| " | " | £15 | " | " | 10% | " |
| " | " | £25 | " | " | 15% | " |

These discounts are only allowed on orders accompanied by a **CASH REMITTANCE**.

Remittances should be made by Post Office Order, Postal Order, or Draft on London. For Foreign Bank Notes I can only allow *the actual sum for which they are sold*. Unused stamps will be accepted when the amount of the order does not exceed 5/-

Customers wishing to ensure safe delivery of their orders are requested to enclose 2d. extra registration fee. *Under no circumstances* whatever do I hold myself responsible for letters lost in transit either to me or from me.

Special Notice to Correspondents Abroad.—It being prohibited by the postal authorities to send stamps by Book Post to **Countries in the Postal Union**, a sufficient amount must therefore be sent in all cases to cover the cost of letter rate to those countries (excepting always those places where a Parcel Post has been established, and when the parcel exceeds 1lb. in weight it would be advisable to send the stamps by that medium), as the Post Office absolutely refuses to take stamps sent by Book Post to Countries in the Postal Union, and they are returned to the sender if found in the mails. If sufficient postage by letter or parcel rate is not enclosed, the stamps will be sent by **letter rate, UNPAID**. The attention of Correspondents is therefore particularly directed to the above notice.

Letters must in all cases be prepaid, or they will be invariably refused. **Letters requiring a reply must contain sufficient postage for return**, or they will not be attended to, and those containing coin must be registered.

No stamps ordered from this list can be sent on approval. From this rule no deviation can be made. Cash must

invariably accompany *every order*. Any stamps, however, will be exchanged if they do not prove to be as described.

Although my stock is large, it may happen that some goods may be sold out at the time of ordering; it is therefore advisable to send a supplementary list to avoid disappointment. Most of the stamps in this list are, however, easily procurable; and prepaid orders for stamps that may be out of stock for the time being will be booked and the stamps sent immediately they arrive, or the cash will be returned, whichever is desired. The attention of correspondents is *particularly* requested to the above.

All orders should be accompanied with the sender's name and address in full, in order to avoid disappointment and delay in the execution of orders.

I give Scraps, Crests, Books, Music, Jewellery, &c., &c., in exchange for approved parcels of stamps. Correspondents abroad desiring to obtain any of these articles are requested to send list of their wants and the stamps they have for disposal. Quotations for all classes of goods will be sent on application.

I shall always be glad to receive some stamps of each of any new issue, unused, when any should appear, and a quantity of Provisionals or surcharged stamps especially desired, on which a commission will be allowed, and for all rarities a premium will be given. Good prices given for all rarities. Large Lots of old issues and Government remainders also purchased for Cash.

Orders amounting to less than **Two Shillings** respectfully declined.

DEALERS

particular trade are invited to write for Quotations, which we shall be
pleased to furnish together with samples if required.

WANTED !

I am anxious to obtain in exchange large quantities of **common** stamps from all parts of the world by the 100 and 1,000. I am willing to give rare and medium stamps in exchange for any stamps that meet my requirements.

RARE STAMPS FOR COMMON !

If you have an accumulation of common stamps I should be glad if you would send me a list of what you have for disposal, or better still a **sample sheet with prices for each value separately**. I do not on any account buy mixtures. The stamps must be sorted or they are of no use to me whatever. All offers must be accompanied with prices as **I do not make offers under any circumstances**.

ATTENTION ! OCCASION !

Le soussigné est désireux d'échanger des bons timbres contre des timbres ordinaires par cent ou par mille. Tous les timbres ordinaires si convenables à moi seront échangés contre timbres bons et rares.

Si vous possédez une accumulation de timbres ordinaires veuillez les assortir et m'envoyer une liste avec les quantités disponibles de tout valeur et avec vos prix par cent ou par mille ou mieux que ça veuillez m'adresser **une feuille contenant un timbre de tout espèce**, que vous êtes desireux d'échanger avec **quantité et prix**. Je ne suis pas acheteur de mélanges. Il faut que les timbres soient assortis et que les

quantités et les prix soient constatés. **Je ne fais jamais des offres.**

Si les prix demandés sont raisonnables je les échangerai pour de bons et rares timbres. Je suis acheteur de presque tout genre de timbres ordinaires et j'attends avec plaisir tous les envois.

ACHTUNG ! LESEN ! WICHTIG !

Alle gewöhnliche Marken der Welt, falls passend werden von mir gegen bessere Marken umgetauscht.

SELTENE MARKEN**FÜR KILOWARE.**

Falls Sie gewöhnliche Marken gesammelt haben so würde es mich freuen wenn Sie mir eine Liste mit Angabe der Quantität jeden Werthes und der Preisangabe per 100 vnd per 1,000 zugehen liessen. Am besten wäre eine Probe jeden Werthes mit Angabe der Anzahl und des Preises.

Payments to be made in Money Orders or Cheques on London.

Geldsendungen sind per Postanweisungen Order Banknoten erbeten.

Paiement par mandats-poste ou billets de banque.

Correspondents having quantities of duplicates for disposal and are willing to accept exchange in other stamps are requested to send list with prices per 100 or per 1000.

Correspondents should invariably state the lowest price they are willing to accept for their stamps as I never under any circumstances make offers for stamps. From this rule no deviation can be made.

P. J. G. B. ADVERTISER.

NOTICE TO ADVERTISERS.

This advertising supplement to the Philatelic Journal of Great Britain is sent out each month at the nominal charge of SIXPENCE PER ANNUM.

In conclusion, the Publisher feels certain that such an Advertiser will supply a long felt want, and WILL BENEFIT alike Collectors and Dealers. NO BACK NUMBERS of the Advertiser WILL BE STOCKED, and all Subscriptions of 6d. per annum commence with the current number.
