NOTICE THESE INSTRUCTIONS

The numbers in the first column refer to the numbers in THE COMPREHENSIVE CHECK-LIST.

The price for complete volume is given first, immediately following the numbers of that volume.

Where two or more numbers are on one line at a given price it means so much for each.

On orders of \$5.00 and over a discount of 10 per cent will be given. Postage paid by me when orders amount to more than 40c.

A copy of THE COMPREHENSIVE CHECK-LIST will be given free with each order amounting to over \$2.00 if stamp is sent for postage.

All paper listed are in stock at the time this catalogue was printed. Prices are for copies in good condition, except some of the rarer ones, which are seldom found.

Prices here given are not those of publishers or any combination of dealers, but are based upon the real worth and comparative scarcity of the numbers listed.
