SPECIAL NOTICES.

The numbers in the first column will serve to facilitate the ordering from the Catalogue; thus, if you wish to order an unused United States, 1851 issue, 1c blue, unperforated, your order may read as follows:

United States, 16 25 cents,

thereby doing away with the necessity of long descriptions. The second column indicates the date of issue of the stamp; the third, the number of the illustration in the Catalogue; the fourth the nominal or face value, and the fifth, the color of the stamp; the sixth, our price for an uncanceled specimen, and the seventh, our price for a canceled or used one.

A printed order blank accompanies this catalogue, and if customers will fill it out according to instructions no mistake can occur.

As it is impossible to keep a full line of all stamps constantly on hand, we would advise our customers always to send a supplementary order. Thus, if you remit \$1.00 make out an order for \$2.00 worth of stamps, so that you may be sure of receiving goods to the full value of your remittance, without the necessity of sending another letter, and also avoiding delay. We never substitute stamps not ordered for others which we may not have in stock.

We cannot hold ourselves responsible for letters lost in transit.

In the pages devoted to the U. S. Locals, Ori. (original) and Rep. (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between a used or unused stamps, (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price. It should be understood that any stamp printed from a genuine plate is genuine, and it is of comparatively little importance as to the particular date at which the impression was made. Every stamp which has been in use a few years, has been many times reprinted, and all prints are equally genuine. Young collectors sometimes confound reprints with counterfeits, an unfortunate mistake, as counterfeits have no value whatever, and are a disgrace to any album in which they are found.

Guarantee—Every stamp sold by us is guaranteed genuine, and when required, a written guarantee will be given.

Remittances—Please make all remittances by Check, Money Order, Postal Note, or Express Order, to the order of the **Scott Stamp & Coin Co., L'd**, or else in unused 2c. stamps, in strips of ten or more. With the exception of those countries whose currency is worth less than 75c in U. S. money to the dollar, unused stamps of low value will be taken at face value in payment for stamps from this Catalogue.

Terms—Net cash in advance. We have made it our object to put prices as low as it is possible to sell genuine stamps, and cannot, therefore, allow any discounts.

All orders will be filled on day of receipt.

Sheets of rare stamps and novelties will be sent on approval to parties furnishing satisfactory references. We are always willing to exchange stamps from this list against foreign stamps, and can pay the highest prices for rarities. The purchase of entire collections is made a specialty.

Purchasers are particularly requested to give full name and address each time.

No orders of less than 25c. will be received.

Important Notice to Advanced Collectors, who are desirous of securing novelties as they appear.

For the convenience of those of our customers, who may wish to obtain novelties as soon as they appear, we will, upon application, set apart a series of boxes into which we will place on receipt, one of each kind of all new issues that we receive, and will forward as soon as a sufficient amount is reached, or else on request.

Parties not known to us, who desire to take advantage of this system, must deposit \$10.00 before any stamps can be sent.

Auction Sales—The Scott Stamp & Coin Co., L'd, are prepared to dispose of large collections of stamps and coins at auction. The success of this system of disposing of collections, has been fully demonstrated during past seasons, and will require no further comment.

Abbreviations—A.—Asia. AF.—Africa. E.—Europe. N. A.—North America. O.—Oceania. S. A.—South America. W. I.—West India Islands.

In some cases stamps are printed in black on colored paper, then the color of the paper only is given, and follows the color.

OUR COIN DEPARTMENT.

We advise all collectors of coins both ancient and modern to subscribe to the Coin Collectors Journal, an illustrated monthly with original articles, and items of interest, which is now in its 11th year. Terms \$1.00 per annum. Post free.

Having an immense stock of Gold, Silver, and Copper coins, and being in the most central part of New York City with a large Foreign correspondence, we have unusual facilities for obtaining coins from all quarters of the globe, and are prepared to furnish collectors from our various illustrated price catalogues which are published at the uniform price of 25c each.

Although we carry the largest stock of coins to be found in the U. S., we do not always have on hand all the coins described in this catalogue but can supply most of them, and will obtain rarities when desired.

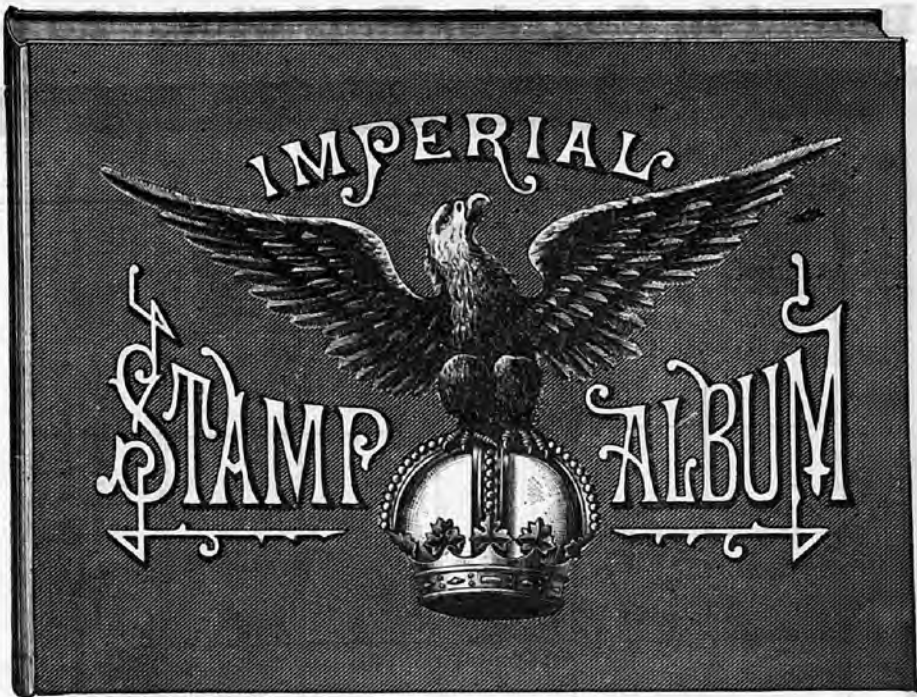

Out-of-town collectors should send list of wants and we will send on approval with proper reference. When coins are ordered by mail, the expense of postage should be added (about 2c. extra for each coin of dollar size if sent in letter, and 1c. if sent in parcel.) and it is well to send 10c. additional with each order for registration.

Visitors from out of town are specially invited to call at our store, which has become a sort of museum, where we have a large force in the retail department, who are always pleased to show stock, or give any information desired.

Owing to our large and constantly increasing correspondence we do not receive orders from Catalogue for single coins to the amount of less than one dollar. This rule, however, does not apply to packets which can be ordered singly.

Parties out-of-town having valuable collections of coins which they wish to dispose of, may send them to us by express, charges prepaid. Those who have small lots of coins of uncertain value to sell should send us rubbings or lists of them from which we can usually tell if it would be worth while for them to send them to us.

Letters of enquiry should contain 2c. stamp.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country: more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on fine heavy paper for framing, or thin paper for albums. Price only 25 cents.

In ordering please state which paper is required.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

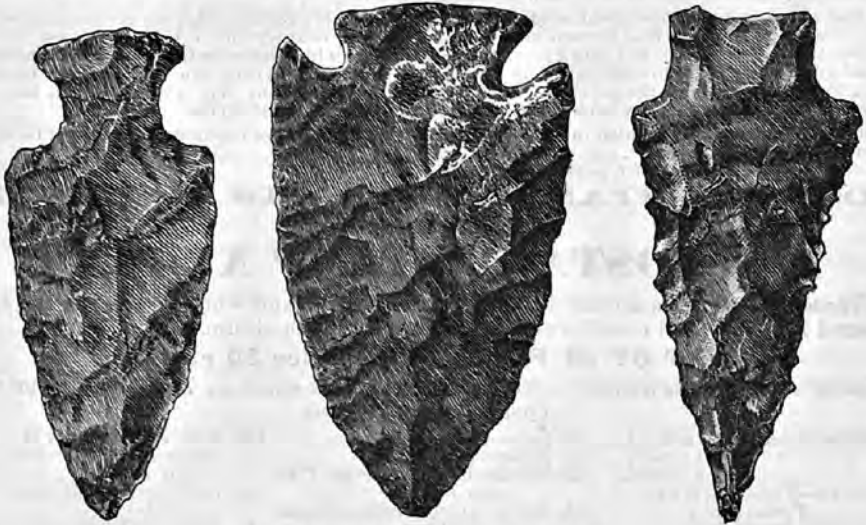

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine heavy paper for framing, or on the same quality of thin paper for inserting in albums. Price, 50c.

INDIAN RELICS.

OF THE PRIMITIVE INHABITANTS OF THIS VAST CONTINENT comparatively little is known, and the few relics of the various tribes are rapidly passing away. The grand mounds of the Ohio and Mississippi Valleys are being opened, one by one, and robbed of their treasures, so that in a few years the interesting remains now offered so cheaply will be quite unattainable.

About the only remains of the pre-historic inhabitants which remain to us consist of stone implements, such as axes, mortars, corn grinders, skinners, knives, ornaments, spear heads, arrow points, &c., all chipped out of solid rock, and many exhibiting remarkable skill in the treatment of the stone for the various uses to which it has been put. It is supposed that many of these articles were made several thousand years ago. Some of these are now rare, and when of extra workmanship command high prices. We always carry a large stock of those implements most frequently found and frequently have rare and valuable relics.

CONFEDERATE NOTES.

Of all classes of Paper Money which can be procured at moderate expense, these are the most interesting, both from the multiplicity of designs, and from their being the principal relics of the greatest of civil wars. The beautifully engraved notes issued at Montgomery, at the beginning of the war, (May, 1861,) with the imprint of the National Bank Note Co. of New York, are especially prized, for they show that the affair was considered rather as a huge joke, than as anything threatening our existence as a nation.

There are many collectors both here and in Europe, of Confederate notes, some of which have proved to be quite rare, and command high prices, these we are always glad to purchase. We have also a large variety of Bonds, State bills and Fractional currency, selections of which we will send on approval to reliable parties when desired.

In ordering it will be sufficient to give the Number of the note and price.
