MDCCCLXXIII

Price Sevenpence, Post Free] EIGHTEENTH EDITION [Abroad Ninepence

The only Stamp Album published containing Compartments for Japan, German Empire, &c.

Now Ready, the SECOND EDITION, greatly enlarged and improved, of

THE PERMANENT STAMP ALBUM

BY H. STAFFORD SMITH.

Brought up to the Present Time, spaces being provided for the Deccan, Fiji Islands, Guatemala, Japan, Hungary, German Empire, &c.

ILLUSTRATED BY A SPECIALLY ENGRAVED MAP OF THE WORLD.

The leading feature of this Album is the provision of supplementary leaves *bound up with the book*, thereby saving future trouble and expense. All leaves not required at the date of the publication of the Album will be found with an asterisk (*) at the bottom of the page. More than 30 such leaves are provided (allowing for no less than 1700 additional stamps), which are so distributed throughout the volume that there is little chance of any new stamp country being placed out of its proper order.

EXTRACT FROM THE PREFACE.

"The first edition of this work was published three years ago, and it is now more than a twelvemonth since it became out of print. Its speedy exhaustion formed the most convincing proof of the general appreciation of the plan on which it was compiled, and it is a matter of regret to the Editor that it has not been possible to bring out a second edition earlier.

"The intervening time has, however, been spent in perfecting several secondary, but not unimportant improvements; chief among which may be noticed the allotment of space for the reception of entire post cards. The typographical arrangements have also been the subject of revision, the borders and headings having been rendered of a more ornamental character; and, it is perhaps hardly necessary to say, adequate provision has been made for all the recently-issued stamps, including those of the Deccan, Fiji Islands, Guatemala, Japan, Hungary, German Empire, &c. Furthermore, the paper has been specially manufactured for this Album, of a tone calculated to show the stamps off to the best advantage. Externally, also, a change has been made in the appearance of the Album, the binding being richer, and in a greatly improved style.

"The general arrangement of the countries is unchanged, as its plan has been approved by all the philatelic organs, and by a host of private collectors. The supplementary leaves inserted at regular intervals have been found to answer the purpose for which they are intended; and one gentleman has informed the Editor that he has found ample room in the first edition for his collection of nearly 3000 varieties, although several hundreds among them were issued subsequent to its publication.

"Under these circumstances, the Editor, whilst thanking the philatelic public for the favour with which the Permanent Album has been received, submits the present edition with increased confidence to their verdict; and ventures to hope that the minor alterations above alluded to will receive their approbation.
