The Publishers believe that this cheap series of Stamp Albums will supply "a want long felt," no Album with names of countries, &c., having hitherto been published at so moderate a price. The paper used for each is of a very superior quality, that employed for Nos. 2 and 3 being specially manufactured.

The Stamp-Collector's Magazine says—"We venture to predict a large sale for these Albums, as they combine excellence with extreme cheapness. The binding of all is neat and unpretending, and the printing is remarkably well done."

THE PERMANENT STAMP ALBUM.

BY H. STAFFORD SMITH.

Brought up to the present time, spaces being provided for all new issues.

"The leading feature of this Album is the provision of supplemental leaves, bound up with the book, thereby saving future trouble and expense. All leaves not required at the date of the publication of the Album, will be found with an asterisk (*) at the bottom of the page. More than 30 such leaves are provided (allowing for no less than 1,700 additional stamps), which are so distributed throughout the volume, that there is little chance of any new stamp country being placed out of its proper order."—*Extract from the Preface.*

The Editor of "The Stamp-Collector's Magazine" says:—

"In looking through this Album, we have experienced that pleasure which a well-executed work never fails to give. The plan upon which it is conceived is skilfully and carefully followed out, and the accessories of type, paper, and binding, are all that could be desired. We have no hesitation in saying that this Album will take the first rank among home or foreign compilations, for no book combines in a higher degree the qualities indispensable to excellence."
