## *DIRECTIONS.*

---

Of the two columns of prices, the first is for unused, and the second is for used stamps, in ordering state which is desired, carry out the price in columns, and foot up the total.

Persons sending for stamps by mail, should be careful to write their name and address plainly in each letter.

All letters of inquiry, or orders under 25c. should contain stamp for reply.

As we sometimes run out of particular stamps on account of the unexpected number of orders for them, it is well to send a small additional list in case there are any we are unable to supply.

In sending money by mail, do not send Postal notes, as they are payable to bearer, and are no security whatever. Small sums should be sent in 2 cent stamps, sums of \$2.00 and upwards by Money Order or in Registered letter.

With Foreign correspondents we prefer to exchange for stamps peculiar to their locality.

Sheets of stamps sent on approval to reliable parties with proper reference.

Collections of stamps purchased, and scarce stamps bought or taken in exchange.

All stamps sold by us are warranted genuine.
