# TO STAMP DEALERS, AND THE STAMP COLLECTING PUBLIC.

---

It was my intention, when first starting out in this new enterprise, to give to the Stamp collecting world, a pamphlet of from 30 to 40 pages of solid advertisements. But for lack of proper support by stamp dealers, on one hand, and several leading stamp dealers going back on their word in taking space, on the other hand; I am only able to give a small pamphlet, but hope that it will be received, (such as it is) kindly. And that those who have aided may be repaid ten fold.

I have not given up, for good, but if properly aided, I will give next season a book that in size and get up, will more than repay for this one.

About August 1st circulars will be sent out, soliciting adds for the same.

Yours very Respectfully

CHAS. A. TOWNSEND
