SPECIAL NOTICES.

The numbers in the first column will serve to facilitate the ordering from the Catalogue; thus, if you wish to order an used United States, 1851 issue, 1c blue, unperforated, your order may read as follows:

United States, 16 10 cents,

thereby doing away with the necessity of long descriptions. The second column indicates the date of issue of the stamp; the third, the number of the illustration in the Catalogue; the fourth the nominal or face value, and the fifth, the color of the stamp; the sixth, our price for an uncanceled specimen, and the seventh, our price for a canceled or used one.

A printed order blank accompanies this catalogue, and if customers will fill it out according to instructions no mistake can occur.

As it is impossible to keep a full line of all stamps constantly on hand, we would advise our customers always to send a supplementary order. Thus, if you remit \$1.00 make out an order for \$2.00 worth of stamps, so that you may be sure of receiving goods to the full value of your remittance, without the necessity of sending another order, and also avoiding delay. We never substitute stamps not ordered for others which we may not have in stock.

In this edition we have taken special care to price almost every stamp, but this must not be taken as an indication that we have all the stamps in stock. A great many of the prices are merely for the information of collectors.

We cannot hold ourselves responsible for letters lost in transit.

In the pages devoted to the U. S. Locals, Ori. (original) and Rep. (reprint) will be found at the head of the column, in place of New and Used. In these stamps there is no difference in the value between used or unused stamps, (many preferring the latter), which has allowed us to utilize the columns in giving the value of those local stamps which have been reprinted from the original plates, thus enabling collectors to get genuine stamps at a nominal price. It should be understood that any stamp printed from a genuine plate is genuine, and it is of comparatively little importance as to the particular date at which the impression was made. Every stamp which has been in use a few years, has been many times reprinted, and all prints are equally genuine. Young collectors sometimes confound reprints with counterfeits, an unfortunate mistake, as counterfeits have no value whatever, and are a disgrace to any album in which they are found.

Guarantee—Every stamp sold by us is guaranteed genuine, and when required, a written guarantee will be given.

Remittances—Please make all remittances by Check, Money Order, Postal Note, or Express Order to the order of the **Scott Stamp & Coin Co., L'd**, or else in unused 2c. stamps, in strips of ten or more. With the exception of those countries whose currency is worth less than 90c. in U. S. money to the dollar, unused stamps of low value will be taken at face value in payment for stamps from this Catalogue.

Terms—Net cash in advance. We have made it our object to put prices as low as it is possible to sell genuine stamps, and cannot, therefore, allow any discounts.

All orders will be filled on day of receipt.

Sheets of rare stamps and novelties will be sent on approval to parties furnishing satisfactory references. We are always willing to exchange stamps from this list against foreign stamps, and can pay the highest prices for rarities. The purchase of entire collections is made a speciality.

Purchasers are particularly requested to give full name and address each time.

No orders of less than 25c. will be received.

Orders for less than one dollar must contain return postage.

The prices quoted for rare stamps are for specimens in good condition, but in many instances extra fine copies bring much higher prices and selections will be sent on request.

This is especially the case in such stamps as Mauritius, Philippine Islands, New South Wales, etc., where early impressions are of a much higher order of rarity than the later ones made from a worn plate.

Important Notice to Advanced Collectors, who are desirous of securing novelties as they appear.

For the convenience of those of our customers, who may wish to obtain novelties as soon as they appear, we will, upon application, set apart a series of boxes into which we will place on receipt, one of each kind of all new issues that we receive, and will forward as soon as a sufficient amount is reached, or else on request.

Parties not known to us, who desire to take advantage of this system, must deposit \$10.00 before any stamps can be sent.

Auction Sales—The Scott Stamp & Coin Co., L'd, are prepared to dispose of large collections of stamps and coins at auction. The success of this system of disposing of collections, has been fully demonstrated during past seasons and will require no further comment.

Abbreviations—A.—Asia. AF.—Africa. C. A.—Central America. E.—Europe. N. A.—North America. O.—Oceania. S. A.—South America. W. I.—West India Islands.

In some cases stamps are printed in black on colored paper, then the color of the paper only is given, and follows the color.

INTERNATIONAL POSTAGE STAMP ALBUM.

NINTH EDITION.

IN every respect this is superior to any previously issued, and we feel justified in stating that it is the best postage stamp album ever published in the world.

The spaces for United States revenue stamps are omitted, and spaces provided for all varieties of surcharges, including all official and kindred stamps.

The spaces for cut envelopes have been considerably enlarged, thus allowing for large margins on all such specimens.

Although the Album is almost 50 per cent. larger than the previous edition, and printed on paper far superior in quality, the prices will remain the same, as follows:

THE SCOTT STAMP & COIN CO., L'd. 12 East 23d St., N. Y.

THE MERCHANT FLAGS OF THE WORLD.

AUSTRIAN-ITALY.

BRAZIL.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country: more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in FIVE colors on thin paper for albums. Price only 25 cents.

THE COATS OF ARMS OF THE WORLD.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine thin paper for inserting in albums. Price, 50c.

POSTAGE STAMP PORTRAITS OF RULERS

Sample of Color Chart.

In this chart we have attempted to reproduce every shade in which any stamp has ever been printed, arranging them under seven heads, which are numbered from one to twenty or thirty as the case may be, so all that is necessary for the amateur in deciding the color of a new stamp, or ordering from any dealer a shade he may require will be to write "Color Chart," giving Class and Number which correspond with his specimen or wants, and as this work will be in the hands of every dealer in the world, it will show exactly what is required to be made known.

PRICE, \$15.00 post free.

As a reference for those who desire to purchase more than one of the above packets and at the same time avoid obtaining duplicates, we append a number of Series in which every stamp will be different.
