and it is of comparatively little importance as to the particular date at which the impression was made. Every stamp which has been in use a few years, has been many times reprinted, and all prints are equally genuine. Young collectors sometimes confound reprints with counterfeits, an unfortunate mistake, as counterfeits have no value whatever, and are a disgrace to any album in which they are found.

In a few places, tri. (triangle), rect. (rectangle), cir. (circle), and ov. (oval), will be found, which refer to the shape of the stamp in the same line with it.

SPECIAL NOTICE.

Persons ordering Stamps from this List will greatly oblige by attending to the following:

Orders should be written *plainly*, with the name of the country, date of issue, color, value and price.

Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to \$8 or upwards, always Register the letter, or send by Banker's Draft, or P. O. O. (the cost of which can be deducted from the amount), payable to SCOTT & COMPANY, New York. Unused Postage Stamps of low denomination will be received from parties residing abroad, in sums not exceeding £1 or \$5, and above that amount by Banker's Draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at \$2 and upwards, if required.

TERMS, NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

AUCTION SALES OF STAMPS.—Scott & Company are also prepared to dispose of large collections of stamps at auction in New York or London, for the owner. For full particulars, see "*American Journal of Philately*," or inquire of Scott & Company. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.

COINAGES OF THE WORLD,

ANCIENT AND MODERN.

This work is intended to give correct information on a subject of which no educated person can afford to be ignorant; and yet, till the publication of this volume, it has been impossible to obtain a general knowledge of the *Coinages of the World* without reading through dozens of heavy quartos, at great loss of time, and probably heavy expense.

By the aid of this book, any person can at once determine the nationality of any coin they may possess, and obtain much interesting information concerning the cause which led to its issue. It is well filled with beautifully executed representative coins of every people, age and country, and is the only comprehensive book on the subject ever published. The paper, press-work and binding are all of the very best. No library can be complete without it.

PRICE—CLOTH, \$2.50. HALF MOROCCO, \$3.50. PAPER, STITCHED, \$1.00.

The only correct way to affix stamps in your album is with the slips of gummed paper specially prepared for this purpose by us.

THE COINS OF THE BIBLE.

JUST PUBLISHED.

This remarkable book gives a full account of all the Coins used by the Jewish nation, from the first silver shekel to the last copper mite, including the coins struck during their revolts while under the Roman dominion, and closing with a beautiful picture of the large bronze struck by the Emperor Titus to commemorate the total destruction of Jerusalem and the dispersion of the Jews.

The coins of the New Testament are very fully treated of, and a set of accurate METAL *fac-similes* of PROPER SIZE and THICKNESS, accompanies each book. These Coins have been prepared at great cost, and will be found invaluable to all Bible students, Sunday School teachers and Christians throughout the world.

Among the specially interesting coins we note :

The First Shekel,

The Coin taken from the Fish's Mouth,

The Tribute Penny,

The Coin of the False Messiah,

The Widows' Mite,

The Judea Capta of Titus,

beautifully printed on heavy paper and bound in cloth, including case of *fac-simile* coins, price. \$1.00.

For sale by all booksellers.

If your bookseller has not got it, will be sent post free by the Publishers on receipt of price.

SCOTT & COMPANY, 721 Broadway, New York City.

OF THE PRIMITIVE INHABITANTS OF THIS VAST CONTINENT comparatively little is known, and the few relics of the various tribes are rapidly passing away. The grand mounds of the Ohio and Mississippi Valleys are being opened, one by one, and robbed of their treasures, so that in a few years the interesting remains now offered so cheaply will be quite unattainable.

About the only remains of the pre-historic inhabitants which remain to us consist of stone implements, such as axes, mortars, corn grinders, skinners, knives, ornaments, spear heads, arrow points, &c., all chipped out of solid rock, and many exhibiting remarkable skill in the treatment of the stone for the various uses to which it has been put. It is supposed that many of these articles were made several thousand years ago. Some of these implements are now rare, and when of extra workmanship command high prices, but we still have a stock of arrow points from various States which we offer for sale, post free, at 15 cents each for ordinary varieties such as are printed above. The locality where found accompanies each piece sold by us. Prices of other stone articles furnished on application.

A Fine arrow point, with locality where found, sent post free on receipt of 15 cents. 12 selected varieties post free for \$1.50.

THE AMERICAN GEM THEATRE.

The splendid success achieved by Seltz's American Boys' Theatre in the United States and Spanish America, has induced the publishers to get out a new style on a cheaper plan, and consequently greatly reduced price. But while the length of the stage has been diminished and a shorter play selected, it will be found of equal beauty and simplicity, and cannot fail to delight the youth of both sexes. The play accompanying it—RIP VAN WINKLE—is a familiar household word, immortalized by the genius of Washington Irving and the quiet humor of Jefferson. The various incidents are enlivened by beautiful and appropriate scenery, which may be summarized as follows:

SCENE I. The Village Inn. Sign of George III.

SCENE II. Interior of Rip Van Winkle's Cottage.

SCENE III. Woods on the summit of the Catskill Mountains.

AUCTION DEPARTMENT.

Our great experience in cataloguing coins and foreign stamps, for sale at public auction, justifies us in soliciting correspondence with parties owning valuable collections of these, or kindred works of art or antiquity, which they may wish to dispose of by public auction, our terms being as low as is consistent with proper regard to our patrons' interests. Possessing the leading papers in these lines (50,000 circulation), and a personal acquaintance with a very large number of collectors, gives us unsurpassed facilities to secure the representation of nearly every American collector.

FOREIGN STAMP DEPARTMENT.

Collectors of Foreign and American Postage or Fiscal Stamps are referred to our various circulars on the subject.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country; more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

THE COATS OF ARMS OF THE WORLD.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine heavy paper for framing, or on the same quality of thin paper for inserting in albums. Price, 50c.

POSTAGE STAMP PORTRAITS OF RULERS FOR INSERTION IN ALL POSTAGE STAMP ALBUMS.

These Photographs are the size of Postage Stamps, and when inserted in the spaces prepared for them, add considerable to the interest of an album.

SET OF 56 PORTRAITS, Price 50 cents.

List of subjects; the numbers affixed correspond to the spaces in The International and Common Sense Albums.
