PREFACE.

*A word to the wise!
May it suffice,
To bring in the orders
From the States and from over the borders.*

This little pamphlet contains a list of Cards which, owing to early or specially advantageous purchases, I am now offering, giving my friends and patrons the benefit thereof, at practically half catalogue prices.

The figures in brackets "(9)" represent the quantities which I am offering at these special prices, and, as this opportunity will not present itself again, collectors will be studying their own interest by sending in their orders early for such cards as they may require for their collections.

I am not selling out, and when the indicated quantities have been sold regular prices will again prevail.

The numbers in first column are those of Scott's 1898 Postal Card Catalogue.

The figures in the last column are my special prices, preceded by the respective Catalogue prices.

TERMS, CASH WITH ORDER.
