WHOLESALE DEPARTMENT.

London, Canada, Dec. 20 1893

Dear Sir:

We take pleasure in handing you for your inspection our Quarterly Wholesale List, No. 1. The next edition will appear March 20th, 1894. If you desire a copy of same kindly write us to that effect.

We believe that our prices will favorably compare with those of other wholesale dealers, and that we offer many stamps which are not to be found in any other list.

Our Wholesale Department carries a stock of over thirty millions of stamps, and owing to our exceptional facilities we can fill all orders immediately on receipt.

Wholesale orders should always have "WHOLESALE DEPARTMENT" written plainly on the envelope.

We strongly recommend every dealer to place a share of his advertising contracts in our weekly and monthly publications (see advertisement elsewhere) which have unexcelled circulations, and very reasonable advertising rates.

A cheap and profitable advertisement, one which is constant in its results, is a two or three line card in the Dealers' Directory of THE CANADIAN PHILATELIC WEEKLY, which we insert at \$5.00 per year, payable in advance. Every dealer should have one of these cards, which cannot but bring good results. The annual circulation of this paper exceeds 150,000 copies, and is read by over 40,000 different collectors and reaches nearly every country in the world.

We are always open to purchase any small or large lots of good stamps, if price is reasonable. Quotations and consignments are solicited. Common stamps are not desired.

We would request that you will look over the following pages and favor us with your order which shall receive our prompt and careful attention.

We remain,

Yours very truly,

L. M. STAEBLER
