PREFACE.

There is probably no amusement of the present day more popular and instructive than that of collecting Foreign Postage Stamps, and the hope that we can add to the present number of collectors has induced us to write these few lines.

Postage Stamps were first issued in Great Britain in the year 1840, and from time to time have been adopted by other countries, our own Government first issuing them in 1847, and now there is scarcely a country in the world that has not acceded to this method of pre-paying postage, so that it must be at once apparent to every intelligent person, that there is a vast deal of information gained from the study of these labels, coming as they do from every part of the world, and bearing on their face, either the arms of the State or portrait of the ruler, and in nearly all cases the currency of the country where used, so that unconsciously the collector is made acquainted with the Geography, History and Currency of the various nations.

Were we to enumerate all the advantages to be gained from the study of Philately, we should far exceed the limits of the present work, so we must refer our readers for information to the JOURNAL OF PHILATELY.

Special Notice.

Persons ordering Stamps from this List, will greatly oblige by attending to the following directions.

ORDERS should be written *plainly*, with the name of country, date of issue, color, value and price. Purchasers are particularly requested to give full name and address each time.

REMITTANCES.—In sending money by Post, always get the amount in as few pieces as possible. When the order amounts to $3 or upwards, always Register the Letter, or send by P.O.O., the cost of which can be deducted from the amount or Banker's draft, payable to J. W. SCOTT & Co., at New York or London. Unused Postage Stamps of low denomination will be received from parties residing abroad in sums not exceeding £1 or $5, and above that amount by Banker's draft.

POSTAGE.—All letters must be fully prepaid, and contain sufficient stamps for return postage.

GUARANTEE.—Every stamp sold by us is warranted genuine, and a written guarantee will be given with all stamps valued at $2 and upwards, if required.

TERMS, NET CASH.—No discount can be allowed from the prices named in this list, as they will be found as low as it is possible to sell genuine stamps.

GREAT BRITAIN.—Persons residing here will please address all orders to J. W. Scott & Co.'s London House, and reckon the prices which are marked in *cents* as halfpence.

JOB LOTS AND CHEAP SETS.—We are constantly in receipt of stamps to sell upon commission, which are advertised every month in "The American Journal of Philately"; those are often sold at about one-half of their market value, and we should advise all persons to subscribe to that paper, as they will thereby save considerably. We receive stamps on consignment, and effect speedy sales, our charge being 25 per cent.

AUCTION SALES OF STAMPS.—J. W. Scott & Co. are also prepared to dispose of large collections of stamps at auction, in New York or London, for the owner. For full particulars see "American Journal of Philately," or inquire of J. W. S. & Co. All auction sales of stamps are advertised in the above Journal, and catalogues sent free to subscribers.

Entered according to Act of Congress, in the year 1873, by J. W. SCOTT & Co., in the Office of the Librarian of Congress, at Washington.

The Revenue Stamp Album.

For Sale by all respectable Booksellers and Stamp Dealers throughout the world.

This Album is specially designed to contain the Revenue Stamps of the world, great care having been bestowed in its preparation. It contains the only complete list of U. S. Revenue Stamps ever published, and is well calculated to contain in a convenient and elegant form these interesting mementoes of the greatest struggle the world has ever witnessed, and vividly illustrates the darkest pages of our national history. It is made uniform with the Common Sense Postage Stamp Album, and forms an interesting second volume to that work.

EXTRACT FROM PREFACE.

In the present state of knowledge concerning revenue stamps, it is simply impossible to make the book perfect, nor would it be advisable to do so, if the necessary data were at hand, as the supply of these labels is, at present very limited, which would in that case, make it impossible to fill the album. Perhaps the greatest charm in collecting revenue stamps consists in the uncertainty and romance connected with it; nearly every amateur having specimens in his album which are totally unknown to his brother collectors, and there being no definite value or degrees of value yet established; but, of course, this state of things is rapidly passing away, and ere many years, or even months have elapsed, collectors will awake to the knowledge that they have some priceless varieties amongst their revenue stamps, which, perhaps, have only cost them two or three cents.

Taking these facts into consideration, spaces have only been prepared for well-known and obtainable series of foreign revenue stamps; but by the plentiful distribution of blank pages throughout the book ample room has been secured for all fiscal stamps that may be acquired by the owner. In regard to the emissions of the United States the case is very different, as nearly every American Philatelist is desirous of obtaining a complete set of the fiscal stamps of his own country. Therefore great care has been taken to provide space for every stamp that has ever been issued by our own country, with the exception of beer, spirit, and tobacco stamps, which it has been pronounced illegal to collect, but as large numbers do collect them sufficient blank pages have been left for their accommodation, and taking into consideration their large size, they can be arranged with equal facility without the aid of lines.

CLOTH, gilt lettering, &c.,	$3.00
" EXTRA, heavy paper, large number of additional leaves, clasps, &c.,	5.00
HALF MOROCCO, twice the thickness of last,	10.00
" LEVANT, gilt edges, very strong, and handsomely bound,	15.00

Postage 25 cents extra, on first two, the others are too heavy to be sent by post.

THE MERCHANT FLAGS OF THE WORLD.

Magnificently printed in their true colors, and giving correct representations of many flags never before published. Price only 25 cents.

"This Chart, containing many Flags never before published, has been collected with great care, and can be relied upon as being strictly accurate. Unlike other sheets, it gives the Flag of the NATION, such as may be seen floating from the masts of its vessels in our harbors, and by its aid the nationality of any ship may be easily determined, instead of the gorgeous piece of bunting which simply belongs to one family, and is seldom if ever seen out of their Country."

Can be had specially printed on thin paper for insertion in Scott's celebrated Common Sense and other Stamp Albums.

THE EXCHANGE & MARKET
THE SWAPPER'S JOURNAL

OFFICE 77 NASSAU STREET, NEW YORK CITY.

SUBSCRIPTION $1.00 PER YEAR. SINGLE COPIES 5 CENTS.

"The special feature of the EXCHANGE AND MARKET is its columns of advertisements from private parties, which are inserted free, except a small charge of from 6 to 25 cents for re-writing and classifying. These advertisements, now averaging some three hundred new ones per week, relate to every description of property, from a used postage stamp to a $50,000 house, and as the articles are offered directly by the owners without the aid of any middle men or advertising expenses, can usually be purchased for about half the regular cost, or more often can be exchanged for surplus or unused articles in your possession. By the aid of this truly valuable medium you can sell or exchange *anything*, as is fully proved by the thousands of private parties who have made satisfactory exchanges or sales through its columns."

The reading matter is strictly confined to the usefull and instructive. The articles on poultry, now running through its pages, are written by the very first authority on the subject in the United States, and are simply invaluable to any one keeping or eating poultry, and so with all other articles, they are all written by the very highest talent in their several departments.

Every stamp collector should subscribe to the *Exchange and Market*. By the aid of this valuable paper, amateurs soon get acquainted with every collector in the country, and easily effect exchanges of duplicates through its private advertising columns. It also gives interesting stamp articles and chronicled new issues.

EVERY COIN COLLECTOR SHOULD SUBSCRIBE AT ONCE.

Scott's Common Sense Postage Stamp Album

NOW READY, THE FIFTH EDITION OF THIS JUSTLY CELEBRATED POSTAGE STAMP ALBUM.

It has received the Highest Prize wherever exhibited, and was awarded the only Diploma for Stamp Albums at the American Institute.

It has specially designed spaces for the reception of every Postage Stamp ever issued, rather larger than the Stamp itself, thus showing a neat border round each, adding much to the appearance of a set. Each space contains the description of the stamp it is designed for, thus making it nearly impossible to make mistakes in arranging the collection. It is brought up to the present time, having spaces provided for the Stamps of The Deccan, Fiji Islands, Japan, &c., &c., also, for the new issues of Canada, Ceylon, Luzon, Norway, Prince Edward Isle, Spanish West Indies, &c., &c.

It is bound in the strongest manner, by the most skilful workmen, with the best materials. The following styles and prices now ready.

EXTRACT FROM PREFACE.

"Special care has been taken to leave plenty of room for those governments that are still in existence, so as to accommodate future issues, and blank pages are left at appropriate intervals for the reception of Stamps from any countries that have not at present issued Postage Labels; but should any one desire additional leaves, specially designed pages to correspond with the body of the book are prepared for all new issues as soon as they are received. These are supplied by the publishers at a nominal rate, and can easily be inserted in their proper order by gumming them to the guards bound with the book for that purpose thus making the Album PERFECTLY PERMANENT, and as good after ten years as one just published."
