CATALOGUE No. II.

All Previous Quotations are hereby Cancelled.

ESTABLISHED 1882.

W. F. BISHOP,

DEALER IN

FOREIGN AND U. S. STAMPS,
ALBUMS, ETC.,

SPECIAL NOTICES.

In presenting this catalogue, I desire to call particular attention to the low prices quoted, which will be found as low, and in most cases lower, than quoted in any other catalogue. Every stamp sold by me is guaranteed genuine, and in perfect condition, such as will be an ornament to any collection.

Having a stock of nearly nine thousand different stamps, and being constantly in receipt of new novelties and valuable collections, I can offer a large and desirable line not quoted herein. Correspondence is solicited from collectors who desire particular lines, for which I will be pleased to quote prices or send on approval, if in stock.

Every stamp priced in this list is in stock on the date of issue, but as it is impossible to keep a complete stock, always send an additional list to select from. You may then be sure of getting just what you want.

Remittances. DOMESTIC. Post Office or Express money orders, payable at Chicago, Ill., or Bank draft are the safest way of making remittances. For small amounts Postal Notes are a cheap and convenient form for remitting. Unused U. S. stamps will be accepted, but amounts over one dollar are preferred in some other way. Never enclose coin of any kind in a letter. If money is enclosed the letter should always be registered.

FOREIGN. Post Office money orders, or Bank draft on New York, can be had in most countries, and should be sent when procurable. Drafts on London accepted at \$4.80 to the £. Bank notes accepted at the current rates of exchange. Unused stamps of all countries, except European, will be accepted, if the lower values are sent.

Discount. Although my prices are in many cases much lower than net catalogue prices, I allow the following discounts. From Single List, 10 per cent on orders over \$3.00; 15 per cent on orders over \$10.00. This does not apply to stamps priced at \$1.00 each and upward, which are net. Sets and packets and U. S. Stamps are strictly net cash; no exchange.

Collectors will achieve the best results by ordering what is wanted. Money expended for stamps in this way will make a better showing than double the amount purchased from "sheets," which are invariably made up from stamps readily obtained in quantity, and only such stamps that dealers can make a large profit on. Whereas by selling for cash with order, I can give you lowest possible prices and stamps you will never see on sheets.

COLLECTIONS AND LOTS OF STAMPS SOLICITED FOR WHICH I WILL PAY THE HIGHEST PRICES. PROMPT RETURNS.
