DEAR SIR:

Herewith I take pleasure in handing you four Photographic copies, of some very rare and scare stamps, which I have been collecting for the past 30 years. The same will be sold as one lot to the highest bidder for cash, at private sale (with reserve) and I beg to have the pleasure, if you are so disposed, to give me your highest and best bid. The same is a lot, as you will see, which are not often to be met with and once in a collection, usually remains there.

I will hold offers open for the lot until the 16th day of August next. Please let me hear from you as soon as possible.

I remain,
