## ❖ SPECIAL ❖ NOTICES ❖

---

The prices in this list are net. All stamps sold by us are guaranteed to be genuine and in good condition; envelope stamps are cut square. In ordering from this list it is only necessary to give the name of the country, number and price. Remittances should be made by draft on New York, money order, postal note, or bank notes, which will be taken at current rates. In amounts under one dollar unused stamps of low value can be sent in payment. All orders below one dollar must contain return postage. Besides the stamps mentioned in this list we have invariably in stock upwards of 6,000 varieties, and we make a specialty of old stamps on the original letters. Consignments of rare stamps will be sent after having received deposit or satisfactory reference. We are constantly buying large collections, therefore advanced collectors will do well to send us a list of their wants. Parties wishing to dispose of their collections should communicate with us; we pay the highest cash prices. If desired, large collections will be disposed of at auction also.
