We shall hold its columns open for a free discussion of all questions which may arise in the Philatelic world, and we trust our readers will not be backward in communicating their ideas through this medium.

SPECIAL NOTICES.

The numbers in the first column will serve to facilitate ordering from the Catalogue; thus, if you wish to order a used United States, 1851 issue, 1c blue, unperforated, your order may read as follows:

United States, 21 20 cents,

thereby doing away with the necessity of long descriptions. The second column indicates the date of issue of the stamp; the third, the number of the illustration in the Catalogue; the fourth the nominal or face value, and the fifth, the color of the stamp; the sixth, our price for an uncancelled specimen, and the seventh, our price for a cancelled or used one.

A printed order blank accompanies this catalogue, and if customers will fill it out according to instructions no mistake can occur.

As it is impossible to keep a full line of all stamps constantly on hand, we would advise our customers always to send a supplementary order. Thus, if you remit \$1.00 make out an order for \$2.00 worth of stamps, so that you may be sure of receiving goods to the full value of your remittance, without the necessity of sending another order, and also avoiding delay. We never substitute stamps not ordered for others which we may not have in stock.

In this edition we have taken special care to price almost every stamp, but this must not be taken as an indication that we have all the stamps in stock. A great many of the prices are merely for the information of collectors.

We cannot hold ourselves responsible for letters lost in transit.

Reprints.—A number of stamps, of which originals are almost unobtainable, have been reprinted from the original plates; as many collectors desire to obtain specimens of these stamps, and are not prepared to pay the prices asked for originals, we give quotations for a number of such reprints but in each case the price is followed by a small star. All other prices in the catalogue are for original stamps. It should be distinctly understood that a reprint from the original plate is not a counterfeit, but a genuine stamp, although it is worth only a fraction of the value of an original.

Guarantee.—Every stamp sold by us is guaranteed genuine, and, when required, a written guarantee will be given.

Remittances.—Please make all remittances by Check, Money Order, Postal Note, or Express Order to the order of the **Scott Stamp & Coin Co., L'd.**, or else in unused 2c. stamps, in strips of ten or more. With the exception of those countries whose currency is worth less than 90c. in U. S. money to the dollar, unused stamps of low value, up to the amount of one dollar, will be taken at face value in payment for stamps from this Catalogue.

Terms.—Net cash in advance. We have made it our object to put prices as low as it is possible to sell genuine stamps, and cannot, therefore, allow any discounts.

All orders will be filled on the day of receipt.

Sheets of rare stamps and novelties will be sent on approval to parties furnishing satisfactory references. We are always willing to exchange stamps from this list against foreign stamps, and can pay the highest prices for rarities. The purchase of entire collections is made a speciality.

Purchasers are particularly requested to give full name and address each time.

No orders of less than 25c. will be received.

Orders for less than one dollar must contain return postage.

The prices quoted for rare stamps are for specimens in good condition, but in many instances extra fine copies bring much higher prices and selections will be sent on request.

This is especially the case in such stamps as Mauritius, Philippine Islands, New South Wales, etc., where early impressions are of a much higher order of rarity than the later ones made from a worn plate.

Important Notice to Advanced Collectors, who are desirous of securing novelties as they appear.

For the convenience of those of our customers who may wish to obtain novelties as soon as they appear, we shall, upon application, set apart a series of boxes into which we shall place, on receipt, one of each kind of all new issues that we receive, and will forward as soon as a sufficient amount is reached, or else on request.

Parties not known to us, who desire to take advantage of this system, must deposit \$10.00 before any stamps can be sent.

Auction Sales.—The Scott Stamp & Coin Co., L'd., are prepared to dispose of large collections of stamps and coins at auction. The success of this system of disposing of collections has been fully demonstrated during past seasons and will require no further comment.

New or Provisional Issues.—Correspondents in *Africa, Asia, Australia, Central and South America and the West India Islands* are requested to send us stamps to the value of \$5.00 or \$10.00, of any new or provisional issues which may appear in their country, and we shall remit the amount by return mail, allowing 30 per cent. commission, to be taken in stamps, etc., selected from our list, in case the stamps are sent us within 15 days of their issue.

Early intimation of any projected new issue or change would be valued, as we are specially desirous to procure early supplies of anything new, either Adhesives, Stamped Envelopes, Newsbands or Post cards.

Prompt cash and postage incurred are guaranteed.

Abbreviations.—A.—Asia. AF.—Africa. C. A.—Central America. E.—Europe. N. A.—North America. O.—Oceanica. S. A.—South America. W. I.—West India Islands.

In some cases stamps are printed in black on colored paper, then the color of the paper only is given, and *p* follows the color.

A CATALOGUE

FOR

ADVANCED COLLECTORS,

OF

POSTAGE STAMPS, STAMPED ENVELOPES AND WRAPPERS.

COMPILED FROM THE MOST RECENT AUTHORITIES AND INDIVIDUAL RESEARCH

BY

HENRY COLLIN and **HENRY L. CALMAN.**

THIS WORK, which we are publishing in monthly instalments in the AMERICAN JOURNAL OF PHILATELY, is already acknowledged by all European and American authorities to be the **BEST THAT HAS EVER BEEN ATTEMPTED.**

As published in the JOURNAL it is the most complete work of its kind that has ever been published, but after the Journal has appeared, each month, we are enabled, through the kindness of collectors, to make many corrections and additions to which our attention is called.

By these means it has been possible to make the Catalogue almost perfect, and realizing, also, that it will be a great inconvenience for collectors to be forced to have four or five volumes of the Journal constantly at hand, in order to use the

Catalogue for Advanced Collectors,

we began some time ago to print the revised and corrected matter in book form.

We are prepared to receive subscriptions for the entire work, to be delivered in parts, for

FIVE DOLLARS, payable in advance.

It is printed in quarto form, with large margins for additions and annotations and will be delivered in parts of from 70 to 80 pages.

Four instalments are ready for delivery and the fifth part will be ready about November 15, 1892.

After 500 Subscriptions have been received the price will be advanced to \$7.50 without further notice.

 Sample pages may be had on application.

The book is indeed magnificent, and will fully repay Collectors for its long delayed appearance.

FINLAND.

Uncolored fac-similes, showing size and style.

"These brilliant colored Flags faithfully represent the emblems of the different nations of the earth, and as such are a great acquisition to any Album, while the exceedingly low price (25 cents) at which they are published, places them within the reach of all."

"This Chart containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate, and by its aid the nationality of any ship may be easily determined, as it gives the Flag of the NATION instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom, if ever, seen out of their country."

"These sheets possess three great advantages (to the Collector) over any other we are acquainted with, which consist in the facts that there is only one Flag to each country; more nations represented than have heretofore been given, and only Flags of those countries which issue postage stamps. These we consider of great importance to those who buy them to put in albums, as they can use them all instead of having to throw away half the purchase. The colors are very brilliant, and withal correct, and being printed on very thin paper, the book is not swelled to an inordinate thickness."

Beautifully and correctly printed in five colors on thin paper for albums. Price only 25 cents.

(RUSSIA.)

Uncolored fac simile showing size.

This magnificent chart contains accurate representations of the armorial bearings of the nations of the world, all of which are beautifully and correctly emblazoned in gold and silver, and their true colors.

As a sheet for framing, it is an acquisition to any drawing room, and is indispensable in the library or study.

As a guide to determine the nationality of foreign coins or postage stamps, (most of which bear the issuing countries' arms), it will be found of great service. While cut up and inserted in stamp albums, they will be found to add much to the appearance of the page.

Printed on fine thin paper for inserting in albums. Price, 50c.

PAST AND PRESENT OFFICERS

Phototype and Steel Portraits, and Numerous Plates of Photographic Reproductions of Rare American and Ancient Greek and Roman Coins, by George G. Evans.

MINT EDITION.

Large Octavo—Cloth, Gold Side Stamp, \$1; Paper Cover, 50c.

Copies of either Edition Sent Post-paid on Receipt of Price.

IN PRESENTING the following two books to the public, we desire to call especial attention both to their character and to the extremely moderate price at which they are offered. They are noteworthy even in this era of cheap publications, indicating as they do, not only a growing interest in the study of numismatics, but giving hope of the issue of similarly useful works.

ENGLISH COINS AND TOKENS, and the names of L. Jewitt and B. V. Head

as its authors are a sufficient guarantee of its accuracy and value. It contains, for its size, a remarkable amount of information bearing on Ancient British and Anglo-Saxon coins, English Coins from the Conquest reign of Victoria, Trades Tokens of the 17th Century, and an abstract of the coinage of Ancient Greece and Rome, and concludes with some useful remarks upon counterfeits means of detection. 128 pp., small 8vo. full cloth. The illustrations are 152 in number, excellent reproductions of the originals, and amply cover the various topics under consideration, 40 cents, post paid.

COLONIAL COINS AND TOKENS,

By D. F. HOWORTH, is the title of the second book, which, in point of usefulness and interest, is equal to the first. It is as full of meat as a nut, detailing the coinage of Great Britain and its dependencies and Colonies in Europe, INDIA, CANADA, and AUSTRALIA, with an incidental notice of the regal coins for use in all the AMERICAN

COLONIES, and those which were more localized in use and of unofficial origin. Besides the subject matter proper it contains valuable information upon such topics as devices, mint marks, and larger books of reference, while carefully prepared chronological and alphabetical indices add to the sum total of its merits. The illustrations which are 40 in number, are clean and clear, the paper is of excellent quality, and the cover neat in design.

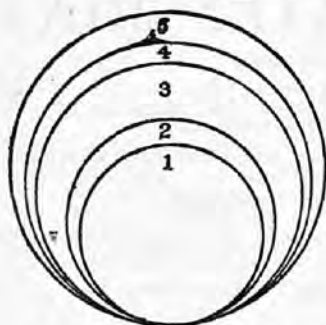

There is much collateral history connected with the Colonial coins of modern times, to which the student will find no allusion in the most elaborate chronicles, but which can only be gained from a careful study of these issues. Many were struck for the purpose of increasing the loyal attachment of the Colonists to the mother country, by flattering

legends; others tell the story of trial, and might be classed as Necessity pieces; while others indicate the dawning of independence. The pine tree shillings of Massachusetts bore a fit emblem of the self-reliant spirit, and the unbending resolution of the infant Republic. The apt reply of the politic Puritan, who told the King it was the Royal Oak which once protected his majesty, served to turn aside his anger for the moment, yet his courtiers did not fail to see that the mintage of these pieces infringed on his prerogative. Instances like these might be multiplied, but it is not necessary. We believe it may truthfully be said that the study of Colonial issues, in the broad sense of the term, will attract the beginner, and amply repay the most advanced collector. We know of no books better adapted to this purpose. 93 pp., small 8vo, full cloth, 40c., post paid.

Square Coin Holders.

This is our latest device for the keeping of Coins in drawers or cabinets, and in many respects, the best that has ever been offered to collectors. In the desirable feature of the greatest economy of space it excels all others. Ample room is provided at the top to give the chief attribution or heading, while the reverse side admits of detailed description, in separate ruled divisions. By this system the coin and its box can be transferred from one position to another, as new pieces are acquired, and arranged in its proper place, chronologically or otherwise.

As far as possible it is better to group coins according to size, other plans take more space and do not present so attractive an appearance.

These holders are of superior manufacture, of strong card board, with wooden tops or headings,

We are confident those who try them will share with us in the opinion that they are

"The Best Thing Out."

AMERICAN Journal of Philately.

A Monthly Journal devoted to the interests of Stamp Collectors.

Official organ of the National Philatelic Society of New York, the Staten Island Philatelic Society, of Staten Island, the Alamo City Philatelic Society of San Antonio, Texas, and the New Jersey Philatelic Association of Hoboken.

The JOURNAL appears monthly and, besides complete lists of all new issues of postage stamps, contains many articles, written by authorities on the various subjects discussed, on matters of interest to all stamp collectors.

We shall hold its columns open for a free discussion of all questions which may arise in the Philatelic world, and we trust our readers will not be backward in communicating their ideas through this medium.

Each number of the Journal contains from 40 to 64 pages without any advertising matter.
