PREFACE.

According to Resolution adopted at the Convention, held at Niagara Falls, August, 1892, I have, so far as can be ascertained, appended to each member's name the persons who signed as references. Instead, however, of stating each person's name who acted as such reference separately, I have adopted the plan of numbering the references' names. For example: *William Abraham*, at end of name numbers 1 2 means by referring to the Reference List that No. 1, Norman R. Forster and No. 2, Joseph Rechert, acted as references.

I have also placed each member's name in a separate geographical list, thus making it very easy for any member to ascertain at a glance the number of members available in his locality for the purpose of forming branches. Ten members being the required number.

Very Respectfully,

MILLARD F. WALTON,

Secretary.

BY-LAWS

OF THE

American Philatelic Association

Incorporated January 20, 1892, under the Laws of West Virginia

Adopted at its Seventh Annual Convention, held at
Niagara Falls, N. Y., on August 15, 16, 17.

ARTICLE I.—CAPITAL STOCK.

Section 1. Every certificate of stock issued by this Association shall be for a single share only, and shall be subject to the following terms and conditions, which shall be expressed upon its face: That the holder thereof has agreed with the Association and accepted the said certificate with the understanding that it can be issued or transferred only to a person who has been duly elected a member of the Association in the manner provided by its By-Laws, and who is not the holder of any other share or certificate of its capital stock. That no transfer of said stock, or the certificate thereof, shall be valid unless made upon the books of the Association and signed by the member transferring the same, or his lawful attorney, and attested by the Secretary, and upon return of the outstanding certificate, which shall be canceled and filed by the Secretary. That the holder is liable for the payment to the Association of the annual dues provided for by the By-Laws, until the said stock and certificate is surrendered to the Association, and is not entitled to vote said stock so long as he is in any manner indebted to the Association. That the Association has a first lien on the said stock and all increments thereof for all indebtedness of the holder to the Association, and that no transfer thereof shall be permitted, so long as the holder is so indebted to the Association; and that the possession of said certificate shall not be regarded as evidence of the ownership of the holder, or his right to participate as a stockholder, unless it appears upon the books of the Association that all said conditions have been duly complied with. That the ownership of said stock shall at all times be subject to the provisions of the By-Laws.

Sec. 2. Every certificate of stock shall be signed by the President and countersigned by the Secretary, and sealed with the corporate seal of the Association, and shall be duly numbered and entered in the stock book to be kept by the Secretary for that purpose.

ARTICLE II. - MEMBERSHIP.

Section 1. Any person may become a member of this Association by filing with its General Secretary an application in the form prescribed from time to time, signed by at least two members of the Association, and accompanied by the sum of one dollar, to be returned if admission is refused; and if the applicant has not attained the age of twenty-one years, he must accompany his application with a guarantee from some responsible person that

the guarantor will be responsible for the proper fulfilment of the applicant's promises and obligations to the Association, in case the applicant is admitted. The General Secretary shall cause the names and addresses of each applicant, his references and guarantor, to be published in the next number of the Official Journal, or the next Official Circular sent to members, and if no objection to his admission shall be received by the Trustees within one month after such publication, the applicant shall be considered elected. In case the Trustees shall receive any objection to the admission of any applicant, they shall notify the General Secretary thereof, and proceed to investigate the case, and accept or reject the applicant, in their discretion, and shall certify their decision to the General Secretary, who shall thereupon proceed accordingly.

Sec. 2. Each person admitted to membership in this Association, upon being notified of his admission by the General Secretary, shall forthwith pay to the Secretary the dues for the remainder of the current year, and the special assessment to pay for the subscription made for him to the American Philatelist, and if such member is a resident of the United States or Canada, he shall in addition pay to the General Secretary the sum of one dollar for a share of the capital stock of the Association. It shall be discretionary with the members residing in other countries to become shareholders or not. In making the above payments, however, the new member shall receive credit for the sum deposited by him with his application for admission.

Sec. 3. As it is important to the well-being and prosperity of this Association that all members thereof should be persons of good repute, every person applying for admission thereto agrees to become subject to such rules of discipline as may be provided by the By-Laws from time to time. All charges of improper conduct on the part of any member of the Association shall be addressed in writing to the Trustees, who shall investigate and determine the same under such rules as they may prescribe; and they may, in their judgment, suspend or expel such member and require him to surrender his stock, if he be a stockholder, and their action shall be final and binding on all parties. Should the Trustees deem it advisable, they may, however, certify the case for consideration to the next Convention of the Association, giving notice of their intention so to do in the Official Journal, and such Convention shall have the same powers in the case as the Board of Trustees.

Sec. 4. The dues of all members who are stockholders shall be one dollar per annum, and the dues of all other members shall be fifty cents per annum, and shall be payable annually, in advance, on the first day of September, when the fiscal year shall commence. New members shall pay dues for the remainder of the year only, computed from the beginning of the month in which they shall have been elected. A special assessment of fifty cents per annum shall be levied upon each member annually, to pay for such member's subscription to the American Philatelist, which shall be collected by the Secretary at the time of collecting the annual dues, and forwarded to the publishers of the American Philatelist. No other assessment or dues shall be exacted of any member or stockholder, except by the amendment of this section of the By-Laws in Convention or other general meeting.

Sec. 5. In case any member fails to pay the annual dues and special assessment within thirty days from the time the same are due, the Secretary shall notify such delinquent member, and unless such dues are paid, or the member presents his resignation, and, if a stockholder, surrenders his certificate of stock, within thirty days thereafter, his name shall be stricken

from the rolls, and his stock, if he be a stockholder, declared forfeited to the Association. Any member whose name shall have been stricken from the rolls for non-payment of dues, may, on the payment of all back dues, be re-instated, and have his stock re-issued to him, if a stockholder, at the discretion of the Secretary, who may, however, refer any case of doubt to the Trustees, whose decision shall be final in the matter.

Sec. 6. Any member in good standing may at any time tender his resignation to the Secretary, and surrender his stock certificate to the Association. All resignations received by the Secretary shall be published in the next number of the Official Journal, and if no objections are received within one month of the date of the publication, they shall be duly accepted by him, to take effect from the date of their receipt, but no member will be permitted to resign while indebted to the Association. In case the Secretary is in doubt as to the advisability of accepting the resignation of any member, he shall refer the matter to the Board of Trustees, who shall have power to decide the case, and, if they deem advisable, to prescribe conditions on which the resignation will be accepted.

No member of the Association who has not attained the age of twenty-one years shall be eligible to any office.

ARTICLE III.—MEETINGS.

Section 1. The annual meeting of the stockholders and members of this Association, to be designated as the Annual Convention, shall be held each year at such date and at such place, within or without the State of West Virginia, as may have been selected by the last preceding Annual Convention, and the publication in the Official Journal of the proceedings of the Convention, naming such time and place, shall be deemed sufficient notice of such meeting; but the President shall also cause a call for the Annual Convention, stating the time and locality of the convening thereof, to be published in the number of the Official Journal issued next prior to the holding of such Convention.

Sec. 2. Special meetings of the stockholders of this Association may be called by the Official Board, or by one-tenth of the stockholders of this Association. Notice thereof shall be mailed to each stockholder, at his last known address, at least thirty days before the date fixed for holding said meeting, and a copy of such notice shall be published in the number of the Official Journal issued next before the time of holding such meeting.

Sec. 3. If in the opinion of the Board of Directors it should be advisable at any time, or in case one-tenth of the shareholders so request, the President shall call for a general vote of the shareholders upon any desired question. Notice that such call has been issued shall be given in the number of the Official Journal published next before the date when the vote is to be counted. The vote shall be in the form designated by the President, with the assent of the Board of Trustees. The call and the form shall each state the time and place at which the count is to take place, and a copy of each shall be mailed to every person appearing upon the books of the Association as entitled to vote as a stockholder, thirty days before the vote is to be counted. The vote shall be signed by the stockholder and sent to the Board of Trustees; and no vote shall be counted unless in the form prescribed, and signed by a member who was a stockholder at the date when the call was mailed. Any stockholder shall have the right to be present and witness the count. The result shall be certified by the Trustees to the President, who shall announce the result in the next number of the Official Journal. A majority of the votes cast shall determine the question submitted, but the By-Laws can be amended only as hereinafter provided.

Sec. 4. All members of the Association who are present at any of its meetings, shall be entitled to participate in the proceedings; but only those members who appear upon the books of the Association as stockholders *not* indebted to the Association shall be entitled to vote in person, or by proxy, at any Annual Convention, at any called meeting, or upon any question submitted to a general vote.

Sec. 5. A quorum for the transaction of business at any convention or special meeting, shall consist of one-half the stockholders there represented in person or by proxy; but the By-Laws can be amended only as hereinafter provided.

Sec. 6. No officer of this Association shall be permitted to act for or vote as proxy for any other member of this Association.

Sec. 7. No member of this Association shall be permitted to act for or vote as proxy for more than fifty other members at any Annual Convention thereof.

Sec. 8. At all meetings of the Association, all questions of order and parliamentary law shall be determined by reference to Roberts' Rules of Order.

Sec. 9. At the Annual Convention of the Association the President shall appoint the following Standing Committees of three members each: Credentials, Standing Rules, Finance, Library, Exchange and Purchasing Department, Official Journal, Branch Societies, and a Committee of five members, of which the President shall be *ex-officio* Chairman, on the By-Laws. The following shall be the Order of Business:

- I. Call to Order.
- II. Appointment of Committees on Credentials and Standing Rules.
- III. Recess and Election.
- IV. Report of Committee on Credentials.
- V. Roll Call.
- VI. Reading of the Minutes.
- VII. Report of Committee on Standing Rules.
- VIII. Communications.
- IX. Reports of Officers.
- X. Unfinished Business.
- XI. New Business.
- XII. Reports of Standing Committees.
- XIII. Adjournment.

Sec. 10. At all special meetings of the Association, the President shall appoint such of the foregoing Committees as are necessary, and the foregoing Order of Business shall be followed so far as the necessities of the occasion will permit.

ARTICLE IV.—DIRECTORS.

Section 1. The Board of Directors of this Association shall be designated as the Official Board, and shall consist of five members, who shall all be citizens of the United States.

Sec. 2. Each Director shall be a resident of a different State, a stockholder of the Association, and shall hold his office until the close of the next Annual Convention and until his successor shall have qualified. At least three of their number shall be collectors and not dealers by profession.

Sec. 3. As soon as convenient after the annual election of Directors, those chosen shall proceed to choose from their number a President, Vice-President, Secretary, Treasurer, and International Secretary, and to select such officers as are required by the By-Laws to be appointed by the Official Board.

Sec. 4. The Board of Directors shall meet at such times as they shall from time to time determine, or whenever called together by the President by a notice addressed to each Director at his last known address, by mail or telegraph, a sufficient time beforehand to enable him to reach the place of meeting. Three members of the Board shall constitute a quorum for the transaction of business.

Sec. 5. The objects of this Association requiring that its Directors should be residents of different States, in order to facilitate the transaction of business and provide for a rapid decision of questions requiring the action of the Official Board of this Association, the stockholders direct that instead of convening in a meeting, the following proceedings may be had: Whenever any member of the Board shall desire to submit any matter for their action, he shall reduce the same to writing, in the form of a motion, and mail a copy thereof, upon a separate sheet of paper, to each member of the Board. Any comments or observations he may desire to make thereon must be upon a different sheet. Upon the reception of such motion each member shall write upon the bottom or back thereof his decision for or against the same, or any correction or amendment thereof he may wish to make, and forward the same by return mail to the President, who shall, in case any amendment shall be offered, forthwith mail, or cause to be mailed, a copy of the motion as amended to each member of the Board, who shall return the same by return mail, with his vote for or against the same, or the expression of his preference for the original motion. The President shall, upon receiving the votes of the other members, certify to the Secretary the result, accompanying the certificate with the original votes. The Secretary shall file the same and record the vote, notifying the other members of the Board of the result.

Sec. 6. The Official Board shall exercise a general supervision over the affairs of the Association and all its officers; may make rules for the conduct of business in the several departments not inconsistent with these By-Laws; may require special reports from any officer from time to time; may remove any officer appointed by them, as provided by statute, fill any vacancy in their own number arising from any cause except removal by stockholders, as provided by statute, and generally manage and control the business of the Association, as provided by law.

ARTICLE V.—DUTIES OF DIRECTORS.

Section 1. President.—The President, in addition to the general duties of his office, shall preside at all meetings of the Association, appoint all committees, sign all certificates of stock and membership cards, and all warrants on the Treasurer for moneys required by the Association, as well as all contracts, deeds, bonds, notes and other obligations entered into by the Association. Prior to each Annual Convention he shall issue the call therefor as provided for in Article III, Section 1, and shall appoint a Committee of Arrangements to provide suitable rooms and make other preparations for holding said meeting, the expenses incurred by such Committee in the performance of their duties, to be defrayed from the General Fund of the Association. At each Annual Convention he shall address the Association on such matters of interest as he shall determine.

Sec. 2. Vice-President.—The Vice-President shall perform all the duties of the President in case of the absence, death or inability of the President.

Sec. 3. Secretary.—The Secretary, in addition to the ordinary duties of his office, shall keep a true record of all proceedings of the Association and Board of Directors, conduct all correspondence, have the custody of

and preserve all documents, keep the general financial accounts of the Association, have custody of the corporate seal of the Association, seal all documents required to be sealed therewith, keep proper books of issue and transfer of stock certificates, issue all stock certificates and receipts, countersign, register and attest all documents signed by the President. He shall receive all applications for membership, make publication thereof in the Official Journal, and conduct all correspondence in reference thereto, as provided in Article II, Section 1; notify applicants of their election, collect all moneys for dues, assessments, sales of stock, etc., as provided in Article II, Sections 2 and 4, or otherwise due to the Association, and shall pay the same over to the Treasurer. He shall furnish a copy of the Charter and By-Laws and the list of members of the Association to each member in good standing. He shall notify delinquent members, receive all resignations, and applications for re-instatements, etc., as provided in Article II, Sections 5 and 6, and perform all such other duties as are incident to his office. He shall prepare and present to each Annual Convention, and to any special meeting, when so required by the Official Board, or the stockholders calling the same, the general report of the condition of the Association, required by law to be made by the Directors. He shall cause to be published in each number of the Official Journal, in addition to the list of applications, resignations, etc., of members, a report of all proceedings of the Board of Directors, or of the Association, since his last published report. He shall at all times be subject to the direction of the President or Directors in the performance of his duties. He shall be paid all transportation expenses to and from the Convention, and \$5.00 per day during the session.

Sec. 4. Treasurer.—The Treasurer shall receive and take charge of all moneys, property, and securities of the Association, and shall report to the Secretary monthly the balance in his hands. He shall pay out no money except upon warrants regularly drawn on him by the President and General Secretary, and shall present to the Annual Convention a complete financial statement of the transactions of his department for the year, accompanied by the proper vouchers. He shall deposit all moneys in some bank, to be designated by the Official Board, to the account of the Association, and shall give bond to the Association in the sum of not less than two hundred dollars.

Sec. 5. International Secretary.—The International Secretary shall conduct all correspondence for the Association or the Official Board with individuals or societies in foreign countries. He shall, whenever called on so to do, assist the General Secretary or any other officer of the Association in their correspondence concerning the business of the Association and their several departments. He shall perform all the duties of the General Secretary whenever the latter is absent or temporarily unable to perform his duties. He shall present to the Annual Convention a full report of the proceedings of his department for the year.

Sec. 6. In case of the death or resignation of any member of the Official Board, the Board shall fill the vacancy, and all vacancies caused by the removal of a Director shall be filled by election, as provided by the statute of the State of West Virginia.

ARTICLE VI.—ELECTIONS.

Section 1. All elections of Directors or other officers to be elected by the stockholders, shall be conducted under the supervision of the Committee on Credentials, appointed by the President for that purpose, which shall consist of three stockholders. The form of ballot to be used shall be designated by the President and approved by the Trustees, shall be signed

by the stockholders voting and enclosed in a sealed envelope, inscribed *ballot*, and directed to the Committee on Credentials, and may be sent to the Committee in any manner desired by the stockholder, and at any time before the closing of the polls for that election. At all such elections a plurality of the votes cast shall elect, but no vote shall be counted that shall not have been received before the closing of the polls, nor shall any stockholder be permitted to vote in any other than the prescribed form, or by proxy, or to change his vote after it has once been received by the Committee. The sealed envelopes shall be opened only after the closing of the polls, and at the time the official count is made, and in the presence of a majority of the Committee.

Sec. 2. At all elections taking place at the time of the Annual Convention, the polls shall close at noon of the first day of the Convention, and at all special elections at such time as shall be named in the call for the election.

Sec. 3. The Trustees shall cause blank forms for the ballot, and proper envelopes for enclosing the same, to be mailed to the last known address of each stockholder entitled to vote, at least thirty days before the date fixed for closing the polls, and the form of the ballot shall be designated in all published notices of the election.

Sec. 4. The special elections to fill vacancies in the Official Board, provided for by the statute of the State of West Virginia, in case of the removal of a Director by the stockholders, or in case of the want of a quorum of qualified Directors, shall be conducted as far as possible in the same manner as other elections; but in case the election is called by the stockholders, they may prescribe and send out the form of ballot, necessary envelopes for enclosing the same, and notice of the election, which shall, however, as far as possible, conform to the ordinary forms in use in the Association.

Sec. 5. All special elections of officers to be elected by the stockholders shall be conducted in the same manner as other elections, but shall be called by the President, and notice thereof shall be mailed to the last known address of each stockholder entitled to vote, at least thirty days prior to the date fixed for the counting of the vote, and shall be accompanied by the form of the ballot to be used, proper envelopes for enclosing the same, and shall designate the time and place of holding the election, the persons who are to act as Committee on Credentials, and such other information as shall facilitate the sending of the vote to the Committee.

Sec. 6. Prior to every annual or special election, nominations for the office or offices to be filled may be sent by any member of the Association to the Editor of the Official Journal, and all such nominations received by him shall be published in the number of the Official Journal nearest to thirty days prior to the date for closing the polls

ARTICLE VII.—OFFICERS.

Section 1. In addition to the five Directors, or Official Board, the officers of this Association shall be: A Board of Trustees, consisting of three members; a Literary Board, consisting of five members; a Superintendent of Sales and Exchanges, a Superintendent of International Sales, a Superintendent of Literary Exchange, a Counterfeit Detector, an Examiner of Exchanges, a Librarian, a Collecting Agent, and such resident Vice-Presidents and Purchasing Agents as the Official Board may appoint.

Sec. 2. Board of Trustees.—The Trustees shall all be stockholders of this Association, shall be resident within thirty miles of a common centre, and shall be elected annually by the stockholders at the same time, and in

the same manner as Directors are elected, and shall serve until their successors are elected and qualified. The Trustees shall decide all questions arising as to the admission of applicants for membership, as provided in Article II, Section 1; all questions of discipline, as provided in Article II, Sections 3, 5 and 6, and all other disputes and difficulties between members or officers of the Association, and their decision of all such matters shall be final. They shall see that proper notices of all elections, meetings, nominations, forms, etc., are sent to members as provided in these By-Laws. They shall keep a "black-list" of all individuals known to have ever dealt in counterfeit stamps, or aided in their production; and it shall be their duty to give any information in their possession in regard thereto to any member of the Association who shall ask therefor. The Trustees shall keep a list of "bad debtors" for the same purpose. They shall charge members fifteen cents for each copy of said list, the amount to be paid in advance.

The Board of Trustees shall make a full report of their proceedings to the Annual Convention.

In case of the death or resignation of a member of the Board of Trustees during his term of office, the Board of Trustees shall have power to fill the vacancy, but in case a majority of the Board shall become disqualified from acting, a special election shall be called by the President of the Association to fill the vacancy.

The members of the Board of Trustees shall be subject to removal by the stockholders in the same manner as Directors, as provided by the statute of the State of West Virginia.

Sec. 3. All of the other officers mentioned in Section 1 of this Article shall be appointed and subject to removal by the Official Board, as provided for by the laws of West Virginia, and shall make a full report of their proceedings to the Annual Convention and to the Official Board, or any special meeting of the Association when called upon so to do. Their terms shall expire when their successors shall have been appointed and qualified. In case any such officer is temporarily prevented by sickness or other cause from performing his duties, the Official Board may, however, in their discretion, appoint a substitute to act during such incapacity. No expense shall be incurred by any officer appointed by the official Board, except for postal and express charges, until the same is authorized by the Board of Directors.

Sec. 4. Literary Board.—The Chairman of the Literary Board shall be editor of the Official Journal.

The American Philatelist shall be the Official Journal. The Literary Board shall edit the Official Journal, supervise the publication of all literary publications of the Association, and prepare for publication all official reports and other matters that may in their discretion be of interest to the members.

They shall receive advertisements at such uniform rates as they may determine and publish in the Official Journal, and allow to members a discount thereon of twenty per cent., but no other deviation from the published schedule of rates shall be permitted. They may take subscriptions for the Official Journal from persons not members of the Association at the rate of fifty cents per annum. They shall exchange with philatelic papers throughout the world, and shall keep the Association informed of all news in regard to new issues, discoveries and proceedings of other societies. They shall mail to each applicant for membership a copy of the number of the Official Journal containing his application.

They shall keep their own accounts, and shall report to the Secretary quarterly all receipts from advertisements, subscriptions, or other sources,

and all other matters relating to the financial condition of the publication. The Board of Trustees may, from time to time, make such contributions from the general fund to assist in the publication of the Official Journal as they shall determine in advance.

Sec. 5. Superintendent of Sales and Exchanges.—This officer shall conduct the exchange business of the Association in the United States and Canada, under the following rules and regulations:

(1.) Books at ten cents each for adhesive stamps and cut envelopes, and covers at five cents each for entire envelopes and postal cards will be furnished by the Superintendent of Exchanges, and only these books and covers will be accepted by the Superintendent.

(2.) Members must remove the paper from the back of stamps, except in cases where it is desirable to show post-marks, etc., and attach them to the books with gummed paper hinges so that they may be examined for watermarks, etc., and must mark the price of each stamp upon the proper space, legibly, in ink. They may also note descriptions of stamps, such as watermarks, etc., if necessary.

(3.) The covers for entire specimens must not contain more than twenty pieces each.

(4.) Members having prepared their books and covers for circulation, will mail or express them, postpaid, to the Superintendent.

Sheet and book numbers are for the Superintendent's use, and will be placed thereon by him.

The spaces provided on the books for the owner's name, name of the Branch to which he belongs, and the value of the books, and on the cover, for the owner's name, list of contents, and price of each, must be properly filled out by the owner. A number in pencil can be placed on each piece to correspond with the list number on the outside of the cover.

(5.) The member removing a stamp from a book or a piece from a cover, must place his control stamp, which the Superintendent of Sales and Exchanges will furnish to participants in this Department at ten cents for one hundred stamps, in the square from which the stamp is taken, or in the space provided therefor on the cover. Any other mode of identification, printing or stamping in the books is strictly prohibited. Should any blank space be found it is the member's duty to notify the one preceding him and adjust the matter with him. Failure to do this will render the last member responsible for the amount. When books are forwarded to next on list, a report sheet containing a detail memorandum of all the stamps taken from each book must be sent: *a.* By members participating in the Exchange Department, directly to the Superintendent. *b.* By members participating in the Sales Department either to the Superintendent, or the Branch member, or to the party who originally sent the package out. Each circuit list will bear a notice to whom the report sheet is to be sent.

(6.) Members having no duplicates in the exchange, but wishing to receive books and purchase for cash or participate in the Exchange credit system can do so by applying to the Superintendent, stating whether Postage Stamps, Revenues, Entire Envelopes, or Postal Cards are wanted. References or a deposit must be furnished with the application when required by the Superintendent.

(7.) Branches are allowed to retain exchange books and covers two days for each member participating in the exchange, and three days to make up the account.

Members of Branches must decide among themselves the order of preference in choosing from exchanges. A fine of ten cents a day will be imposed for each day the exchanges are kept over the allotted time.

(8.) Individual members who may so request, are entitled to receive exchanges in the same manner and under the same conditions as a branch, but shall hold no sheet or cover for more than two days after receipt.

(9.) The amount and value of books and covers to be sent at any one time to any one individual member not connected with a Branch and participating in the exchange, shall not exceed the estimated value which the Superintendent may put upon the sheets and covers received from such member, unless references be furnished or the Superintendent be satisfied of the responsibility of the member thus participating.

(10.) The Superintendent shall announce the circuit routes of Branches in the Official Journal, which must be in rotation strictly adhered to and completed before books and covers can be returned to the Superintendent. At the time of forwarding exchanges to the next Branch or member on the route the sender must notify the Superintendent by postal card, giving the date of sending and the amount taken. Each circuit route will be so arranged that the exchanges will be returned to the Superintendent in time to adjust the quarterly accounts, but the Superintendent will see that each exchange shall reach at least three Branches or twelve individual members before being returned to the owner, and with this view contrive to place exchange books and covers upon new circuit routes until in his judgment their further circulation would be unadvisable. Books and covers once returned by the Superintendent to their owner must not be refilled, and will not be received and placed on the circuit again.

(11.) No book or cover shall be put into circulation in any circuit, unless, in the opinion of the Superintendent, the value of such sheet or cover be at least two dollars.

(12.) Branches and individual members are responsible for the value of all exchanges sent them, from the time of receipt to the time the next member receives them, and for any difference that may arise during that time. But the Association and not the member by whom or to whom an exchange is sent shall be responsible for the accidental loss or destruction of an exchange *in transitu* if, after investigation by the Trustees, it shall be ascertained to their satisfaction that the member was not at fault. Returns valued at more than ten dollars must be sent by registered letter or express, value declared, otherwise the sender will be held responsible therefor in case of loss.

(13.) Each Branch or individual member must prepay all expenses in forwarding exchanges.

(14.) The Manager of each Branch must furnish the Superintendent with a list of its officers and members, with the full post-office address of each.

(15.) The Superintendent has first choice of exchanges, as well as his own sheets free.

(16.) The Superintendent will keep an account with each Branch and individual member participating in the exchange, receiving and paying the balances of money received; but in dealing with Branches the Superintendent will draw balances as a whole for each Branch, dealing only with its Manager of Exchange, who must adjust the account with the members. The Manager will also gather the books and covers of his Branch and send them together to the Superintendent.

(17.) Statements of account will be rendered, when practicable, every month. Eight days are allowed after members or Branches receive their statement in which to settle balances due the Exchange Department. Balances due Branches or members will be remitted as soon as the accounts can be adjusted. The Superintendent shall deduct 10 per cent. as an

equivalent for office work and the labor employed by him to facilitate the affairs of his department. The Superintendent shall refuse the exchange to any member or Branch not settling accounts promptly when due, and shall report the delinquent to the Trustees at the expiration of thirty days.

(18.) The Trustees shall decide upon all cases of misunderstanding that may arise in this department.

(19.) The Superintendent of Exchanges shall give bond to the Trustees in the sum of five hundred dollars.

(20.) Any deficit in the expenses of the Exchange Department not covered by the sale of books and covers, shall be paid by the Superintendent out of the commission which he receives on the sales.

(21.) SPECIAL RULES, EXCHANGE DEPARTMENT.

CREDIT SYSTEM.

(Use report sheet on red paper)

Members who have sent in books for circulation on the credit system shall be entitled to a credit equivalent to 50 per cent. of the estimated value put on such books by the Superintendent. Whenever a member's credit is exhausted he shall be required to pay cash for all stamps taken above his limit.

Credit will only be allowed (even to participants who have an account) upon books sent to the member direct by the Superintendent of Exchanges; all stamps removed from any other books especially from those received by Branch Managers, must be paid for in cash.

If stamps are removed from books a report sheet, containing a detailed memorandum must be sent to the Superintendent as soon as books are forwarded to next on list.

The Superintendent of Exchanges will render a statement whenever practicable.

Balances due members will be remitted as soon as accounts can be adjusted. Balances due the Exchange Department must be settled within five days after receipt of statement. Delinquents will be reported to the collection agency and as soon as reported additional expenses become due.

Every member sending in books of exchanges for circulation upon the credit system must sign beforehand an agreement, to be furnished by the Superintendent, that such member assumes the risk of giving credit and releases the Association from all liability for bad accounts; but the Association will endeavor to make all collections either through this department or the collection department and shall have a lien upon all stamps sent in for exchange for any unpaid balances due from their owner to any other participant in the department and the Superintendent shall have the right to sell any such stamps in his possession at auction at any time after thirty days notice has been given the debtor of the amount of his indebtedness and demand of payment unless such indebtedness is paid, and shall apply the amount received therefor to the discharge of all indebtedness of the owner to the department or any participant therein, returning the balance to the owner.

No books will be put upon the credit circuits except such as are specially designated for that purpose by the sender.

(22.) All regulations relating to the Exchange Department not provided for in this By-Law, must receive the approval of the Official Board before going into effect.

Section 6. Superintendent of International Sales—Shall conduct all sales with foreign Societies under the same rules and regulations as are provided for the Superintendent of Sales, so far as the same are applicable.

Section 7. Superintendent of Literary Sales. The Superintendent of Literary Sales shall receive lists of such philatelic books and publications as may be desired by members of the Association. He shall also receive lists of such philatelic books and publications belonging to members as they may send him from time to time for sale at fixed prices, and he shall notify any member desiring such publication from whom it can be obtained.

Members making use of this department must defray all incidental expenses.

Section 8. Purchasing Agents.—The first Purchasing Agent shall make arrangements to obtain at as little expense to members as possible, unused specimens of all newly issued and current unused stamps, envelopes, postal cards, etc., and shall notify members from time to time in the Official Journal from what countries he is prepared to obtain specimens. He shall not furnish specimens from any country not so named by him, or any obsolete, uncurrent, or cancelled specimens, or supply any member with more than five specimens of the same kind once supplied to the same member, or supply less than (\$1) one dollar's worth of stamps at one time. Every member desiring to avail himself of the opportunities of this department must deposit in advance with the Agent a sufficient amount to cover the cost of the purchases, including all postage and expenses as estimated by the Purchasing Agent, and in addition a commission of 10 per cent. on the amount to be charged by the Purchasing Agent, one-half of which he shall hand over to the Treasurer at the close of each fiscal year, or the close of his term of office.

The First Purchasing Agent shall also arrange, as far as practicable, to obtain for such members as shall elect to deposit with him in advance the sum of (\$5) five dollars each for that purpose, one specimen, or, if desired, any number not to exceed five, of every *newly issued stamp*, envelope and post card issued, and to distribute the same as soon as received, until the amount of each deposit shall be exhausted. Each member contributing to this department may, at the time of making his deposit, specify from what countries he desires newly issued stamps, or may limit his request to stamps of not more than a certain value, and may renew or increase his deposit from time to time as the same is diminished. Stamps distributed in this manner shall be charged against the deposit at the same rate as before provided, including postage, expenses and commissions.

The Second Purchasing Agent shall purchase for members, as cheaply as possible, any stamps that said members may require, provided such demand shall be in conformity with such rules and regulations as he may prescribe for his own security. He shall receive a commission of five per cent. on all such purchases.

The Second Purchasing Agent shall receive and publish in the Official Journal, in the advertisement column only, lists of rarities which may be desired by members of the Association. He shall also receive and publish in the Official Journal lists of such rarities belonging to members of the Association as they may send him from time to time for sale. Members sending in such stamps, etc., must state the price they ask for each, and the specimens so advertised shall be sold to the first person applying therefor.

All stamps sent to the Second Purchasing Agent must be accompanied by a sum sufficient to pay the postage and registration fee for the return of the stamps or remittances, and every application for a stamp or stamps so advertised must be accompanied by the amount necessary to pay the return

postage and registration fee, in addition to the price, in cash, check, or money orders.

All stamps, etc., sent in for sale, shall be held for thirty days after the appearance of the Official Journal announcing the offer of the same, and if not then disposed of shall be returned to the owner. The Second Purchasing Agent shall deduct 5 per cent. from the price realized for every stamp when remitting to the owner for the same.

The Auction Purchasing Agents shall, in person or by proxy, attend all auction sales of stamps held in their respective vicinities, and shall purchase for members at a commission not to exceed 5 per cent., and subject to such rules and regulations as he himself may prescribe, such stamps as these members request him to purchase for their account.

In no instance shall any Purchasing Agent perform any act conflicting with duties of any other Purchasing Agents.

Each Purchasing Agent shall give bond to the Trustees in the sum of one hundred dollars.

Sec. 9 Counterfeit Detectors.—The Counterfeit Detector shall, when called upon to do so, pronounce upon the genuineness, and, as far as he can, when asked, the value of the specimens sent him by members, charging therefor three cents, for each specimen up to the number of fifty sent to him at one time, and two cents for every additional specimen. For making estimates of the value of collections, etc., he may make an agreement as to terms with the owner. Postage or expense of carriage to be in all cases defrayed by members.

The Examiner of Exchanges shall pass upon the genuineness of all stamps, envelopes, post cards, etc., that may be sent the Superintendent of Exchanges, before such stamps, envelopes, post cards, etc., are put upon the exchange circuits.

All stamps, envelopes, post cards, etc., considered counterfeit or reprint (with the exception of reprints sold by the governments originally issuing them, and receivable for postage at the time of their sale,) by the Superintendent or the Examiner of Exchanges, shall be removed from the sheets and covers, and placed in separate envelopes, marked with the price or prices placed thereon, and the name of the owner, and shall not be circulated, but returned by the Superintendent with the exchanges from which they were taken, and, on the square on the sheet or place provided on the cover, he shall stamp the words "Specimen Removed."

When a counterfeit is removed, the Examiner of Exchanges shall stamp the word "Counterfeit" in indelible ink on the back of the specimen.

When a government reprint, receivable for postage at the time of its issue, is found on a sheet or on a cover, he shall stamp the word "*reprint*" below the square on the sheet or the place provided on the cover for the specimen.

Sec. 10. Librarian.—The Librarian shall keep a list of all works, etc., in his possession, and a record of the same. He shall collect, in advance, the necessary postage from every member desiring to take any periodical, book or publication from the Library. All publications shall be returned, post-paid, to the Librarian within ten days after the receipt of the same, and members who shall violate this rule shall not be entitled to have any other periodical, book or publication issued to them until they shall have satisfied the Librarian, or Association, concerning their delinquency. The surplus of receipts over expenses shall be paid to the Treasurer at the close of each fiscal year or term of office.

Sec. 11. Resident Vice Presidents.—A Resident Vice-President shall be appointed for any locality upon the request of ten or more members of the

Association residing therein, and for such foreign states and countries as the Official Board may deem advisable. Each Resident Vice-President shall exercise a general supervision over the section in which he resides. He shall examine the case of all applicants for membership in his vicinity, and shall advise the Trustees of any reason that may exist for rejecting the application, or any conduct on the part of any member in his vicinity that might render such person unworthy of membership in the Association, and make an annual report to the Convention.

He shall call a meeting of the members in his district at least four times a year, for the discussion of matters of interest to the Association, and cause a report of such meetings to be published in the Official Journal.

Sec. 12. Collection Department.—The Collecting Agent shall organize a department for the collection and settlement of any claims that may be sent him by members of this Association against any persons whatsoever, or the recovery of any stamps, etc., that they are unable to secure the return of. It shall also be his duty, when so ordered by the Official Board, to see that proper steps are taken and the proper authorities notified to secure the prosecution of any manufacturer of or dealer in forged stamps, etc.*

ARTICLE VIII.—BRANCH SOCIETIES.

Section 1. Whenever ten or more stockholders, resident in the same locality, shall notify the Official Board that they have associated themselves together as a branch society, adopted a name and rules for their government, and have selected one of their number as a Resident Vice-President, the Official Board, if satisfied that the formation of such branch would be advantageous to the Association and that said rules are not inconsistent with the Charter and By-Laws of the Association, shall issue a charter or certificate under the seal of the corporation to said stockholders that they have become a branch society, and shall appoint the member selected a Resident Vice-President. Such certificates shall be numbered in regular order and each society shall be known by its number in addition to the name selected by it. Any existing local society having the requisite number of stockholders among its members may become a branch society upon the same conditions.

Sec. 2. Any branch society so organized may admit to its membership persons not stockholders of the Association if it so elect; provided, that such persons shall in no case be permitted to participate in any proceedings relating to the affairs of this Association, but branch societies are expected to urge all their members to become stockholders, to elect their Resident Vice-President from among their own officers, to make the consideration of the welfare of the Association a part of their regular order of business and to make to the Official Board from time to time and to each Annual Convention suggestions as to any matters that they may consider advisable for official consideration.

Sec. 3.—Any branch society so organized may from time to time if it so elect, subscribe for, acquire and hold in the name of such branch, one share of the capital stock of this Association for every ten stockholders who are members of such branch and not already included in the number who may have acquired stock in the name of the same or some other branch society, and shall vote the same by proxy duly instructed, or through their Resident Vice-President.

ARTICLE IX.—PROPERTY.

Section 1. All officers shall, at the expiration of their terms of office, deliver to their successors all books, papers, moneys, and other property in

their possession, belonging to the Association; and they shall not be relieved from their bonds or obligations until this requirement be complied with.

ARTICLE X.—AMENDMENTS.

Section 1. The By-Laws of this Association may be altered or amended only by the consent of two-thirds of the stockholders voting on such alteration or amendment, and providing that such two-thirds shall constitute a majority of all the members of the Association entitled to vote. Amendments may be made at the Annual Convention, any special meeting, or by a general vote, as provided for in Article III, Section 3, and the action of the Annual Convention or special meeting in amending the By-Laws shall be final, if such proposed amendment shall have been published in the Official Journal at least thirty days prior to the date of such Convention or meeting. But any amendment to the By-Laws adopted by any convention or special meeting which was not so published, and any Rules or By-Laws passed by the Board of Directors shall be submitted to a general vote, as provided by Article III, Section 3, in case one hundred stockholders entitled to vote shall so request of the President within sixty days from the publication of the same in the Official Journal.

** There will be no expense to the Association from the establishment of this department except when criminal prosecutions are instituted, and in such case the Official Board cannot order a prosecution unless they have the necessary funds; that the expense of collecting debts, etc., will be borne by the parties requiring the services of the agent, who will probably charge the usual attorney's fees.*
