THE PHILATELIC ALMANAC FOR 1905

Price, 4d. & 1/- Post free, 5d. & 1/1½ Copyright.

This work is "the Year-Book of Philately." It gives a list of the principal Philatelic Societies, Clubs, and Journals of the United Kingdom, the Colonies, and America, with particulars of their officers, constitutions, &c., revised and corrected to date of publication, illustrated with PORTRAITS and photographic representations of some of the most interesting New Stamps, also special contributions by competent writers which are quite unique.

THE ALMANAC is THE ONLY Philatelic publication of its kind which is issued at a popular price. During its six years' existence it has steadily grown in favour among all classes of Philatelists, so that to-day its circulation and the influence it wields are not even approximated by any similar publication.

To meet the wishes of many subscribers, the "Shilling Edition" of the PHILATELIC ALMANAC will be revived this season. It will consist of the ALMANAC for 1905, and the Sixteenth Edition of NUNN'S DIRECTORY bound together in cloth, with the Diary interleaved with binding.

FREE ADVERTISING.

Advertisements for exchange of stamps only (not exceeding 16 words) are inserted for subscribers abroad gratis. Advertisers, to obtain this privilege, must order a copy of the ALMANAC and furnish a good English address. This offer is only open to philatelists of good repute resident outside the United Kingdom.

1905—Twelfth Year of Publication.

SMYTH'S PHILATELIC CIRCULAR.

Published Quarterly—in January, April, July, and October

Subscription Rate—1/- per annum, post free, including a genuine USED STAMP on every issue; 6s. per annum, post free, without the stamp.

FREE ADVERTISING.—Subscribers to the CIRCULAR are entitled to four insertions not exceeding 15 words each, inclusive of address. This offer of free advertising is open to all paid-up subscribers, whether Dealers or Collectors. Matter for insertion should reach us by the last day of the month previous to publication. The announcements are not necessarily confined to those of a philatelic nature, but notices of exchange, sale or purchase of any articles—domestic, scientific, artistic, literary, industrial, educational, &c.—are inserted (provided they are not objectionable) for paid-up subscribers gratis. Address all advertisements to The Manager, SMYTH'S CIRCULAR.

Chas. J. Endle & Co., Publishers, Boscombe, Bournemouth

PREFACE.

In presenting the Sixteenth Edition of the **DIRECTORY**, and in view of the fact that the work is continually reaching the hands of new readers, we desire to indicate a few of its distinguishing features.

Three different styles of type are employed for printing the names in the List of dealers. The names in **SMALL CAPITALS** are those of firms who have returned our Enquiry Form, and they, with the advertisers, may therefore be taken as representing the really "active" section of the stamp-dealing community in the United Kingdom. The names in the black "De Vinne" type are those of advertisers whose announcements appear in this edition. It will be found that they include many of the best known and most reliable firms of the day, and we would respectfully bespeak for them our readers' careful perusal and a liberal share of their patronage.

The names in ordinary Roman type (the same as the addresses) are those of dealers who have failed to return our Forms; they are included in the **DIRECTORY** simply because the Forms addressed to them were not sent back by the Post Office, and therefore we assumed that the dealers were still in business. We wish it to be distinctly understood, however, that we cannot guarantee the accuracy of these entries. To return our Form only involved the signing of a name and the enclosing in our addressed envelope provided—at a total expenditure of half-a-minute of time and one halfpenny for postage. It is fairly safe to assume that a stamp dealer, who does not consider it worth his while to make this small effort to ensure the inclusion of his name in the recognised Standard Directory of British Stamp Dealers, surely has but little interest in his business.

The last edition of the **DIRECTORY** contained some 497 names of dealers; of these 84 have been taken out, whilst 53 new names are added for the first time. In addition to these, several alterations and corrections have been made in addresses.

We are always extremely grateful for any assistance in maintaining the accuracy of the **DIRECTORY**.

ALBUM and STAMP CATALOGUE COMBINED.

 THE illustrations in this new Victoria-Edition, although on a reduced scale, are very distinct and correct reproductions. They are printed on the margin of each page, leaving the spaces blank, in which the Postage Stamps are to be placed. Only one illustration appears of such Stamps, which, although of different values, are of the same design, and in these cases the former are printed underneath each impression, thus at once forming a complete Catalogue in conjunction with the Album.
