PREFACE.

In presenting this list of recent issues of Postal Cards and Letter Cards to Collectors I am meeting oft-repeated requests, which have, from time to time, reached me during the winter, but lack of time has prevented an earlier compilation.

All cards listed are in stock at time of going to press in sufficient quantities to meet any ordinary demands, but, as some varieties are liable to be sold out, before new stock can be imported, it is advisable, always to send a small supplementary order.

In making up orders from this list, please state "from list number 15," and the stock numbers and prices of the cards desired will suffice.

For orders of British Colonials (Part II) it is necessary to name the Colony, year of issue, denomination and price.

The manner of the folding of double or reply cards is indicated as follows:

- T. 3. folded at top, reply printed on 3d page.
- T. 4. folded at top reply printed on 4th page.
- B. 3. folded at bottom, reply printed on 3d page.
- B. 4. folded at bottom, reply printed on 4th page.
- R. 3. folded at right, reply printed on 3d page.
- R. 4. folded at right, reply printed on 4th page.
- L. 3. folded at left, reply printed on 3d page.
- L. 4. folded at left, reply printed on 4th page.

Letter Cards are indicated as "L. C." or "L. Cards" and Letter Sheets as "L. S." or "L. Sheets."

I have just completed a new edition of my well and favorably known POSTAL CARD ALBUMS, and all orders for them will have my prompt attention.

As the prices for cards have been made very low, postage will have to be borne by the purchaser, except on orders over \$1.00 which will be sent at my expense.

Terms:—Cash with order.
