WALTER MORLEY'S

Catalogue and Price List of Embossed Revenue Stamps of Great Britain and Ireland.

IN preparing this pioneer Catalogue of this interesting series, with their varied values and numerous series of die numbers, I have to acknowledge the great assistance I have received during my many years study of same from the late Judge Philbrick, K.C., F. G. C. Lundy, H. H. Townsend, J. P. Dorman, A. Preston Pearce, and especially to L. W. Fulcher, B.Sc., for the information and records obtained from Somerset House—which have been published in the pages of Morley's Philatelic Journal.

This Catalogue lists only the Embossed Stamps, plain and in colour on white and coloured papers—for which no distinction is made in the prices quoted—and though some of these dies are also used for the Embossed Deed Stamps and many other varieties are known as Embossed Deeds, I have not recorded any but what have been seen embossed on paper.

Trusting this Catalogue will aid and assist collectors in arranging their Collections of this interesting series of British Stamps.
