SPECIAL NOTICE.

We handle government issues of adhesive postage stamps only, without surcharges, and in presenting this catalogue, of a small part of our stock, we desire to call particular attention to the very fine and rare stamps listed, the majority of which are found in but few collections. All stamps in this list are priced at the very lowest possible prices.

Our stock of stamps is very complete, and being constantly in receipt of new novelties and valuable collections, we can offer a large and desirable line not quoted herein. Correspondence is invited from those who desire particular stamps, on which we shall be pleased to quote prices. Condition and rarity governs quotations.

As it is impossible to keep a full line constantly on hand always send a supplementary order. Thus, if you remit \$1.00 make out an order for \$2.00 worth of stamps. We never substitute stamps not ordered for others which may not be in stock.

Every stamp sold is fully guaranteed, and in good condition, such as will be an ornament to any album. On any stamp not entirely satisfactory the money will be refunded at once.

Grills on U. S. stamps *cannot* be guaranteed.

TERMS. Invariably Cash with order. Orders promptly filled.

No orders of less than 25 cents will be received.

DISCOUNT. Although the prices named are in most all cases much lower than catalogue prices the following discounts will be given:

Single foreign stamps, 10 per cent on orders over \$2.00 *net*.

“ “ “ 15 per cent on orders over \$10.00 *net*

Stamps in sets, 5 per cent on orders over \$2.00 *net*.

“ “ “ 10 per cent on orders over \$10.00 *net*.

U. S. stamps and packets are *strictly net cash*.

REMITTANCES. Domestic by Post Office or Express orders payable at Chicago, Illinois, or by Bank draft are preferred. For small amounts Postal Notes are cheap and convenient. Unused U. S. stamps will be accepted, but amounts over one dollar are preferred in some other way.

Foreign by Post Office orders or Bank draft can be had in most countries and should be sent when procurable. Bank notes accepted at the *current* rate of exchange. Unused stamps of the lower values may be sent, except stamps of Continental countries, which will not be received.

EXCHANGE. We are always willing to exchange stamps from this list or sheets against others, and can allow the very highest prices for rarities. No common stamps wanted.

PURCHASE. We are always prepared to buy collections and rare stamps singly or in quantity. We cannot say what we would allow without first seeing the stamps. If you will send them by registered mail we will inform you what we will pay, or we will remit their value.

READ THIS. Collectors will achieve the best results *by ordering what is wanted*. Money expended for stamps in this way will make a better showing than twice the amount purchased from 'sheets,' which are *invariably* made up from stamps readily obtained in quantity, reprints, surcharges, revenue and telegraph stamps, and others which should find no place in a postage stamp collection, being only such stamps that dealers can make a large profit on. Whereas by selling for cash with order we can give you the lowest possible prices and stamps never seen on sheets.

SINGLE STAMPS.

When more than one stamp is listed on the same line the prices are so much for each stamp.

The first column of prices are for uncanceled specimens and the last for canceled or used ones.

All dates used are in accordance with the Standard Postage Stamp Catalogue.
