## Notice to Persons ordering Stamps from this List.

---

**THE MANNER OF ORDERING.**—Make out a list of the stamps you need, giving the name, country, date, value, color, and price of each stamp. *Be sure to sign each order with full name and address.* Seal the envelope securely, and direct it plainly.

**REMITTANCES** from the United States, under \$2.00 may be sent in current funds, unused postage stamps at facial value, or U. S. revenue stamps at 10 per cent discount. Above \$2.00, by post-office order or draft. From foreign countries, may be sent in unused postage stamps of small values, current in the country whence the order is sent. This, however, does not apply to Great Britain, from which country only coin, bank-notes, or drafts can be received.

**POSTAGE.**—All letters sent us must be fully prepaid, and contain sufficient stamps for answer.

**GUARANTY.**—Each and every stamp sold by us is *warranted genuine*, and double the money paid will be refunded for any counterfeit or fictitious stamps purchased of us.

**COMPLAINTS.**—Any person having complaints to make will please do so to us. As it is impossible for such a large correspondence as ours to always go straight, our country customers will please let us know of any delay that may occur in the filling of their orders, and, *if it is in our power*, we will remedy it.

**DISCOUNT.**—Unlike other dealers who charge an exorbitant price for stamps, and then allow you a discount when you buy 1,000 or so, we have priced ours at the very lowest prices, from which no discount whatever will be allowed. This is the only way to do business fairly, and every one, poor or rich, can buy their stamps at the same prices.

**REMEMBER!**—EVERY STAMP PRICED IN THIS LIST WE HAVE ON HAND AT THE PRICE NAMED.

**REWARD.**—We will reward any person that will find a mistake or omission in this Catalogue, by one or more rare stamps, according to the importance of such correction.

**ALBUMS, SETS OF STAMPS, AND PRICE LIST OF REVENUE STAMPS.**—A full list of these will be found in **THE AMERICAN STAMP MERCURY AND NUMISMATIST**—single copies, 10 cents.

F. A. DEANS.

Towanda, Pa., November, 1868.—I received the first number of the second volume of THE AMERICAN STAMP MERCURY about two weeks ago, and I think it the best paper I have ever seen.  
J. D. MERCUR.

London, November, 1868.—I only received the first number of THE MERCURY last Saturday, and allow me to tell you that your valuable paper is a great benefit to me.  
LOUIS WATERMAN.

Philadelphia, Pa., December, 1868.—I take *The Stamp-Collector's Magazine*, also, during the year, and though there is not so much reading in THE MERCURY as in it, I like it just as well, and consider THE AMERICAN STAMP MERCURY an honor to the timbrophilic press, and wish it every success.  
J. H. LANGSTROTH.

Albany, N. Y., December, 1868.—The December number of THE STAMP MERCURY has just arrived, and I am much pleased with it, and shall endeavor to induce others to take this *really excellent paper*.  
J. I. NORTON.

Philadelphia, Pa., January, 1869.—My cousin being a subscriber, I have had the opportunity of examining it, and think it will prove a valuable paper to our stamp collectors. Indeed, I think it is *the Stamp-Collector's Magazine of America*.  
L. C. HEYLIN.

Montreal, Canada, January, 1869.—I received your excellent paper this morning, per post, and am very much pleased with it, both for the information contained in it and for its appearance.  
W. R. BALCH.

Chicago, June, 1869.—I herewith enclose the subscription for THE MERCURY for one year. I not alone do so for the great benefit derived from its Timbrophilic news, but also for the sake of enjoying the solving of your many different enigmas.

# THE PERMANENT STAMP ALBUM,

By H. STAFFORD SMITH.

Brought up to the present time, spaces being provided for the Azores, Madeira, Cashmere, North German Confederation, Orange Free State, Sarawak, Straits Settlement, &c.

*Illustrated by a specially-engraved Map of the World.*

The leading feature of this album is the provision of supplemental leaves, *bound up with the book*, thereby saving future trouble and expense. All leaves not required at the date of the publication of the album will be found with an asterisk (\*) at the bottom of the page. More than 30 of such leaves are provided (allowing for no less than 1700 additional stamps), which are so distributed throughout the volume that there is little chance of any new stamp country being placed out of its proper order. [Extract from the Preface.

The *Stamp-Collectors' Magazine* says:—In looking through this album, we have experienced that pleasure which a well-executed work never fails to give. The plan upon which it is conceived is skilfully and carefully followed out; and the accessories of type, paper, and binding are all that could be desired. We have no hesitation in saying that this album will take the first rank among home or foreign compilations, for no book combines in a higher degree the qualities indispensable to excellence, and it is decidedly the first we should recommend to any collector in want of an album.

The *American Stamp Mercury* says:—The book is essentially in all respects a stamp album, and its general merits are not surpassed by either of the elaborate works of Moens or Lallier, while it has the merit of being much later and less likely to need a supplement than either.

Bound in cloth, with sprinkled edges, \$3.50; post free, \$3.75.

# THE PERMANENT STAMP ALBUM,

By H. STAFFORD SMITH.

Brought up to the present time, spaces being provided for the Azores, Madeira, Cashmere, North German Confederation, Orange Free State, Sarawak, Straits Settlement, &c.

*Illustrated by a specially-engraved Map of the World.*

The leading feature of this album is the provision of supplemental leaves, *bound up with the book*, thereby saving future trouble and expense. All leaves not required at the date of the publication of the album will be found with an asterisk (\*) at the bottom of the page. More than 30 of such leaves are provided (allowing for no less than 1700 additional stamps), which are so distributed throughout the volume that there is little chance of any new stamp country being placed out of its proper order. [Extract from the Preface.

The *Stamp-Collectors' Magazine* says:—In looking through this album, we have experienced that pleasure which a well-executed work never fails to give. The plan upon which it is conceived is skilfully and carefully followed out; and the accessories of type, paper, and binding are all that could be desired. We have no hesitation in saying that this album will take the first rank among home or foreign compilations, for no book combines in a higher degree the qualities indispensable to excellence, and it is decidedly the first we should recommend to any collector in want of an album.

The *American Stamp Mercury* says:—The book is essentially in all respects a stamp album, and its general merits are not surpassed by either of the elaborate works of Moens or Lallier, while it has the merit of being much later and less likely to need a supplement than either.

Bound in cloth, with sprinkled edges, \$3.50; post free, \$3.75.
