# PREFACE.

*Public*

In presenting to the Philatelic of America this third issue of our Price List, we take pleasure in thanking our friends for the liberal patronage they have given us thus far, and hope that by our attention to the interest of our large number of patrons to have such support continued.

Experience has taught us that the best policy in the Stamp trade, is to sell none but Genuine Stamps, *We therefore WARRANT all we sell, to be GENUINE*, and if our prices are higher than some other dealer's, collectors will remember that "all is not gold that glitters," and that *very cheap* Stamps may not be worth more than the paper they are made of.

We assure purchasers of this list that the greatest care has been taken to have it correct regards date, color and form of each variety, and being the *only* work of the kind published in America, it is the best.

In consulting it the following may be of information :

The principal abbreviations used are, oct., *octagonal* ; rect., *rectangular* ; tria., *triangular*.

We have not included any "proofs," "essays," or "shades;" the last named we have always on hand.

We keep but the largest part of the Stamps described in stock, therefore when ordering please state whether you wish to have the Stamps named, or others, in case we have not got them. In the former case we will send for them, whether it is a 20c. French, or English V. L. (worth \$16.00,) and deliver them within five weeks from receipt of order.

As many persons make inquiries of us about coins, medals, &c., we would answer all such by referring them to our friend Mr. W. Eliot Woodward of Roxbury, Mass., who will be happy to furnish all information regarding them.

All letters, orders included, *must contain stamp for a reply*.

All small remittances may be made in current funds, but all above \$3.00 had better be sent by P. O. order, payable to F. TRIFET, Boston.

All orders are sent, and letters replied to *per return mail*.

Particular attention is called to the list of packets on third page of cover. They are the best in America, and cannot be beaten by any other dealer *warranting* his Stamps.

Once more thanking our friends for past favors, and hoping for continuance of the same, we remain

Very Respectfully,

57 Court St., Boston, Sept. 18, 1867.

The Publisher.
