THE ELEVENTH SERIES OF PACKETS  
—OF—  
Foreign and American Postage Stamps,

—PUT UP BY—  
F. TRIFET, 61 Court Street, Boston, Mass.

In offering these packets to the collectors of this country, I would respectfully call their attention to the extraordinary bargains now offered them. The very large quantities in which I purchase most of my stamps would enable me to sell them at wholesale as low as any dealer, but I have decided to make my packets the only wholesale stamp portion of my business, and hereafter purchasers of them can depend upon getting stamps as cheap as they would in buying large quantities from other dealers.

Particular attention is called to the first twenty-four packets. Purchasers of the whole of these will at once possess a collection of 582 specimens at a cost of \$6.00! These stamps, were they to be purchased at catalogue rates, would cost over \$20.00, and can only be sold at a profit by disposing of large quantities of like ones at catalogue rates, and thus gaining on them what I lose on the packets; by doing so the average price obtained is more than what I pay for the large quantities bought. Collectors can depend upon everything here represented to be the exact truth, "uncolored and unadorned," as I never stoop to subterfuges in advertising my goods.

In ordering from this list, I would feel obliged for the number, as printed at the commencement of each, to prevent the possibility of any mistake.

All the stamps contained in the following Packets, EXCEPTING THOSE IN NUMBERS 43 TO 46 INCLUSIVE, are warranted genuine, and purchasers may depend upon receiving no others.

All orders by mail MUST contain sufficient postage for return, or stamps to cover the amount will be taken out of the packets.

**COLLECTORS' PACKETS.**

These Contain no Duplicates.

# SPECIAL NOTICES.

## POSTAGE.

All communications, orders included, requiring a reply must contain stamps to cover the cost of return postage.

## ORDERS FROM THIS CATALOGUE.

Should be plainly written, giving the name of the country, date, value, color and price of each stamp, with the sender's name *and full address each time*. Unless otherwise ordered, a used stamp out of stock will be replaced by an unused one and *vice versa*, charging the respective prices.

## ENVELOPES AND CARDS.

The prices quoted for these are for square-cut envelopes and entire cards. Whole envelopes of present issue are 15 per cent. above quoted prices. Obsolete ones are more—according to their rarity.

## QUARANTEE.

All stamps sold by me, except the *unused* local postage stamps of the United States and Hamburg, are warranted genuine.

## TERMS, NET CASH.

No discount can be allowed from the prices named in this list, unless four of any one stamp is taken at one time, in which case 25 per cent. may be deducted.

## REMITTANCES.

By correspondents in the United States or Canadas, should be sent either by Post Office Money Order, Banker's Draft or Registered Letters. Not responsible for money sent otherwise. Fractions of dollars should be sent in currency or unused postage stamps. *Do not send coins.*

## MONTHLY STAMP CIRCULAR, ILLUSTRATED.

The fourth volume of this indispensable publication to collectors was commenced in January, 1877. All new issues, forgeries and varieties are noted therein; articles of special interest to collectors and dealers and many advertisements which will well repay any one to peruse, form a portion of its contents. Subscribers to the fourth volume are entitled to receive, *free of cost*, either a copy of the eleventh edition of the *Postage Stamp Catalogue* and supplement of over 530 illustrations, or, a copy of the *Revenue Stamp Catalogue*, or either of the 25 cent packets. Where no choice is mentioned the *Revenue Stamp Catalogue* will be sent. Annual subscription, within the United States (Boston, 60 cents) and Canadas, 50 cents. All other countries, 3 shillings, sterling.

## THE FIRST THREE VOLUMES

Of "THE MONTHLY STAMP CIRCULAR" will be sent to any address within the United States or Canadas, post free, on receipt of \$1.80, or abroad on receipt of 10 shillings. Purchasers of them will receive, *free of cost*, one dollar's worth of stamps selected from a list to be sent by them.

## POSTAGE AND REVENUE STAMP ALBUMS.

A full descriptive list of these will be sent to any address, on application enclosing 3 cent stamp.

## REVENUE STAMP CATALOGUE.

A companion to the Postage Stamp Catalogue. It is of the same size and style as it, and is sent, post free, on receipt of 25 cents, or, presented gratis to such of the subscribers of the *Monthly Stamp Circular* as desire it for a premium.

## REFERENCES.

As many collectors have been victimized by unscrupulous scoundrels, calling themselves stamp dealers, who usually trade under fictitious names, or with long-sounding titles taken in imitation of incorporated companies, and have thus become wary of purchasing by mail, I beg leave to state that I can, if necessary, refer to collectors in nearly any city, town or village in the United States, or any of the principal cities in the world or to any of the Mercantile Agencies.

## FOR RURAL OFFICES.

\*\*\* There are about three hundred varieties of these [242-71], but as new ones are continually being issued, a list of them cannot be made which may be relied upon. I always keep a large assortment on hand, and will send a selection on approval to all responsible applicants. Most of them range in price from 15 to 25 cents each.

## Postage Stamp Album for Young Collectors.

Compiled by F. TRIFET.

Contains spaces for 2,100 and describes 4,000 stamps, about 1,000 of which being accurately reproduced by engravings.

This neat little book will be appreciated by the collectors who, in beginning, always want the most book for the least money. It measures 6x9 inches and contains 132 printed pages. The title page is adorned with beautiful reproductions of the 12, 24, 36, 48 and 60 dollars newspaper stamps, and altogether it will be found to be the cheapest for the money.

No. 1. **BOARDS**, half cloth, . . . . . 50 cents.

No. 2. **CLOTH**, gilt side, . . . . . 75 cents.

For sale by all booksellers and stamp dealers in the United States and Canada. Liberal discount to the trade.

Collections of genuine Postage stamps numbering 1000 and upwards.

Scarce United States revenue stamps, including match and medicine stamps, valued at over 5 cents by this price list.

Old issues of Beer, Tobacco, Cigar, and Spirit stamps,

United States department stamps priced by me at 10 cents and upwards.

Rare Confederate bills and bonds, including the Southern fractional currency in good order.

Canada law stamps of scarce varieties ; 1, 2 and 3 dollar Bill stamps of first two issues, Tobacco, Gas, Weights and Measures, and Supreme Court stamps.

Revenue stamps of foreign nations, especially those of the English Colonies, Spain, Portugal, South and Central America, California, Nevada, Alabama, etc.

Genuine used Local stamps of Northern towns, Confederate and Californian, which are more valuable on the entire original envelopes.

Scarce used Postage stamps of all kinds, especially South and Central American, English Colonial and Provincial, West Indian, Asiatic and African stamps.

Parties out of town wishing to dispose of any of the above should send them to me with their price. If over \$2 in value they should be either Registered or sent by express prepaid. As a general rule if I cannot make satisfactory arrangements for purchasing I am willing to pay the expense of return charges.
