PREFACE.

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines. Postage Stamps were first issued by Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of prepaying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the JOURNAL OF PHILATELY.

The great and increasing demand for "locals," as the stamps of the various private express companies are incorrectly called, has induced our publishers to incorporate a complete illustrated list, and it is hoped that it will be the means of familiarizing collectors with the appearance of these rare stamps, a large number of which are worth, at present, from one to ten dollars each: our publishers being prepared to pay nearly the full retail value for all of them, they hope that the publication of these facts will stimulate active search for these rarities, and bring such quantities of genuine original locals from their hiding places, as to enable them to supply originals at a moderate price.

ABBREVIATIONS, &c.

LOCATION OF COUNTRIES.

A.—Asia. AF.—Africa. E.—Europe. N. A.—North America. O.—Oceanica. S. A.—South America. W. I. I.—West India Islands.

Where the color is given in *italics*, it signifies that the stamp is printed in black (or color) on paper of the tint indicated. An asterisk after the date indicates that the stamp is a surcharged provisional.

Only the first letter of the money used in the country is given in the column, but the full name, with its relative value, is given directly under the heading of each nation.

The first column of figures gives the original value of the stamps in the country when issued, with the abbreviation of the money used; if the value is in brackets, it signifies that it is not indicated on the stamp; then follows the date; where there are figures in parenthesis, thus (t 530) it refers to an engraving of the same number in the supplement following the list; after the color is the price we charge for the stamp unused or clean; the last column gives our price for the stamp used or canceled; of these, the best or cleanest copy we have in stock at the time of receiving the order will invariably be sent.

In the pages devoted to the U. S. Locals, Ori (original) and Rep (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between a used or unused stamp, (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price. It should be understood that any stamp printed from a genuine plate is genuine, and it is of comparatively little importance as to the particular date at which the impression was made. Every stamp which has been in use a few years, has been many times reprinted, and all prints are equally genuine. Young collectors sometimes confound reprints with counterfeits, an unfortunate mistake, as counterfeits have no value whatever, and are a disgrace to any album in which they are found.

In a few places, tri. (triangle), rect. (rectangle), cir. (circle), and ov. (oval), will be found, which refer to the shape of the stamp in the same line with it.

SPECIAL NOTICE.

Persons ordering Stamps from this List will greatly oblige by attending to the following:

Orders should be written *plainly*, with the name of the country, date of issue, color, value and price.

Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to \$3 or upwards, always Register the letter, or send by Banker's Draft, or P. O. O. (the cost of which can be deducted from the amount), payable to SCOTT STAMP & COIN CO., Limited, New York. Unused Postage Stamps of low denomination will be received from parties residing abroad, in sums not exceeding £1 or \$5, and above that amount by Banker's Draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at \$2 and upwards, if required.

TERMS, NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

AUCTION SALES OF STAMPS.—Scott Stamp & Coin Co., Limited, are also prepared to dispose of large collections of stamps at auction in New York or London for the owner. For full particulars, see "American Journal of Philately," or inquire of Scott Stamp & Coin Co., Limited. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.

A REVISED LIST

OF ALL

Postage Stamps and Stamped Envelopes.

This is the only work of the kind ever published in America, and in the short space of two months has become the standard of all English-speaking stamp collectors. It contains an accurate list of every postage stamp ever issued, minutely describing every variety of color, water-mark and paper, together with all the minor details concerning the different dies of the same stamp. It is fully illustrated with about fifteen hundred engravings, and besides being the latest is the most accurate work of the kind ever printed. Numerous notes explain every doubtful point in Philately, and give many interesting details concerning the causes which led to the issue or suppression of noted stamps. Mr. Coster's valuable monograph on the United States locals is added entire, forming a work which no collector who has outgrown the boy period of pasting stamps in a copy book can afford to be without. It is not a price list or a dealer's advertisement in any sense of the word.

THE SCOTT STAMP AND COIN COMPANY are pleased to announce to Collectors that they are manufacturing COIN CABINETS of the following sizes and styles:

American and Foreign

COINS & MEDALS.

To facilitate a rapid despatch of business and insure accuracy in every branch, our large trade is divided into several departments, each under a responsible head, and satisfaction guaranteed in every case. All goods we sell are warranted genuine, and a written guarantee given when required.

RETAIL STORE.

Here we shall be happy to see any of our friends visiting New York. Although it is impossible to find room in one building to have all our immense stock displayed, still we are always pleased to show any special line in which our visitors are interested.

MAILING DEPARTMENT.

Collectors favoring us with their orders by mail may always rest assured that their wants will receive immediate attention, and secure the same careful and intelligent consideration as if they personally selected the goods;—it being a standing rule of the firm that "first come, first served," letters being answered in the order and on the day they are received, and the best specimen in stock, of those graded at same price, invariably given.

AUCTION DEPARTMENT.

Our great experience in cataloguing coins and foreign stamps, for sale at public auction, justifies us in soliciting correspondence with parties owning valuable collections of these, or kindred works of art or antiquity, which they may wish to dispose of by public auction, our terms being as low as is consistent with proper regard to our patrons' interests. Possessing the leading papers in these lines (50,000 circulation), and a personal acquaintance with a very large number of collectors, gives us unsurpassed facilities to secure the representation of nearly every American collector.

COMMISSION DEPARTMENT.

We have competent representatives at every sale of goods in which we deal, and are prepared to execute commissions to purchase for collectors at the following rates, personally guaranteeing the genuineness of all goods purchased: On purchases under \$100, 10%; over \$100, 5%; a uniform charge of 50 cents made on any amount under \$5.

PUBLICATION DEPARTMENT.

Our various coin publications have been included with our other book business, and are all kept securely packed, ready for mailing, and are sent post free on receipt of order. We annex a list of a few which should be in every person's hands.

A collection of all the United States Statutes in reference to the coinage of money, passed since the formation of the Government in 1789, including a copy of the famous Bland Silver Bill, with its amendments; also a tabular statement showing what coins are legal tender, &c., &c. 70 pages.....	\$0 25

FOREIGN STAMP DEPARTMENT.

Collectors of Foreign and American Postage or Fiscal Stamps are referred to our various circulars on the subject.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country; more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

THE COATS OF ARMS OF THE WORLD.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine heavy paper for framing, or on the same quality of thin paper for inserting in albums. Price, 50c.

POSTAGE STAMP PORTRAITS OF RULERS FOR INSERTION IN ALL POSTAGE STAMP ALBUMS.

These Photographs are the size of Postage Stamps, and when inserted in the spaces prepared for them, add considerable to the interest of an album.

SET OF 56 PORTRAITS, Price 50 cents.

List of subjects; the numbers affixed correspond to the spaces in The International and Common Sense Albums.
