# STANLEY, GIBBONS, & CO.

Have the pleasure to announce that they have JUST PUBLISHED, Illustrated with over 300 entirely New Engravings,

## A New Supplement to the Imperial Postage Stamp Album,

CONTAINING ALL ISSUES FROM DECEMBER, 1884, TO AUGUST, 1886.

THIS Work forms a complete continuation to the undermentioned THREE SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUMS. It is

The First Supplement to the Fifth Edition  
The Fourth " " Fourth " "

The Fifth Supplement to the Third Edition  
The Eighth " " Second " "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered absolutely permanent, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Albums since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S. G. & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, consisting of over 120 pages, for all the numerous and important New Issues that have taken place during the last twenty months. The postal issues during the above period include over 100 countries and colonies, among which will be found Gibraltar, British Bechuanaland, Monaco, Holkar, Gwalior, Patiala, and Nabha, places hitherto unrepresented in Philatelic Albums.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

# STANLEY, GIBBONS, & CO.

Have the pleasure to announce that they have JUST PUBLISHED, illustrated with over 300 entirely New Engravings,

## A New Supplement to the Imperial Postage Stamp Album,

CONTAINING ALL ISSUES FROM DECEMBER, 1884, TO AUGUST, 1886.

THIS Work forms a complete continuation to the undermentioned THREE SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUMS. It is

The First Supplement to the	Fifth Edition	The Fifth Supplement to the	Third Edition
The Fourth	Fourth	The Eighth	Second

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Albums since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S. G. & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, *consisting of over 120 pages*, for all the numerous and important New Issues that have taken place during the last twenty months. The postal issues during the above period include over 100 countries and colonies, among which will be found Gibraltar, British Bechuanaland, Monaco, Holkar, Gwalior, Patiala, and Nabha, places hitherto unrepresented in Philatelic Albums.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

# STANLEY, GIBBONS, & CO.

Have the pleasure to announce that they have JUST PUBLISHED, Illustrated with over 300 entirely New Engravings,

## A New Supplement to the Imperial Postage Stamp Album,

CONTAINING ALL ISSUES FROM DECEMBER, 1884, TO AUGUST, 1886.

THIS Work forms a complete continuation to the undermentioned THREE SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUMS. It is

The First Supplement to the Fifth Edition  
The Fourth " " Fourth " "

The Fifth Supplement to the Third Edition  
The Eighth " " Second " "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Albums since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S. G. & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, *consisting of over 120 pages*, for all the numerous and important New Issues that have taken place during the last twenty months. The postal issues during the above period include over 100 countries and colonies, among which will be found Gibraltar, British Bechuanaland, Monaco, Holkar, Gwalior, Patiala, and Nabha, places hitherto unrepresented in Philatelic Albums.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

CORRECTED AND BROUGHT UP TO THE END OF 1887, BY E. S. GIBBONS.

THESE Albums are the cheapest and most correct yet issued, the great demand for them having necessitated frequent New Editions, in which have been introduced several improvements, rendering the Works the most complete of the kind published. Nos. 2, 3, and 4 contain compartments for over 5,000 varieties, including the most recent issues, such as Gibraltar, Monaco, Poonah, Pattiala, Gwalior, Macao, Timor, Jhind, Nabha, Cochín China, Cores, Chamba, Faridkot, North Borneo, Hollar, Bokhara, Congo, Madagascar, Boer Republic, Gaboon, Guadelope, St. Pierre and Miquelon, Tahiti, &c. The countries are geographically arranged under continents, and Post Cards have separate spaces devoted for their reception. The size of No. 1 is 7 in. by 5 in.; of Nos. 2, 3, and 4, 8 1/2 by 10 in. S., G., & Co. have no hesitation in placing this Album before the public as the best and largest published at the price. None can compare with it as to quality of paper, quantity of pages (no less than 256), and general arrangement.

Have the pleasure to announce that they have Just Published, Illustrated with over 300 entirely New Engravings, a

## New Supplement to the Imperial Postage Stamp Album,

Containing all Postal Issues from AUGUST, 1886, to JANUARY, 1888.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the Second Supplement to the Fifth Edition  
 the Fifth " Fourth "  
 the Eighth " Third "  
 the Ninth " Second "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S., G., & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, consisting of over 110 pages, for all the numerous and important New Issues that have taken place during the last sixteen months. The postal issues provided for in this Supplement alone are over 800 in number, among which will be found Boer Republic, Gaboon, Tonga, Jhalawar, Senegal, Bokhara, and French Guiana, places hitherto unrepresented in Philatelic Albums. The many new series of Postage Stamps, prominent among which are those for Great Britain, Bechuanaland, Siam, Mexico, Samoa, Ecuador, Paraguay, United States, etc. etc., will all be found duly included.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

Have the pleasure to announce that they have Just Published, Illustrated with over 300 entirely New Engravings, a

## New Supplement to the Imperial Postage Stamp Album,

Containing all Postal Issues from AUGUST, 1886, to JANUARY, 1888.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the Second Supplement to the Fifth Edition  
 the Fifth " Fourth "  
 the Eighth " Third "  
 the Ninth " Second "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered absolutely permanent, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S., G., & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, consisting of over 110 pages, for all the numerous and important New Issues that have taken place during the last six months. The postal issues provided for in this Supplement alone are over 800 in number, among which will be found Boer Republic, Gaboon, Tonga, Jhalawar, Senegal, Bokhara, and French Guiana, places hitherto unrepresented in Philatelic Albums. The many new series of Postage Stamps, prominent among which are those for Great Britain, Bechuanaland, Siam, Mexico, Samoa, Ecuador, Paraguay, United States, etc. etc. will all be found duly included.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

## New Supplement to the Imperial Postage Stamp Album

Containing all Postal Issues from AUGUST, 1886, to JANUARY, 1888.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the Second Supplement to the Fifth Edition  
 the Fifth " Fourth "  
 the Eighth " Third "  
 the Ninth " Second "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S., G., & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, *consisting of over 110 pages*, for all the numerous and important New Issues that have taken place during the last six months. The postal issues provided for in this Supplement alone are over 800 in number, among which will be found Boer Republic, Gaboon, Tonga, Jhalawar, Senegal, Bokhara, and French Guiana, places hitherto unrepresented in Philatelic Albums. The many new series of Postage Stamps, prominent among which are those for Great Britain, Bechuanaland, Siam, Mexico, Samoa, Ecuador, Paraguay, United States, etc. etc., will all be found duly included.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the Illustrations in many instances being numbered to correspond with the descriptive matter.

## New Supplement to the Imperial Postage Stamp Album

Containing all Postal Issues from AUGUST, 1886, to JANUARY, 1888.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the **Second Supplement** to the **Fifth Edition**  
 the **Fifth** " **Fourth** "  
 the **Eighth** " **Third** "  
 the **Ninth** " **Second** "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM is rendered *permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Editions is as well provided for new issues as those who may possess the later work. Their success has been so great that several of them have had to be reprinted to meet the demand, and S. G., & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, consisting of over 110 pages, for all the numerous and important New Issues that have taken place during the last six months. The postal issues provided for in this Supplement alone are over 300 in number, among which will be found Boer Republic, Gaboon, Tonga, Jhalawar, Senegal, Bokhara, and French Cameroons, places hitherto unrepresented in Philatelic Albums. The many new series of Postage Stamps, prominent among which are those for Great Britain, Newfoundland, Siam, Mexico, Samoa, Ecuador, Paraguay, United States, etc. etc., will all be found duly included.

Every care has been taken in the arrangement, so as to make it plain and intelligible to all, the illustrations in many instances being numbered to correspond with descriptive matter.

## A NEW SUPPLEMENT

TO THE

## Imperial Postage Stamp Album, &

Comprising all Issues from DECEMBER, 1887, to MAY, 1889.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the Third Supplement to the Fifth Edition

the Sixth	„	Fourth	„
the Seventh	„	Third	„
the Tenth	„	Second	„

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Certain Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Edition is as well provided for New Issues as those who may possess the later work. Their success has been so great that many of them have had to be reprinted to meet the demand, and S. G. & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, *consisting of over 120 pages*, for all the numerous and important New Issues which have taken place during the last eighteen months. The Postal Issues during the above period include *nearly 100 Countries and Colonies* among which will be found Tunis, Zululand, Formosa, The Native Indian States of Travancore and Wadhwan, and the French possessions of Annam, Tonquin, and Indo China, all places hitherto unrepresented in Philatelic Albums. Also included, will be found the many New Issues for the Argentine Republic, Brazil, New South Wales, Sarawak, British Honduras, and Bechuanaland, Hungary, Panama, etc. etc.

# STANLEY, GIBBONS, & CO.

Have the pleasure to announce that they have just published, profusely Illustrated, with over 300 entirely New Engravings,

## A NEW SUPPLEMENT

TO THE

## Imperial Postage Stamp Album,

Comprising all Issues from DECEMBER, 1887, to MAY, 1889.

THIS Work forms a complete continuation to the undermentioned FOUR SEPARATE EDITIONS of the IMPERIAL POSTAGE STAMP ALBUM.

It is the Third Supplement to the Fifth Edition  
 the Sixth " Fourth "  
 the Seventh " Third "  
 the Tenth " Second "

And is published in pursuance of the plan originally announced by the Author in 1873, whereby THE IMPERIAL POSTAGE STAMP ALBUM rendered *absolutely permanent*, obviating all necessity of removing the contents, an advantage possessed by no other Album. Continuous Supplements have now been published to all the Editions of the Album since the above date, so that the purchaser of the earlier Editions is as well provided for New Issues as those who may possess the later work. Their success has been so great that many of them have had to be reprinted to meet the demand, and S. G. & Co. are constantly in receipt of letters of high approval from various correspondents.

Complete provision has been made in this Edition, *consisting of over 120 pages*, for all the numerous and important New Issues which have taken place during the last eighteen months. The Postal Issues during the above period include *nearly 100 Countries and Colonies*, among which will be found Tunis, Zululand, Formosa, The Native Indian States of Travancore and Wadhwan, and the French possessions of Annam, Tonquin, and Indo China, all places hitherto unrepresented in Philatelic Albums. Also included, will be found the many New Issues for the Argentine Republic, Brazil, New South Wales, Sarawak, British Honduras, and Bechuanaland, Hungary, Panama, etc. etc.

We respectfully decline all orders unless accompanied by a remittance, Post Office order or cheque, not stamps; nor can we send them on commission, or in exchange for stamps. If to be sent per Sutton, 2d. extra per parcel must be sent for booking. All orders required to be delivered in any part of London are sent per London Parcel Delivery Company. Sixpence extra should accompany each order if to be sent carriage paid. Wooden Cases for the Imperial Stamp or Card Albums, 2/- extra. Customers that are unknown to us will please satisfy us as to their being in the trade when ordering.

Engravings of the Imperial Stamp Album open, for illustrating Circulars, etc., can be supplied at 1/2 each, post-free. IN PREPARATION. ORDERS IF PREPAID CAN NOW BE BOOKED.

**The Seventh Edition**  
OF  
**STANLEY, GIBBONS, AND CO.'S**  
**PRICE CATALOGUE OF POSTAGE STAMPS.**

Together with AN APPENDIX to the above, consisting of over 3,000 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.

THE demand for the current issue of the Catalogue having been beyond their calculations, S., G., & Co. have now unexpectedly announce the approaching publication of the SEVENTH EDITION of their CATALOGUE and APPENDIX.

The additions and alterations to the Catalogue proper will be considerable, including the whole of the numerous New Issues that have appeared since the last Edition, accompanied by an entire revision, and in many cases a Reduction of Prices, in others an advance.

The Illustrations will be largely augmented.

The ADDENDA will be published as heretofore announced. Correspondents can have any bookings cancelled and transferred to the cost of the New Edition if desired.

The Price of the CATALOGUE and APPENDIX will be the same as before.

At this early date it is impossible to give exact time of publication; probably it will be early in March. Every effort will be made to publish at the earliest possible moment, as no doubt the current and Sixth Edition will be sold out long before then.

The Seventh Edition  
OF  
**Stanley, Gibbons, & Co.'s Price Catalogue of Postage Stamps,**

Together with AN APPENDIX to the above, consisting of over 3,000 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.

THE demand for the current issue of the Catalogue having been beyond their calculations, S., G., & Co. have now to announce the approaching publication of the SEVENTH EDITION of their CATALOGUE and APPENDIX.

The additions and alterations to the Catalogue proper will be considerable, including the whole of the numerous New Issues that have appeared since the last Edition, accompanied by an entire revision, and in many cases a Reduction of Prices, in others an advance. The prices in the Sixth Edition will be cancelled on the appearance of this new Seventh Edition.

The Illustrations will be largely augmented. A Money Table has been added, and every effort has been made to still further improve this Work.

The ADDENDA will be published as heretofore announced. Correspondents can have any bookings cancelled and transferred to the cost of the New Edition if desired.

The Price of the CATALOGUE and APPENDIX will be the same as before.

At this date it is impossible to give exact time of publication; probably about the 20th of March. Every effort will be made to publish at the earliest possible moment, as no doubt the current and Sixth Edition will be sold out long before then.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

*Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.*

NOW READY, THE SECOND EDITION OF

**THE PHILATELIC ALBUM: A NEW ALBUM FOR ADVANCED COLLECTORS.**

Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most Extensive and Complete Collection possible.

It is also adaptable for **POST CARDS, REVENUE STAMPS, or ENTIRE ENVELOPES.**

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

**TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,**

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," "Pemberton's Handbook," or any other standard list, including the Catalogue published by ourselves. Each leaf is linen-jointed, giving strength to the page and allowing the leaves to set properly when the book is opened. A narrow marginal border embellishes each page. With this exception the leaves (150 in number) are perfectly plain, and printed on one side only, on a very fine quality white card paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this: moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED.

**PRICES:**

A.—Strongly bound in half morocco, gilt ornaments and lettering; packed in a box, 30/-, carriage extra.  
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action lock and key clasp; packed in a box, 50/-, carriage extra.  
Spare blank linen-jointed leaves can be had, 1/9 per doz., or 2/3 per doz. if with gilt edges, post-free abroad extra. A sample leaf sent for 2½d., post-free.

**NOW READY. GREATLY AUGMENTED AND IMPROVED.**

**The Seventh Edition**  
OF  
**Stanley, Gibbons, & Co.'s Price Catalogue of Postage Stamps,**  
**ENVELOPES, POST CARDS, & NEWSPAPER BANDS.**

ALL varieties of watermark, surcharge, error, and the differences between perf. and imperf., will be found fully catalogued. These descriptions have been greatly extended, which, combined with the enormous number of new issues, including all possible up to March 1890, has rendered necessary a corresponding increase in the extent of the work. Quotations contained in previous Catalogues are cancelled. A Money Table has been added, and every effort made to still further improve this publication.

The APPENDIX consists of over 3000 Illustrations, with reference numbers corresponding with the Catalogue, which will be found especially valuable in identifying little-known Stamps.

This Work is published at a heavy loss, all orders should therefore be prepaid and sent direct to the Publishers. It is not obtainable through any other source. There is no other comprehensive Catalogue published at so low a price.

The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

*Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.*

NOW READY, THE SECOND EDITION OF  
**THE PHILATELIC ALBUM: A NEW ALBUM FOR ADVANCED COLLECTORS.**

Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most Extensive and Complete Collection possible.

It is also adaptable for **POST CARDS, REVENUE STAMPS, or ENTIRE ENVELOPES.**

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out.

**TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,**

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," "Pemberton's Handbook," or any other standard list, including the Catalogue published by ourselves. Each leaf is linen-jointed, giving strength to the page and allowing the leaves to set properly when the book is opened. A narrow marginal border embellishes each page. With this exception the leaves (150 in number) are perfectly plain, and printed on one side only, on a very fine quality white card paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED.

**PRICES:**

A.—Strongly bound in half morocco, gilt ornaments and lettering; packed in a box, 30/-, carriage extra.  
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action lock and key clasp; packed in a box, 50/-, carriage extra.  
Spare blank linen-jointed leaves can be had, 1/8 per doz., or 2/3 per doz. if with gilt edges, post-free abroad extra. A sample leaf sent for 2½d., post free.

ALL varieties of watermark, surcharge, error, and the differences between perf. and imperf., will be found fully catalogued. These descriptions have been greatly extended, which, combined with the enormous number of new issues, including all possible up to March 1890, has rendered necessary a corresponding increase in the extent of the work. Quotations contained in previous Catalogues are cancelled. A Money Table has been added, and every effort made to still further improve this publication.

The APPENDIX consists of over 3000 Illustrations, with reference numbers corresponding with the Catalogue, which will be found especially valuable in identifying little-known Stamps.

This Work is published at a heavy loss, all orders should therefore be prepaid and sent direct to the Publishers. It is not obtainable through any other source. There is no other comprehensive Catalogue published at so low a price.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

## THE PHILATELIC ALBUM: A NEW ALBUM FOR ADVANCED COLLECTORS

Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most Extensive and Complete Collection possible.

It is also adaptable for POST CARDS, REVENUE STAMPS, or ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

And adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," "Pemberton's Handbook," or any other standard list, including the Catalogue published by ourselves. Each leaf is linen-jointed, giving strength to the page and allowing the leaves to set properly when the book is opened. A narrow marginal border embellishes each page. With this exception the leaves (150 in number) are perfectly plain, and printed on one side only, on a very fine quality white card paper. They are moveable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED.

PRICES:

A.—Strongly bound in half morocco, gilt ornaments and lettering; packed in a box, 30/-, carriage extra.  
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action lock and key clasp; packed in a box, 50/-, carriage extra.  
Spare blank linen-jointed leaves can be had, 1/9 per doz., or 2/3 per doz. if with gilt edges, post-free abroad extra. A sample leaf sent for 2½d., post-free.

This List will, as heretofore, include a description of every known variety of paper, perforation, and watermark, with the real present market value attached to every stamp, both for used and unused specimens.

Queries addressed to the Publishers up to the 10th will be answered in the Magazine for the same month. The first number appeared July 20th, 1890.

# STANLEY GIBBONS, LIMITED, MONTHLY JOURNAL.

EDITED BY ONE OF THE MOST EMINENT PHILATELISTS OF THE DAY.

THE publication of this New Journal by STANLEY GIBBONS, LIMITED, has been commenced under the most promising auspices. It is the intention of the publishers to make this periodical worthy of their long established reputation. PRELIMINARY NOTICE.—In Preparation. Orders if prepaid can now be booked.

THE EIGHTH EDITION OF  
**Stanley Gibbons, Limited,**  
**PRICE CATALOGUE OF POSTAGE STAMPS.**

*Together with an Appendix to the above, consisting of nearly 3,300 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.*

STANLEY GIBBONS, LIMITED, have pleasure in announcing the approaching publication of the EIGHTH EDITION of their Catalogue and Appendix. Every effort will be made to ensure correctness in all details, so as to, if possible, still further increase the reliability and usefulness of this Standard Work.

The additions and alterations will be considerable, prominent among which may be named—

Prominent varieties of perforation, which have hitherto not been included, will now be both noted and priced. The whole of the numerous New Issues that have appeared since the last Edition will be fully catalogued.

A very large number of Stamps that have hitherto had no quotation attached will in this New Edition be correctly priced. Every effort will be made to insert prices, especially of Old Issues, wherever possible. Considerable reductions will in many instances be made.

The Illustrations in the Appendix will be largely augmented. To meet the expressed desire of many Collectors, this Edition of the Catalogue and Appendix may be obtained interleaved with paper faintly ruled. This will be much appreciated by Philatelists for various purposes, such as making notes of Auction Sales, New Issues, &c. &c.

The Addenda will be published as heretofore announced. The exhaustion of the Seventh, and consequent appearance of the Eighth Edition of the Catalogue, will not interfere with the publication of the Addenda as advertised.

The Price of the CATALOGUE and APPENDIX will be the same as before.

At this early date it is impossible to give exact time of publication; probably it will be in August. Every effort will be made to publish at the earliest possible moment, as no doubt the current and Seventh Edition will be sold out long before then. All Orders will be executed in rotation as received.

The Countries referred to above in Class A are the United States, Canada, Egypt, the whole of Europe, Malta, Madeira, Azores, Persia, &c. &c. We respectfully decline all orders unless accompanied by a remittance, Post Office order or cheque, not stamps; nor can we send them on commission, or in exchange for stamps. If to be sent per Sutton, 2d. extra per parcel must be sent for booking. All orders required to be delivered in any part of London are sent per London Parcel Delivery Company, Sixpence extra should accompany each order if to be sent carriage paid. NOW READY.—THE EIGHTH EDITION OF

STANLEY GIBBONS

PRICE CATALOGUE of

POSTAGE STAMPS.

Together with an Appendix to the above, consisting of nearly 3,300 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.

STANLEY GIBBONS, LIMITED, have pleasure in announcing the publication of the EIGHTH EDITION of their Catalogue and Appendix. Every effort has been made to ensure correctness in all details, so as to, if possible, still further increase the reliability and usefulness of this Standard Work.

The additions and alterations are considerable, prominent among which may be named—

Prominent varieties of perforation, which have hitherto not been included, are now both noted and priced.

The whole of the numerous New Issues that have appeared since the last Edition are fully catalogued.

A VERY LARGE number of Stamps that have hitherto had no quotation attached are in this New Edition correctly priced. Every effort has been made to insert prices, especially of Old Issues, wherever possible. Considerable reductions in many instances have been made.

The Illustrations in the Appendix have been largely augmented. To meet the expressed desire of many Collectors, this Edition of the Catalogue and Appendix may be obtained interleaved with paper faintly ruled. This will be much appreciated by Philatelists for various purposes, such as making notes of Auction Sales, New Issues, &c. &c.

The Addenda will be published as heretofore announced. The exhaustion of the Seventh, and consequent appearance of the Eighth Edition of the Catalogue, will not interfere with the publication of the Addenda as advertised.

The Price of the CATALOGUE and APPENDIX is the same as before.

The list, besides being brought down to the present year, is in some respects more detailed than that comprised in the former book; for instance, the plate numbers appear to be rather more fully dealt with."—*Philatelic Record*, 1890.

*Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.*

**NOW READY, THE THIRD EDITION (1891) OF**  
**THE PHILATELIC ALBUM: A NEW ALBUM FOR**  
**ADVANCED COLLECTORS.**

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible.

**IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.**

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out **TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS**, and adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page become spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

Prices { A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 22/6, carriage extra. Under 11 lbs. can be sent by parcel post.  
 B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 37/6, carriage extra.

Price One Shilling, post-free.

**IMPROVED ALBUM, No. O.**

Price One Shilling, post-free.

The best and largest One Shilling Album ever issued.

OVER one hundred pages, containing room for between two thousand and three thousand Stamps. At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, etc. Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth. The Album contains a pocket to hold duplicate Stamps, and fifty Stamps will be presented gratis with each Album sold. The First Edition of Five Thousand is sold out, and a SECOND EDITION of TEN THOUSAND is ready. This New Edition has an Illustrated Frontispiece and other improvements.

The following are samples of hundreds of Testimonials:

A. A. writes: "I received your stamp album on Thursday, and I wonder how you can sell it so cheap; for as soon as a friend saw it he offered me as for it. Please send me another."

C. A. W. writes: "Please send me one of your marvellous albums with packet of stamps, in order that I may convince my incredulous friends that such a thing is possible."

**NOTE THE PRICE—Three for 2/6; Twelve for 9/-; One Hundred for 75/-** Postage extra.

NOTE.

We have increased the size of this list by adding four extra pages. Special attention is drawn to the Revised List of Sets, which will be much extended next month. NEWSBANDS are also re-inserted; and the list of POST CARDS has been revised, and now includes a quantity of rare ones which we have not previously offered to the Trade.

## DUPLICATE POSTAGE STAMP ALBUM. *Greatly Enlarged and Improved*

A NEW EDITION of this Album is published in response to numerous enquiries received from Collectors at home and abroad. NOTE. Many improvements, and most of the rarer Stamps now priced for the first time.

# NOW READY.—The EIGHTH EDITION of STANLEY GIBBONS' Price Catalogue of Postage Stamps,

Together with an Appendix to the above, consisting of nearly 3,300 Illustrations, with Reference Numbers attached, corresponding with the Catalogue.

The additions and alterations are considerable, prominent among which may be named—

Prominent varieties of perforation, which have hitherto not been included, are now both noted and priced.

The whole of the numerous New Issues that have appeared since the last Edition are fully catalogued.

A VERY LARGE number of Stamps that have hitherto had no quotation attached are in this New Edition correctly priced. Every effort has been made to insert prices, especially of Old Issues, wherever possible. Considerable reductions in many instances have been made.

To meet the express desire of many Collectors, this Edition of the Catalogue may be obtained interleaved with paper faintly ruled. This will be much appreciated by Philatelists for various purposes, such as making notes of Auction Sales, New Issues, &c. &c.

Prices, post-free.	To Great Britain, Europe, United States, Canada, and Egypt.	To other Countries comprised in the Postal Union.	To Australia, Asia, etc.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general.

## NOW READY, THE THIRD EDITION (1891) OF THE PHILATELIC ALBUM: A NEW ALBUM FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible.

IT IS ALSO ADAPTABLE FOR POST CARDS, REVENUE STAMPS, OR ENTIRE ENVELOPES.

Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS, and adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who use as their guide "Evans's Handbook," "Lockyer's Colonial Stamps," or any other standard list, including the Catalogue published by ourselves. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page become spoilt, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

Prices { A.—Strongly bound in half morocco, gilt ornaments, and lettering; packed in a box, 22/6, carriage extra. Under 17 lbs. can be sent by parcel post.  
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 37/6, carriage extra.

Price One Shilling, post-free.

## IMPROVED ALBUM, No. O.

Price One Shilling, post-free.

The best and largest One Shilling Album ever issued.

OVER one hundred pages, containing room for between two thousand and three thousand Stamps. At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, etc. Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth. The Album contains a pocket to hold duplicate Stamps, and fifty Stamps will be presented gratis with each Album sold. The First Edition of Five Thousand is sold out, and a SECOND EDITION of TEN THOUSAND is ready. This New Edition has an Illustrated Frontispiece and other improvements.

The following are samples of hundreds of Testimonials:

A. A. writes: "I received your stamp album on Thursday, and I wonder how you can sell it so cheap; for as soon as a friend saw it he offered me 2s. for it. Please send me another."

C. A. W. writes: "Please send me one of your marvellous albums with packet of stamps, in order that I may convince my incredulous friends that such a thing is possible."

## STANLEY GIBBONS MONTHLY JOURNAL.

EDITED BY MAJOR E. B. EVANS.

IN order to bring this popular Philatelic periodical within reach of every collector, the Publishers have decided on reducing the price to Subscribers to 1/- per annum to parts of the World. The high character of this Monthly Journal will not only be fully maintained, but it is the intention of the Publishers to increase it by every possible means. Having the largest connection of any in the Trade with Collectors and others, their sources of information are absolutely unrivalled. In addition to full Reports of Novelties, most of which are first described in this Journal, Subscribers will find elaborate and exhaustive papers on Stamps, Post Cards, &c., by the leading Philatelicists of the World. The Journal is profusely illustrated. An important feature in this paper are the Reports of all Auction Sales in England and America; also the earliest information on all matters of interest to Subscribers, including descriptions of New and Dangerous Forgeries; and a continuation of the PRICES LIST commenced in the Stamp Advertiser. This List will heretofore, include a description of every known variety of Paper, Perforation, and Watermark, with the real present market value attached to nearly every Stamp, both used and unused specimens. Queries addressed to the Publishers up to the 15th will be answered in the Magazine for the same month.

DEDICATED (BY SPECIAL PERMISSION) TO HIS ROYAL HIGHNESS THE DUKE OF YORK, K.G.

JUST PUBLISHED, entirely revised and greatly enlarged (748 Pages, Demy 8vo),

## THE SECOND EDITION OF ALBUM WEEDS.

By the Rev. R. B. EAREE.

THIS WORK, an absolute necessity to the careful Philatelist who is naturally anxious to ensure the absence of forgeries from his collection, the Publishers are pleased to announce a reproduction of. As a work of reference, in this particular respect, it stands entirely unrivalled, being compiled by one who has acquired a world-wide reputation, and whose speciality has for many years been the description of forgeries. An immense amount of labour has been bestowed on this New Edition, so as to still further increase its usefulness. Every endeavour has been made by the Author, in the description of new and dangerous forgeries, &c., so as to bring the work fully up to date. Amongst numerous additions may be noted an elaborate description of technical terms met with in the course of collecting. This section will be found especially useful for the guidance of the novice or younger collector. The illustrations have been considerably augmented, and a large and most interesting series of postmarks, specially drawn, together with an index for reference, will be found included. Altogether the Publishers have no hesitation in recommending this publication as a most valuable adjunct to a Philatelic Library, and useful alike to Collector or Dealer.

## NOW READY.—THE SIXTH EDITION OF IMPERIAL POSTAGE STAMP ALBUM.

STANLEY GIBBONS, Limited, have the pleasure to announce the publication of a *New Edition of this, the most favourite and celebrated Album of the day.* All the leading features, to which must be attributed the very great success of this work, are retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches. The *New Imperial Album* is based on the Eighth edition of the Price Catalogue, and all varieties of perforation, paper, and watermark provided there are given in the New Album. The size of the page is enlarged to 9 x 12 inches, so as to provide increased accommodation for the numerous new issues. In order to ensure the most perfect accuracy the Album has been revised by Major E. B. EVANS. The numbers that have hitherto been placed in the centre of each space are now inserted below, for greater convenience of reference. To meet the wishes of many, a *Cheap Edition*, printed on a paper far superior to that of any contemporary album, is now for the first time offered to the public. No further Supplements to the previous editions of the Imperial Album will be published. Supplements to this New Edition, and corresponding to the enlarged size, will be issued as required, but at longer intervals than hitherto.

## POSTAGE STAMPS

**FOR 1893-1894,**

Together with **AN APPENDIX** to the above, consisting of nearly 3,500 **ILLUSTRATIONS**, with Reference Numbers attached, corresponding with the Catalogue.

STANLEY GIBBONS, LIMITED, have pleasure in announcing the publication of the **NINTH EDITION** of their Catalogue and Appendix. Every effort has been made to ensure correctness in all details, so as to, if possible, still further increase the reliability and usefulness of this Standard Work.

The additions and alterations are considerable, prominent among which may be named—

An entire Revision of the prices, based on a careful comparison with our stock. It is estimated that over 3,000 Stamps have been reduced in price, S. G., Limited, wishing to give their clients the benefit of the numerous bargains they have been able to secure since the last Catalogue was issued.

The entire Catalogue has been revised and (in the case of many countries) re-written, under the able Editorship of Major E. B. EVANS, aided by numerous Specialists—such as Mr. GILBERT LOCKYER (Japan, Australia, &c.), Mr. E. J. NANKIVELL (Transvaal), &c. &c.

The whole of the numerous New Issues that have appeared since the last Edition will be found fully Catalogued.

A very large number of Stamps, especially obsolete issues, that have hitherto had no value attached, will in this New Edition be found quoted at the lowest possible price.

The Illustrations in the Appendix have been largely augmented. As in the last Edition, for the convenience of many collectors copies can be obtained, interleaved with paper faintly ruled. The utility of this, for making Notes, etc., has been again demonstrated by the demand from Philatelists for these specially-bound Catalogues.

The Addenda will be published as heretofore announced. The exhaustion of the Eighth, and consequent appearance of the Ninth Edition of the Catalogue, will not interfere with the publication of the Addenda as advertised.

**S**TANLEY GIBBONS, LIMITED, have had for some time in contemplation the production of this new work, and have now much pleasure in presenting it to the Philatelic public, as the outcome of their endeavour to produce not only a cheap Album, but one thoroughly reliable, and combining many advantages never before offered at the price. The shape of the book is square, the size a new and convenient one, viz., 9½ in. by 7½ in. Concise Geographical and other particulars are given at the head of each country, the pages being divided into rectangles, as is usual, with this most important innovation, that they vary in size so as to conveniently accommodate the Stamps desired to be placed in position. This is an advantageous improvement that will commend itself to every collector. Post Cards are not provided for, as all Philatelists of experience know it is best to collect them separately. A new and very important departure has been made in Nos. 15 and 16, in including for the first time in any Philatelic Album a series of Six specially drawn Maps, printed in colours, and giving the names of all Stamp-issuing Countries. They are of course fully brought up to date, and are not needlessly encumbered with unnecessary names, so as to increase their usefulness for easy and instant reference.

## NOW READY.—THE SIXTH EDITION OF IMPERIAL POSTAGE STAMP ALBUM.

STANLEY GIBBONS, LIMITED, have the pleasure to announce the publication of a *New Edition of this, the most favourite and celebrated Album of the day.* All the leading features, to which must be attributed the very great success of this work, are retained, and a number of most important improvements introduced, so as to be thoroughly in consonance with recent ideas and researches. The *New Imperial Album* is based on the Eighth edition of the Price Catalogue, and all varieties of perforation, paper, and watermark provided there are given in the New Album. The size of the pages is enlarged 1/8 by 1/8 inches, so as to provide increased accommodation for the numerous new issues. In order to ensure the most perfect accuracy the Album has been revised by Major E. B. EVANS. The numbers that have hitherto been placed in the centre of each space are now inserted below, for greater convenience of reference. To meet the wishes of many a *Cheap Edition*, printed on a paper far superior to that of any contemporary album, is now for the first time offered to the public. No further Supplements to the previous editions of the *Imperial Album* will be published. Supplements to this *New Edition*, and corresponding to the enlarged size, will be issued as required, but at longer intervals than hitherto.

Prices of the New Imperial Albums (Sixth Edition), Securely Packed, and Post-free to Great Britain.

JUST PUBLISHED, entirely revised and greatly enlarged (748 Pages, Demy 8vo),

## THE SECOND EDITION OF ALBUM WEEDS.

By the Rev. R. B. EAREE.

THIS WORK, an absolute necessity to the careful Philatelist who is naturally anxious to ensure the absence of forgeries from his collection, the Publishers are pleased to announce a reproduction of. As a work of reference, in this particular respect, it stands entirely unrivalled, being compiled by one who has acquired a world-wide reputation, and whose speciality has for many years been the description of forgeries. An immense amount of labour has been bestowed on this New Edition, so as to still further increase its usefulness. Every endeavour has been made by the Author, in the description of new and dangerous forgeries, &c., so as to bring the work fully up to date. Amongst the numerous additions may be noted an elaborate description of technical terms met with in the course of collecting. This section will be found especially useful for the guidance of the novice or younger collector. The illustrations have been considerably augmented, and a large and most interesting series of postmarks, specially drawn, together with an index for reference, will be found included. Altogether the Publishers have no hesitation in recommending this publication as a most valuable adjunct to a Philatelic Library, and useful alike to Collector or Dealer.

Trade Price, bound in embossed gilt cloth, 7/6, post-free.

### THE 'IDEAL' PERFORATION GAUGE.

The Best, most Reliable, and in every way the most convenient Perforation Gauge ever invented.

*The Publishers claim for this Gauge many advantages which the present Gauges do not possess.*

It is portable, being of a convenient size to be carried in the breast pocket.  
It is accurate, every gauge having been carefully measured, and the gauge itself is printed from an engraved copper-plate.

It has three sets of gauges (vertical and horizontal) on the same card, by which plan the perforations of stamps arranged in Albums on the hinge system can be measured without taking them from the book; also stamps gummed down can be accurately tested without removal from the book. These are advantages that can be claimed by few, and being printed on stout cardboard they will not easily crack. In this respect it is superior to those printed on thin paper or any transparent substance. It will not cockle, and damp has but little effect on it.

It has twenty different gauges, from 7 to 16½, and includes 7½, 8, and 8½, not often found in gauges now before the Philatelic public, but which are required more especially for some of the Japanese and Turkish Stamps.

Each dot is bisected by a small vertical line, thus  By this arrangement accurate measurement is guaranteed.

In conclusion, we venture to assert that it is the best Perforation Gauge ever placed before the Philatelic public, and is in every respect as its name implies—

STANLEY GIBBONS, LIMITED, STAMP IMPORTERS, 391, STRAND, LONDON.

"The Leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of Books of this class."

Pronounced by all who have seen it, an ingenious and admirable arrangement, pre-eminently adapted for the purpose, and completely solving a difficulty experienced by Collectors in general

NOW READY.—THE FOURTH EDITION OF  
**THE PHILATELIC ALBUM.**

THE MOST SUITABLE ALBUM PUBLISHED FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience, and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible. It is also adaptable for Post Cards, Revenue Stamps, or Entire Envelopes. Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made; it is to meet this want that this Album is published, and all that experience can suggest has been carried out.

TO MAKE IT WORTHY THE USE OF EVEN THE MOST ADVANCED COLLECTORS,

and adaptable to any arrangement that may be desirable. It is also especially applicable for the use of those Philatelists who arrange their collections by the Catalogues published by ourselves or any other standard list. The Album is also peculiarly suitable for those who collect special countries only, taking as their guide the various lists published by the London Philatelic Society, &c. Each leaf has a double lined joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time. A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are 100 in number, and printed on one side only, on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into two or more volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoiled, it can be at once replaced. A handsomely arranged title is included. AN INSPECTION IS DESIRED WHERE POSSIBLE.

PRICES.

A New and Separate Edition of the Philatelic Album

HAS, in compliance with the desire of many Collectors, been published, and is now offered as pre-eminently the best adapted to meet the wishes of a large section of advanced Philatelists. The arrangement of the cover of this Album, as far as regards the liberation of the leaves, is practically the same as class A and B of the current edition. It is in the leaves themselves the main differences will be found. They are manufactured of a specially-selected cardboard of a granulated tint, with a raised marginal border, the central or sunken portion intended for the reception of the specimens being over-printed with a semi-visible network of quadrille dotted lines as in the other edition. The main advantage of this plan is that all abrasion is obviated, rendering the Album peculiarly adaptable where the care of the specimens is of the first consideration.

It is adapted to contain about 1,500 Stamps, is of a similar size to class A and B, and can be used in unison with them if desired.

- C.—Handsomely bound in full Russia leather, rounded corners, gilt edges, improved double action expanding lock and key, packed in a box, £5; or £5 2s. 6d. by Parcel Post.

**THE IMPROVED POSTAGE STAMP ALBUM No. 0.**

TWENTY-FIFTH THOUSAND. The best and largest Shilling Album ever issued.

THE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The New Edition has nearly 20 extra pages added, and all the Geographical and Historical Notes brought up fully to date. At the top of each page there is the name of the country, and a mass of valuable information, including date

when Stamps were issued, population, area, reigning sovereign, capital, etc. Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth. The Album contains a pocket to hold duplicate Stamps, and fifty Stamps will be presented gratis with each Album. There is also an Illustrated Frontispiece of the Rarest Stamps.

A. A. writes: "I received your Stamp Album on Thursday, and I wonder how you can sell it so cheap; for as soon as a friend saw it he offered me 2s. for it. Please send me another."

E. S. says: "I asked a friend where the best place was to buy a Stamp Album cheap. He referred me to you, saying that he had bought one and sold it next day for 1/6, after keeping the stamps."

Miss M. R. writes from Piccadilly: "I was greatly pleased with the album I received this morning, which all my friends admired, and thought it very cheap."

C. A. W. writes: "Please send me one of your marvellous 1s. albums, with pocket of stamps, in order that I may convince my incredulous friends that such a thing is possible."

Mrs. E. T. writes: "Thanks for album forwarded, with which we were much pleased, and think it by far the best album we have ever seen at the price."

A. B. writes: "I am very pleased with the album; it far exceeds what I expected it to be."

# Philatelic Albums.

"The leaves in this Album are retained in their places by an original and newly-patented plan, entirely doing away with the unsightly screws hitherto necessary on the outside of books of this class."

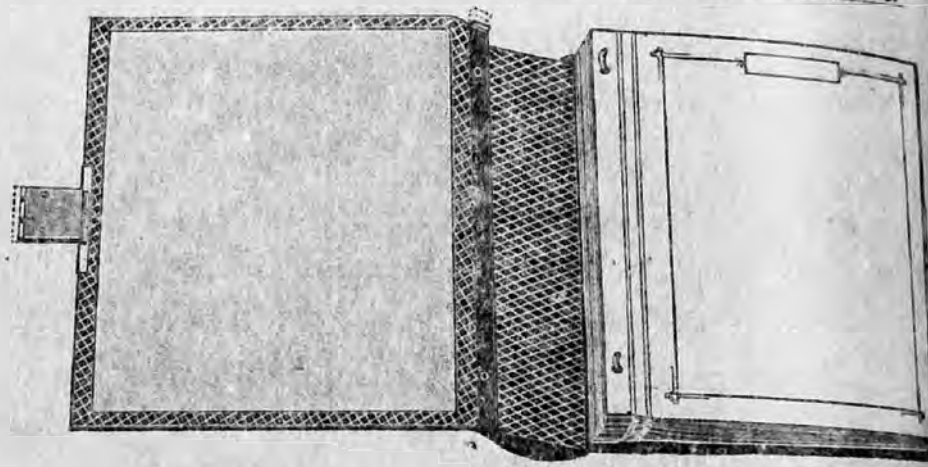

## THE PHILATELIC ALBUM: THE MOST SUITABLE ALBUM PUBLISHED FOR ADVANCED COLLECTORS.

SEVERAL important improvements have been introduced into this New Edition, suggested by increased experience, and greatly enhancing the use of this Work. Especially produced in answer to numerous enquiries for a really permanent blank Album. It will be found suitable for the reception of the most extensive and complete collection possible. It is also adaptable for Post Cards, Revenue Stamps, or entire Envelopes. Collectors using Albums of this class frequently resort to books not specially manufactured for the purpose, and hence unsuitable, or the more expensive and very often unsatisfactory mode of having them expressly made. It is to meet this want that this Album is published, and all that experience can suggest has been carried out to make it worthy the use of even the most Advanced Collectors, and adaptable to any arrangement that may be desirable.

It is also especially applicable for the use of those Philatelists who arrange their collections by the Catalogue published by ourselves or any other standard list. The Album is particularly suitable for those who collect special countries only, taking as their guide the various lists published by the London Philatelic Society, &c. Each leaf has a double linen joint on an entirely new plan, allowing the leaves to set properly when the book is opened, and giving strength at the same time.

A narrow marginal border embellishes each page, with a semi-visible network of quadrille dotted lines, designed to assist the correct insertion of the specimens to be mounted. The leaves are too in number, and printed on one side only on a very fine quality white card paper. They are movable, allowing re-arrangement or extension into new volumes, as may be desired at any future time. It is hardly necessary to point out the advantage of this; moreover, if a page becomes spoiled it can be at once replaced, and a handsomely arranged title is included. An inspection is desired where possible.

**PRICES** A.—Strongly bound in half morocco, gilt ornament, and lettering; packed in a box, 22/6, carriage extra. Under 11 lbs., can be sent by parcel post.  
B.—Handsomely bound in full Persian morocco, bevelled boards, gilt edges, double action expanding lock and key; packed in a box, 37/6, carriage extra.  
*Special blank linen-jointed leaves can be had, 1/6 per dozen, or 2/3 per dozen if with gilt edges, post-free abroad extra. A sample leaf sent for 2/6, post-free.*

A New and separate Edition of **THE PHILATELIC ALBUM** has, in compliance with the desire of many Collectors, been published, and is now offered pre-eminently the best adapted to meet the wishes of a large section of advanced Philatelists. The arrangement of the cover of this Album, as far as regards the liberation of the leaves, is practically the same as class A and B of the current edition. The leaves themselves the main differences will be found. They are manufactured of a specially selected cardboard of a granulated tint, with a raised marginal border, central or sunken portion intended for the reception of the specimens being over-printed with a semi-visible network of quadrille dotted lines as in the other edition. The advantage of this plan is that all abrasion is obviated, rendering the Album peculiarly adaptable where the care of the specimens is of the first consideration.

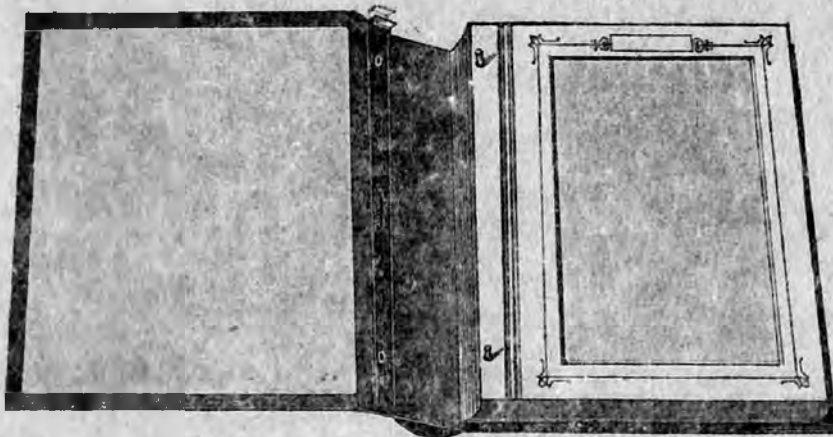

It is adapted to contain about 1,500 Stamps, is of a similar size to class A and B, and can be used in unison with them if desired.

C.—Handsomely bound in full Russia leather, rounded corners, gilt edges, improved double action expanding lock and key, packed in a box, 76/-; or 77/6 by Parcel Post.

No more Damaged Stamps.]

## NEW SPECIALISTS' ALBUM.

[All Friction Prevented.]

AT the request of several London collectors we have prepared an Album of portable size, and convenient for taking to meetings of the Philatelic Society, &c.

Our large blank Albums, as described above, are found to be heavy and cumbersome for such purposes, and our new book will be found a very suitable one.

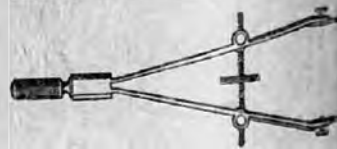

The most recent requirements of the advanced Philatelists are met in this new edition. As far as practicable all the suggestions of the authorities have been adopted, and we have no hesitation in presenting this book on the market as an ideal Album, confident that the specialist and general collector alike will find careful provision made for the preservation of his gems.

The leaves are of the latest approved size, with a narrow border, 1/4 inch at top and bottom and 1/8 inch at the sides. The body of the leaf is sunk, the sunk portion measuring 3 1/2 by 5 inches, and is ruled with very faint quadrille lines, to aid in accurately placing the specimens. Each leaf has a sheet of Jap. tissue paper stuck down the back, to give further aid in protecting the stamps from friction. It is scarcely possible to overstate the amount of injury by friction, which is prevented by this ingenious method for preserving such stamps as British Colonies, Portugal, Azores, early Natal, &c.

D.—Handsomely bound in half marone morocco, with cloth protecting case, each book containing 30 leaves, 37/6, or 39/- by Parcel Post.

## SURCHARGE MEASURER.

THE accompanying illustration will give the best idea of what this is. It consists of a pair of needle-pointed spring compasses, capable, by means of an adjusting screw, of measuring with the greatest accuracy all surcharges up to 40 millimetres in length. In addition to the measure a millimetre gauge is obtained by running the head of the screw along a piece of paper, a series of lines exactly a millimetre apart being thus indented in the paper. For measuring surcharges on such stamps as Natal, Straits Settlements, &c., this will be found invaluable, and also in the detection of forgeries—a forgery or forged surcharge very seldom being exactly the same size as the original. **TRADE PRICE, 5/7; post-free, 5/10.**

**Pocket Magnifying Glasses.** AFTER examining some scores of different sorts, we have been able to get one combining the greatest power with the best field obtainable for pocket use. These glasses are mounted in handsome vulcanite frames, and are very compact. There are two lenses in each, which may be used singly, or if a very strong power is desired, may be combined. **TRADE PRICE, 5/7; post-free, 5/10.**

**Tweezers for Handling Stamps.** THESE are invaluable to every Philatelist. They are of the best obtainable quality, with points very slightly curved, as not to damage the stamps. They can be put into water without rusting, and can therefore be used in mounting stamps. **TRADE PRICE, 1/12; post-free, 2/-.**

**Now Ready.—THE 'IDEAL' PERFORATION GAUGE.** The Best, most Reliable, and in every way the most convenient Perforation Gauge ever invented. It is portable, being of a convenient size to be carried in the breast pocket. The Publishers claim for this Gauge many advantages which the present Gauges do not possess. It is accurate, every gauge having been carefully measured, and the gauge itself is printed from a finely engraved copper-plate. It has three sets of gauges (vertical and horizontal) on the same card, by which plan the perforations of stamps arranged in Albums on the large scale can be measured without taking them from the book; also stamps gummed down can be accurately tested without removal from the book. These are advantages that are claimed by few, and being printed on stout cardboard they will not easily crack. In this respect it is superior to those printed on thin paper or any transparent substance. It does not cockle, and damp has but little effect on it. It has twenty different gauges, from 7 to 16 1/2, and includes 7 1/2, 8, and 8 1/2, not often found in gauges now before the Philatelic public, but which are required more especially for some of the Japanese and Turkish Stamps. Each dot is bisected by a small vertical line, thus enabling the gauge to be used before the Philatelic public. By this arrangement accurate measurement is guaranteed. In conclusion, we venture to assert that it is the best Perforation Gauge ever placed before the Philatelic public and is in every respect as its name implies—an 'Ideal' Perforation Gauge. **TRADE PRICE, FOURPENCE; post-free, FIVEPENCE.**

# The Strand Postage Stamp Album,

WELL ARRANGED, RELIABLE, AND THOROUGHLY CORRECT.

Nos. 15 and 16 include a Series of SIX MAPS, specially Engraved for this Publication, and beautifully printed in Colours.

### STANLEY GIBBONS, LIMITED,

HAVE had for some time in contemplation the production of this new work, and have now much pleasure in presenting it to the Philatelic public, as the outcome of their endeavour, to produce not only a cheap Album, but one superior in quality, and combining many advantages never before offered at the price.

The book, which is printed on an unusually good quality paper, is bound in a new and specially designed cover. The shape is square, and the size a new and convenient one, viz., 9½ in. by 7½ inches. Sufficient guards have been inserted, so that when the Album is full the covers shall be level with each other, and not bulged as is often the case in imperfectly constructed books.

Concise Geographical and other particulars with Illustrations are given at the head of each country, the pages being divided into rectangles, as is usual, with this most important innovation, that they vary in size so as to conveniently accommodate the Stamps desired to be placed in position. This is an advantageous improvement that will commend itself to every collector. Post Cards are not provided for, as all Philatelists of experience know it is best to collect them separately.

A new and very important departure has been made in Nos. 15 and 16, in including for the first time in any Philatelic Album, a series of Six specially drawn Maps, printed in colours, and giving the names of all Stamp-issuing Countries. They are of course fully brought up to date, and are not needlessly encumbered with unnecessary names, so as to increase their usefulness for easy and instant reference.

"The best Stamp Album. —Routledge's Young Gentlemen's Magazine.

Now Ready.—The Twelfth Edition of **The Improved Series of Postage Stamp Albums.** Entirely Revised and Corrected.

THESE Albums are the cheapest and most correct yet issued, the great demand for them having necessitated frequent New Editions, in which have been introduced several improvements, rendering the Works the most complete of the kind published. Nos. 2, 3, and 4 contain compartments for over 5,000 varieties, including the most recent issues, such as Bantia, British East Africa, Leeward Isles, Seychelles, Swaziland, Travancore, Zululand, Monaco, Jhind, Nabha, Cochin China, Corea, Chamba, Faridkot, Holker, Bokhara, Congo, Madagascar, Bechuanaland, Boer Republic, Gaboon, &c. The Frontispiece consists of Illustrations of the greatest rarities, with their commercial value added. The countries are geographically arranged under continents, and Post Cards have separate spaces devoted for their reception, arranged so as to be equally adaptable for Stamps if preferred. The size of No. 1 is 7 ins. by 5 ins.; of Nos. 2, 3, and 4, 6½ ins. by 10 ins. S. G., Limited, have no hesitation in placing these Albums before the public as the best and largest published at the price. None can compare with them as to quality of paper, quantity of pages (no less than 250), and general arrangement.

POSTAGE STAMPS.

COMMONLY KNOWN AS THE COLUMBIA SERIES,

AND SIXTEEN IN NUMBER.

These superbly engraved Stamps form admirable Photographs, and most interesting mementos of this issue.

## A COLOUR CHART. Designed to Illustrate and Identify the Colours of Postage Stamps.

The object of this work is to present a standard of comparison with which the colour of any particular Stamp can be easily described.

THERE has always been disagreement among Philatelic Writers and Compilers of Catalogues in naming the Colours of Stamps. As a single illustration: we find on examining nine Catalogues, that seven different names are given to the colour of the 2d. Stamp of Great Britain, 1874, although the colour of this Stamp varies as little perhaps as any that might be chosen. About 150 colours are represented, six shades of each colour being given, running from dark to light. The accompanying descriptions are printed in five languages; viz., English, French, German, and Spanish. Price, 3/-; post-free, 3/2.

## PREPARED STAMP MOUNTS.

FOR affixing Stamps in Collections neatly and expeditiously. Far superior to the old plan of gumming the Stamps, and inserting them so that it is only with great difficulty they can be withdrawn. These Mounts are made of a thin strong white paper, and are ready gummed. By their use, Stamps can be removed at any time without injuring them, or in any way disfiguring the Collection. They are invaluable to those who collect watermarks. They should be used on the hinge system; thus, Moistens the Stamp, attaching the back of it to one half of the mount, the other half being fastened to the Album. The Stamp will then be facing the page; but do not turn it over until perfectly dry. A Collection with the Stamps mounted in this manner is far more valuable, if any time a sale is desired. Three sizes are kept in stock: No. 1, medium size, suitable for ordinary adhesives; No. 2, smaller size; No. 3, large size—for such Stamps as old Portuguese, or for cut Envelopes. This size may also be used for Cards by using two mounts for each and Prices: Nos. 1, 2, or 3 size, 4d. per 100; 1/6 per 1000, post-free. The Prepared Paper can be supplied in Large Sheets, ready Gummed, at 3d. per Sheet, post-free.

JUST PUBLISHED.—162 PAGES, PROFUSELY ILLUSTRATED WITH OVER 500 ENTIRELY NEW ENGRAVINGS.

## The First Supplement to the Sixth Edition of the IMPERIAL POSTAGE STAMP ALBUM.

Containing all Postal Issues from August, 1892, to January, 1894, inclusive.

COMPILED AND ARRANGED BY MAJOR E. B. EVANS.

THIS Work forms a complete continuation to the Sixth Edition of the IMPERIAL POSTAGE STAMP ALBUM, and is published in pursuance of the announcement made on the publication of the Album. The permanency of the work is thus ensured, and the great necessity of this Supplement is shown by the fact that designated spaces for less than nineteen hundred and forty new issues will be found comprised within its 162 pages. A clear, comprehensive, and methodical classification to those who collect in the IMPERIAL POSTAGE STAMP ALBUM is thus ensured, whilst any error in the arrangement is rendered practically impossible. Complete provision has been made for all the numerous and important new issues that have taken place during the last eighteen months. The postal issues during the above period include nearly 200 Countries and Colonies, among which will be found the names of Angola, Anjouan, British African Colonies, Benin, Cavalle, Chefoo, Cook Islands Confederation, Dedegeah, Eritrea, Hankow, Herta, Ivory Coast, Lourenco Marquez, Mayotte, Niger Coast Protectorate, Ponta Delgada, Tanager Fez, Tangiers, Tern del Fuego, Vathy, &c., all places hitherto unrepresented in Philatelic Albums. The many important new issues of other countries will also be found completely provided for.

## An Exhaustive Catalogue of the Adhesive Postage Stamps of the BRITISH EMPIRE,

Including all varieties of Perforation, Watermark, Paper, Errors, etc.

Compiled and arranged by H. MACKWOOD MILLINGTON, revised, with Notes, by GILBERT LOCKYER,  
Members of the London Philatelic Society.

This is a modern work, embracing, as it does, all issues from the commencement up to January, 1894. The science of Philately has now attained such an extraordinary development that it becomes more and more necessary to specialise. It is hopeless to expect a general Catalogue to be both minutely descriptive and up to date. The present publication is for this reason confined to British and British Colonial Adhesive Postage Stamps, a most important and interesting section of that vast postal issue the last fifty years has seen. All Government issues are included, including Registered, Too-late, Fiscal Postals, Unpaid Letter, and Official Postage Stamps. Special attention has been given to varieties of perforation, watermark, and to errors of print, and each Colony is accompanied by a short original descriptive article of general interest. This is undoubtedly the most complete work of its kind ever published, and it will be found to be invaluable not only as a standard guide, but also as an admirable work of reference.

ENTIRELY REVISED AND MUCH EXTENDED (748 pages, Demy 8vo.),

THE  
SECOND EDITION OF

## ALBUM OF WEEDS.

BY THE  
REV. R. B. EARÉE.

THIS Work, an absolute necessity to the careful Philatelist who is naturally anxious to ensure the absence of forgeries from his collection, the Publishers are pleased to announce a reproduction of. As a work of reference, in this particular respect, it stands entirely unrivalled, being compiled by one who has acquired a world-wide repute, and whose notoriety has for many years been the description of forgeries.

An immense amount of labour has been bestowed on this New Edition, so as to still further increase its usefulness. Every endeavour has been made by the Author, in the description of new and dangerous forgeries, &c., so as to bring the work fully up to date. Amongst the numerous additions may be noted an elaborate description of technical terms met with in the course of collecting. This section will be found especially useful for the guidance of the novice or younger collector. The illustrations have been considerably augmented, and a large and most interesting series of postmarks, specially drawn, together with an index for reference, will be found included. Altogether the Publishers have no hesitation in recommending this publication as a most valuable adjunct to a Philatelic Library, and useful alike to Collector or Dealer.

Trade price, bound in embossed gilt cloth, 7/10; post-free, 8/4; abroad, 8/8.

NOW READY.—THE SECOND EDITION OF

## THE DUPLICATE POSTAGE STAMP ALBUM.

GREATLY ENLARGED AND IMPROVED.

A NEW EDITION of this Album is published in response to numerous enquiries received from Collectors at home and abroad. It is designed as a convenient means of keeping Duplicate or superfluous Stamps arranged for handy reference, more especially for exchange purposes. This improved edition is so arranged as to be suitable for either the general collector or the specialist. The arrangement of the book is that of a series of Pockets numbered for reference, and securely attached to the leaves, on one side only. The Pockets are so made, that whilst on the one hand they can be quickly opened out flat, and their contents at once seen, there is less liability of any Stamps being lost than if they were in ordinary envelopes. By means of the Index, immediate access to any particular Stamp is at once ensured. The Publishers can strongly recommend this Album as an easy method of keeping duplicates classified, saving both time and trouble, and ready at hand at once when wanted. Size 6½ x 9 in.

No. 12.—Stoutly bound in cloth, gilt lettered, with 72 pockets, price 4/3; post-free, 4/9.

No. 13.—Handsomely bound, with two extra large pockets to contain Cards or Envelopes, and 144 pockets for Stamps, price 7/6; post-free, 8/-.

N.B.—Above prices are post-free to the whole of Europe, Canada, and United States.

THE NINTH EDITION OF

## STANLEY GIBBONS' PRICE CATALOGUE OF POSTAGE STAMPS FOR 1893-1894,

ENTIRELY REVISED AND GREATLY AUGMENTED,

Together with AN APPENDIX to the above, consisting of nearly 3,500 ILLUSTRATIONS, with Reference Numbers attached, corresponding with the Catalogue.

STANLEY GIBBONS, Limited, have pleasure in announcing the publication of the NINTH EDITION of their Catalogue and Appendix. Every effort has been made to ensure correctness in all details, so as to, if possible, still further increase the reliability and usefulness of this Standard work.

The additions and alterations are considerable, prominent among which may be named—

An entire Revision of the prices, based on a careful comparison with our stock. It is estimated that over 3,000 Stamps have been reduced in price. S. G., Limited, wishing to give their clients the benefit of the numerous bargains they have been able to secure since the last Catalogue was issued. The entire Catalogue has been revised and (in the case of many countries) re-written, under the able Editorship of Major E. B. EVANS, aided by numerous Specialists—such as Mr. GILBERT LOCKYER (Japan, Australia, &c.), Mr. E. J. NANKIVILL (Transvaal), &c., &c. The whole of the numerous New Issues that have appeared since the last Edition will be found fully catalogued. A very large number of Stamps, especially obsolete issues, that have hitherto had no value attached, will in this New Edition be found quoted at the lowest possible price. The Illustrations in the Appendix have been largely augmented. As in the last Edition, for the convenience of many collectors copies can be obtained interleaved with paper faintly ruled. The utility of this, for making Notes, etc., has been amply demonstrated by the demand from Philatelists for these specially-bound Catalogues.

HIGHEST POSSIBLE AWARDS.—Paris, 1892; Chicago, 1893. STANLEY GIBBONS, Limited, have only on TWO occasions publicly Exhibited their Albums and Stamps, and have in both instances secured Highest Awards and Diplomas.

THE popularity of this standard work unquestionably increases with each issue. Eighteen months only have elapsed since the Sixth Edition was produced, and the universally favourable reception accorded to it, coupled with its greatly increased demand, necessitates the publication of a *New and Seventh Edition*, which STANLEY GIBBONS, LTD., have now much pleasure in announcing. It has been the aim of the Publishers in this present Edition to introduce every improvement possible, so as to be thoroughly in accord with recent researches and ideas. Great care has been taken to retain all the leading features which have been so generally appreciated, and have rendered this work undoubtedly the most successful and popular of the kind ever published.

The *New Imperial Album* includes the already published Supplement, and is, as before, edited by that celebrated and most careful Philatelist Major E. B. EVANS. Conspicuous amongst its many improvements may be named the addition of a large number of Illustrations of Watermarks, which will be found of great assistance to the Philatelist in that very often embarrassing branch of the science. A new feature consists of the introduction of short notes, concisely giving information as to the situation, government, area, population, and other interesting particulars that may be found useful for reference. Many other improvements will be found embodied in this Work which it is impossible to enumerate here; in fact it has been the Publishers' endeavour, successful as have been former Editions, to render this one even more deserving the support of the Philatelic public. The vast number of recent New Issues have of course considerably added to the bulk of this work, but notwithstanding the increase in the number of pages no alteration has been made in the prices.

TRADE PRICES.

At the request of many clients we have prepared a New Cheap Mount, made from a thicker paper; and a gum being used that permits the Mount to be removed from a book or sheet without damage to the paper, or tearing the Mount, which can thus be used several times over—thus being exceptionally useful for exchange clubs, or for use in dealers' stock books, &c.

The Mounts are put up in neat glazed card boxes, 1000 of a size in a box, and are sold in sets of three sizes, viz.:

Three Boxes and 3000 Mounts for 1/9; or, post-free, 1/11 per set; 5/- for 9000, 42/- for 100,000, carriage extra.

## STOCK OR DUPLICATE ALBUMS.

TANLEY GIBBONS, LIMITED, in introducing these Books to the notice of the Philatelic public, believe they will be found to be a vast improvement on works of a similar class already published.

The small size is intended for pocket use—being memo. size, with an elastic band. The larger size (10½ by 8½ inches)—opening oblong shape—contains 40 leaves, each leaf having seven horizontal slits, running almost the entire length of the page.

They are arranged for the safe retention of superfluous or duplicate stamps, in either small or large numbers.

Both Dealers and Collectors will find these Albums pre-eminently adapted for their use; and they contain no printing of any kind—an advantage that will especially commend itself to the trade.

## STAMPS AND STAMP COLLECTING.

By MAJOR E. B. EVANS.

THIS Work is intended to fill a void which has hitherto existed in the Philatelist's Library. It will be found invaluable as a most useful and indeed a standard book to refer to in all cases of doubt or obscurity appertaining to Postage Stamps and their surroundings. The Collector is not infrequently perplexed by the various terms employed, and the fullest explanations are here given of such. Much interesting information is also included as to the various classes of and the manufacture of the paper employed in the typography, the embossing, the perforating or rouletting, together with many instructive and interesting details connected with the fascinating science of Stamp collecting.

TRADE PRICE.—1/4, post-free 1/7; or in gilt cloth cover, 2 8, post-free 2 11.

NEWEST PUBLICATIONS. 

# THE 1899 CATALOGUES.

**T**HE EDITION will be in FOUR PARTS, each forming a separate Volume. These Volumes will be arranged and published in the same order as the corresponding volumes of the IMPERIAL ALBUM, although it must be understood that the numbers in the Catalogue do not, in most cases, correspond with those in the Album.

**PART I. (NOW READY.)**

## Stamps of the British Empire.

Price 16/- per dozen, post-free.

In preparation. Will be ready about MARCH, 1899.

**PART II.**

## Stamps of Foreign Countries.

Price 16/- per dozen, post-free.

Will consist of the Adhesive Stamps of all countries other than the British Empire, but without any Local Stamps.

*NOW IN THE PRESS. Prepaid Orders Booked, and Orders executed in rotation as received.*

This Part will be ready about APRIL, 1899.

**PART III.**

## The Local Postage Stamps of the World.

Price 8/- per dozen, post-free.

This Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

This Part will be ready about APRIL, 1899.

**PART IV.**

## Envelopes and Post Cards.

Price 8/- per dozen, post-free.

This Part will be similar to PART III. of last Edition, and will, as far as possible, show correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

We have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

 **PREPAID ORDERS** can now be received for any or all of the four volumes. It will only be necessary to state which Parts are required when ordering, and to remit for these. Only Prepaid Orders will be booked.

Just Published.—The SIXTH EDITION of the

Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

**T**HE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST EDITION had nearly 20 extra pages added, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c., have been added. At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth. The Album contains a pocket to hold duplicate Stamps, and FIFTY STAMPS WILL BE PRESENTED GRATIS with each Album. There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

STANLEY GIBBONS, Limited, Stamp Importers, 391, STRAND, LONDON, W.C.

# Wholesale Price List for Dealers only.

**JUST PUBLISHED.—THE THIRD EDITION OF**

**A MARVELLOUSLY CHEAP ALBUM,**

ENTITLED

# The Strand Postage Stamp Album.

**WELL ARRANGED, RELIABLE, AND THOROUGHLY CORRECT.**

Nos. 15 and 16 include a Series of SIX MAPS, specially engraved for this Publication, and beautifully printed in Colours.

No. 14, 296 pages. Spaces for 8,000 Stamps.

Nos. 15 and 16, 392 pages. Spaces for 11,000 Stamps.

The book, which is printed on an unusually good quality paper, is bound in a new and specially designed cover. The shape is nearly square, and the size a new and convenient one, 9½ in. by 7½ inches. Sufficient guards have been inserted, so that when the Album is full the covers shall be level with each other, and not bulged, as is often the case in imperfectly constructed books.

Concise Geographical and other particulars, with Illustrations, are given at the head of each country, the pages being divided into rectangles, as is usual, with this most important innovation, that they vary in size so as to conveniently accommodate the Stamps desired to be placed in position. This is an advantageous improvement that will commend itself to every Collector. Post Cards are not provided, as all Philatelists of experience know it is best to collect them separately.

A new and very important departure has been made in Nos. 15 and 16, in including for the first time in any of our Stamp Albums a series of Six specially drawn Maps, printed in colours, and giving the names of all Stamp-issuing Countries. They are of course fully brought up to date, and are not needlessly encumbered with unnecessary names, so as to increase their usefulness for easy and instant reference.

Each Album now has four full-page Illustrations of the Watermarks found on all Stamps.

The paper employed is slightly toned, and is of a very superior, thick, heavy quality. The Album can be obtained either bound in two volumes or loose in sheets.

## NEW CHEAP MOUNTS.

TRADE PRICES.

At the request of many clients we have prepared a New Cheap Mount, made from a thicker paper; and a gum being used that permits the Mount to be removed from a book or sheet without damage to the paper, or tearing the Mount, which can thus be used several times over—thus being exceptionally useful for exchange clubs, or for use in dealers' stock books, &c.

The Mounts are put up in neat glazed card boxes, 1000 of a size in a box, and are sold in sets of three sizes, viz.:

Three Boxes and 3000 Mounts for 1/9; or, post-free, 1/11 per set; 5/- for 9000, 42/- for 100,000, carriage extra.

## STOCK OR DUPLICATE ALBUMS.

STANLEY GIBBONS, LIMITED, in introducing these Books to the notice of the Philatelic public, believe they will be found to be a vast improvement on works of a similar class already published.

The small size is intended for pocket use—being memo. size, with an elastic band. The larger size (10½ by 8½ inches)—opening oblong shape—contains 60 leaves, each leaf having seven horizontal slits, running almost the entire length of the page.

They are arranged for the safe retention of superfluous or duplicate stamps, in either small or large numbers.

Both Dealers and Collectors will find these Albums pre-eminently adapted for their use; and they contain no printing of any kind—an advantage that will especially commend itself to the trade.

# STAMPS AND STAMP COLLECTING.

By MAJOR E. B. EVANS.

THIS Work is intended to fill a void which has hitherto existed in the Philatelist's Library. It will be found invaluable as a most useful and indeed a standard book to refer to in all cases of doubt or obscurity appertaining to Postage Stamps and their surroundings. The Collector is not infrequently perplexed by the various terms employed, and the fullest explanations are here given of such. Much interesting information is also included as to the various classes of and the manufacture of the paper employed, the typography, the embossing, the perforating or rouletting, together with many instructive and interesting details connected with the fascinating science of Stamp collecting.

TRADE PRICE.—1/4, post-free 1/7; or in gilt cloth cover, 2 8, post-free 2 11.

**NEWEST PUBLICATIONS.** 

# THE 1899 CATALOGUES.

**T**HE EDITION will be in FOUR PARTS, each forming a separate Volume. These Volumes will be arranged and published in the same order as the corresponding volumes of the IMPERIAL ALBUM, although it must be understood that the numbers in the Catalogue do not, in most cases, correspond with those in the Album.

**PART I. (NOW READY.)**

## Stamps of the British Empire.

Price 16/- per dozen, post-free.

**PART II. (NOW READY.)**

## Stamps of Foreign Countries.

Price 16/- per dozen, post-free.

Consists of the Adhesive Stamps of all countries other than the British Empire, *but without any Local Stamps.*

*NOW IN THE PRESS. Prepaid Orders Booked, and Orders executed in rotation as received.*

This Part will be ready about MAY, 1899.

**PART III.**

## The Local Postage Stamps of the World.

Price 8/- per dozen, post-free.

THIS Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds, and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

This Part will be ready about JUNE, 1899.

**PART IV.**

## Envelopes and Post Cards.

Price 8/- per dozen, post-free.

This Part will be similar to PART III. of last Edition, and will, as far as possible, show correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete Illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

WE have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

 **PREPAID ORDERS** can now be received for any or all of the four volumes. It will only be necessary to state which Parts are required when ordering, and to remit for these. Only Prepaid Orders will be booked.

Just Published.—The **SIXTH EDITION** of the **IMPROVED POSTAGE STAMP ALBUM No. 0.** Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

**T**HE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST Edition had nearly 20 *extra pages added*, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c., have been added. At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth. The Album contains a pocket to hold duplicate Stamps, and **FIFTY STAMPS WILL BE PRESENTED GRATIS** with each Album. There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

STANLEY GIBBONS, Limited, Stamp Importers, 391, STRAND, LONDON, W.C.

Wholesale Price List for Dealers only.

JUST PUBLISHED.—THE THIRD EDITION OF

A MARVELLOUSLY CHEAP ALBUM,

ENTITLED

The Strand Postage Stamp Album.

WELL ARRANGED, RELIABLE, AND THOROUGHLY CORRECT.

Nos. 15 and 16 include a Series of SIX MAPS, specially engraved for this Publication, and beautifully printed in Colours.

No. 14, 296 pages. Spaces for 8,000 Stamps.

Nos. 15 and 16, 392 pages. Spaces for 11,000 Stamps.

The book, which is printed on an unusually good quality paper, is bound in a new and specially designed cover. The shape is nearly square, and the size a new and convenient one, 9½ in. by 7½ inches. Sufficient guards have been inserted, so that when the Album is full the covers shall be level with each other, and not bulged, as is often the case in imperfectly constructed books.

Concise Geographical and other particulars, with Illustrations, are given at the head of each country, the pages being divided into rectangles, as is usual, with this most important innovation, that they vary in size so as to conveniently accommodate the Stamps desired to be placed in position. This is an advantageous improvement that will commend itself to every Collector. Post Cards are not provided for, as all Philatelists of experience know it is best to collect them separately.

A new and very important departure has been made in Nos. 15 and 16, in including for the first time in any of our Stamp Albums a series of Six specially drawn Maps, printed in colours, and giving the names of all Stamp-issuing Countries. They are of course fully brought up to date, and are not needlessly encumbered with unnecessary names, so as to increase their usefulness for easy and instant reference.

Each Album now has four full-page Illustrations of the Watermarks found on all Stamps.

## NEW CHEAP MOUNTS.

TRADE PRICES.

At the request of many clients we have prepared a New Cheap Mount, made from a thicker paper; and a gum being used that permits the Mount to be removed from a book or sheet without damage to the paper, or tearing the Mount, which can thus be used several times over—thus being especially useful for exchange clubs, or for use in dealers' stock books, &c.

The Mounts are put up in neat glazed card boxes, 1000 of a size in a box, and are sold in sets of three sizes, viz.: Three Boxes and 3000 Mounts for 1/0; or, post-free, 1/11 per set; 5/- for 9000, 42/- for 100,000, carriage extra.

## COMMON STAMPS WANTED

In Exchange for Stamps from our Trade List or Rare Stamps from our Catalogues.

Due to the enormous demand we have had during the past year or two for our cheap packets and sets, we find that we are short of many varieties of the commonest stamps in a used condition, and we shall be glad to receive offers from those having stamps to dispose of in quantities of less than 400 or more than 5000 of any one kind.

In submitting offers, the following plan must be adopted:—A sample stamp of each variety must be mounted on a sheet and the price quoted per 100 or per 1000, and the number that can be supplied written under each sample.

All stamps must be floated from paper and supplied in bundles or envelopes containing 100 or 500 each. No damaged or heavily obliterated stamps can be accepted.

No offers can be made; all prices must be quoted with the samples.

# THE 1899 CATALOGUES.

**PART I. (NOW READY.)**

## Stamps of the British Empire.

Price 16/- per dozen, post-free.

**PART II. (NOW READY.)**

## Stamps of Foreign Countries.

Price 16/- per dozen, post-free.

Consists of the Adhesive Stamps of all countries other than the British Empire, *but without any Local Stamps.*

**PART III. (NOW READY.)**

## The Local Postage Stamps of the World.

Price 8/- per dozen, post-free.

This Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

This Part will be ready about DEC. 10th, 1899.

**PART IV.**

## Envelopes and Post Cards.

Price 8/- per dozen, post-free.

This Part will be similar to PART III. of last Edition, and will, as far as possible, show correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete Illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

We have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

Just Published.—The SIXTH EDITION of the

Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

THE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST EDITION had nearly 20 *extra pages added*, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c., have been added.

At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth.

The Album contains a pocket to hold duplicate Stamps, and FIFTY STAMPS WILL BE PRESENTED GRATIS with each Album.

There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

## NEW PUBLICATIONS.

# THE STAMP KING.

A PHILATELIC NOVEL.

Messrs. BEAUREGARD AND GORSSE.

Translated from the French by Miss EDITH C. PHILLIPS.

The story commences at the New York Philatelic Club, and traces out in a most amusing manner the struggles of the two leading members to secure the rarest stamp in the world. The chase leads these collectors to London, Paris, and Naples, and ends, after many curious adventures, in New York.

The Daily News (London, Sept. 23rd, 1899) says: "A delightful addition to modern books of adventure. . . . Incidentally, there is a marvellous exposition of the inner affairs and methods of the stamp collecting world; but the main interest of the book, to our mind, is its remarkable story, and it will be read with pleasure by many who care nothing whatever about the philatelic mania. . . . It would be spoiling a very good thing to spoil the rest of the story of the adventures of these two . . . and we shall be much mistaken if this book, in popular form, does not meet with general favour."

The Spectator (London, Sept. 23rd, 1899) says: "A most diverting extravaganza, rather in the style of Jules Verne. . . . The apology of the author for the lack of verisimilitude in the last scene is entirely unnecessary, otherwise she has done her work with credit, while M. Veilliein's splendid illustrations heighten the attractions of a most entertaining and ingenious story."

The People (London, Sept. 24th, 1899).—"A novel that will certainly interest the ordinary reader and doubly interest the philatelist. It is handsomely illustrated, and with a class of illustration that puts to shame much of the rubbish that we find in English novels."

Half bound in Art Buckram, cloth sides, gilt lettering, plain edges, 260 pages, 80 fine illustrations.

Trade Price 4/-; post-free, 4/4; abroad, 4/8.

## STOCK ALBUMS.

STANLEY GIBBONS, LTD., in introducing these Books to the notice of the Philatelic public, believe they will be found to be a vast improvement on works of a similar class already published. The small size is intended for pocket use—being memo. size, with an elastic band. The larger size (10½ x 8½ inches)—opening oblong shape—contains 60 leaves, each leaf having seven horizontal slits, running

almost the entire length of the page. They are arranged for the safe retention of superfluous or duplicate stamps, in either small or large numbers. Both Dealers and Collectors will find these Albums pre-eminently adapted for their use; and they contain no printing of any kind—an advantage that will especially commend itself to the trade.

### PRICES.

No. 13.—Pocket size, bound in cloth, with elastic band, 1/-.

No. 14.—Strongly bound, leather back and corners, well guarded, 8/-.

## COMMON STAMPS WANTED

In Exchange for Stamps from our Trade List or Rare Stamps from our Catalogues.

OWING to the enormous demand we have had during the past year or two for our cheap packets and sets, we find that we are short of many varieties of the commonest stamps in a used condition, and we shall be glad to receive offers from those having stamps to dispose of in quantities of not less than 400 or more than 5000 of any one kind.

In submitting offers, the following plan must be adopted:—A sample stamp of each variety must be mounted on a sheet and the price quoted above it, per 100 or per 1000, and the number that can be supplied written under each sample.

All stamps must be floated from paper and supplied in bundles or envelopes containing 100 or 500 each. No damaged or heavily obliterated copies can be accepted.

No offers can be made; all prices must be quoted with the samples.

NEWEST PUBLICATIONS. 

# THE 1900-1 CATALOGUES.

PART I. (NOW READY.)

## Stamps of the British Empire.

Price 16/- per dozen, post-free.

PART II. (NOW READY.)

## Stamps of Foreign Countries.

Price 16/- per dozen, post-free.

Consists of the Adhesive Stamps of all countries other than the British Empire, *but without any Local Stamps.*

## The Local Postage Stamps of the World.

Price 8/- per dozen, post-free.

THIS Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds, and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

## Envelopes and Post Cards.

Price 8/- per dozen, post-free.

This Part is similar to Part III. of last Edition, and gives correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete Illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

We have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

Just Published.—The SEVENTH EDITION of the

Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

THE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST EDITION had nearly 20 *extra pages added*, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c., have been added.

At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth.

The Album contains a pocket to hold duplicate Stamps, and FIFTY STAMPS WILL BE PRESENTED GRATIS with each Album.

There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

## NEW PUBLICATIONS.

# THE STAMP KING.

A PHILATELIC NOVEL.

Messrs. BEAUREGARD and GORSSE. Translated from the French by Miss EDITH C. PHILLIPS.

The story commences at the New York Philatelic Club, and traces out in a most amusing manner the struggles of the two leading members to secure the rarest stamp in the world. The chase leads these collectors to London, Paris, and Naples, and ends, after many curious adventures, in New York.

The Daily News (London, Sept. 23rd, 1899) says: "A delightful addition to modern books of adventure. . . . Incidentally, there is a marvellous revelation of the inner affairs and methods of the stamp collecting world; but the main interest of the book, to our mind, is its remarkable story, and it can and will be read with pleasure by many who care nothing whatever about the philatelic mania. . . . It would be spoiling a very good thing to tell the rest of the story of the adventures of these two . . . and we shall be much mistaken if this book, in popular form, does not meet with phenomenal favour."

The Spectator (London, Sept. 23rd, 1899) says: "A most diverting extravaganza, rather in the style of Jules Verne. . . . The apology of the collector for the lack of verisimilitude in the last scene is entirely unnecessary, otherwise she has done her work with credit, while M. Veilliemin's detailed illustrations heighten the attractions of a most entertaining and ingenious story."

The People (London, Sept. 24th, 1899).—"A novel that will certainly interest the ordinary reader and doubly interest the philatelist. It is carefully illustrated, and with a class of illustration that puts to shame much of the rubbish that we find in English novels."

Half bound in Art Buckram, cloth sides, gilt lettering, plain edges, 260 pages, 80 fine illustrations.

Trade Price 4/-; post-free, 4/4; abroad, 4/8.

## STOCK ALBUMS.

STANLEY GIBBONS, LTD., in introducing these Books to the notice of the Philatelic public, believe they will be found to be a vast improvement on works of a similar class already published. The small size is intended for pocket use—being memo. size, with an elastic band. The larger size (10½ × 8½ inches)—opening oblong shape—contains 60 leaves, each leaf having seven horizontal slits, running

almost the entire length of the page. They are arranged for the safe retention of superfluous or duplicate stamps, in either small or large numbers. Both Dealers and Collectors will find these Albums pre-eminently adapted for their use; and they contain no printing of any kind—an advantage that will especially commend itself to the trade.

### PRICES.

No. 13.—Pocket size, bound in cloth, with elastic band, 1/-.

No. 14.—Strongly bound, leather back and corners, well guarded, 8/-.

## COMMON STAMPS WANTED

In Exchange for Stamps from our Trade List or Rare Stamps from our Catalogues.

OWING to the enormous demand we have had during the past year or two for our cheap packets and sets, we find that we are short of many varieties of the commonest stamps in a used condition, and we shall be glad to receive offers from those having stamps to dispose of in quantities of not less than 400 or more than 5,000 of any one kind.

In submitting offers, the following plan must be adopted:—A sample stamp of each variety must be mounted on a sheet and the price quoted above it, per 100 or per 1,000, and the number that can be supplied written under each sample.

All stamps must be floated from paper and supplied in bundles or envelopes containing 100 or 500 each. No damaged or heavily obliterated copies can be accepted.

No offers can be made; all prices must be quoted with the samples.

NEWEST PUBLICATIONS. 

# THE 1900-1 CATALOGUES.

PART I. (NOW READY.)

## Stamps of the British Empire.

Price 16/- per dozen, post-free.

PART II. (NOW READY.)

## Stamps of Foreign Countries.

Price 16/- per dozen, post-free.

Consists of the Adhesive Stamps of all countries other than the British Empire, *but without any Local Stamps.*

## The Local Postage Stamps of the World.

Price 8/- per dozen, post-free.

THIS Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds, and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

## Envelopes and Post Cards.

Price 8/- per dozen, post-free.

This Part is similar to Part III. of last Edition, and gives correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete Illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

WE have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

Just Published.—The SEVENTH EDITION of the

Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

THE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST EDITION had nearly 20 extra pages added, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c, have been added.

At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth.

The Album contains a pocket to hold duplicate Stamps, and FIFTY STAMPS WILL BE PRESENTED GRATIS with each Album.

There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

## NEW PUBLICATIONS.

# THE STAMP KING.

A PHILATELIC NOVEL.

Messrs. BEAUREGARD and GORSSE. Translated from the French by Miss EDITH C. PHILLIPS.

The story commences at the New York Philatelic Club, and traces out in a most amusing manner the struggles of the two leading members to secure the rarest stamp in the world. The chase leads these collectors to London, Paris, and Naples, and ends, after many curious adventures, in New York.

The Daily News (London, Sept. 23rd, 1899) says: "A delightful addition to modern books of adventure. . . . Incidentally, there is a marvellous revelation of the inner affairs and methods of the stamp collecting world; but the main interest of the book, to our mind, is its remarkable story, and it will be read with pleasure by many who care nothing whatever about the philatelic mania. . . . It would be spoiling a very good thing to give the rest of the story of the adventures of these two . . . and we shall be much mistaken if this book, in popular form, does not meet with general favour."

The Spectator (London, Sept. 23rd, 1899) says: "A most diverting extravaganza, rather in the style of Jules Verne. . . . The apology of the author for the lack of verisimilitude in the last scene is entirely unnecessary, otherwise she has done her work with credit, while M. Veillie-min's illustrations heighten the attractions of a most entertaining and ingenious story."

The People (London, Sept. 21th, 1899).—"A novel that will certainly interest the ordinary reader and doubly interest the philatelist. It is handsomely illustrated, and with a class of illustration that puts to shame much of the rubbish that we find in English novels."

Half bound in Art Buckram, cloth sides, gilt lettering, plain edges, 260 pages, 80 fine illustrations.

Trade Price 4/-; post-free, 4/4; abroad, 4/8.

## STOCK ALBUMS.

STANLEY GIBBONS, Ltd., in introducing these Books to the notice of the Philatelic public, believe they will be found to be a vast improvement on works of a similar class already published. The small size is intended for pocket use—being menu-size, with an elastic band. The larger size (10½ × 8½ inches)—opening oblong shape—contains 60 leaves, each leaf having seven horizontal slits, running

almost the entire length of the page. They are arranged for the safe retention of superfluous or duplicate stamps in either small or large numbers. Both Dealers and Collectors will find these Albums pre-eminently adapted for their use; and they contain no printing of any kind—an advantage that will especially commend itself to the trade.

### PRICES.

- No. 13.—Pocket size, bound in cloth, with elastic band, 1/-.  
 No. 14.—Strongly bound, leather back and corners, well guarded, 8/-.

## COMMON STAMPS WANTED

In Exchange for Stamps from our Trade List or Rare Stamps from our Catalogues.

OWING to the enormous demand we have had during the past year or two for our cheap packets and sets, we find that we are short of many varieties of the commonest stamps in a used condition, and we shall be glad to receive offers from those having stamps to dispose of in quantities of not less than 400 or more than 5,000 of any one kind.

In submitting offers, the following plan must be adopted:—A sample stamp of each variety must be mounted on a sheet and the price quoted above it, per 100 or per 1,000, and the number that can be supplied written under each sample.

All stamps must be floated from paper and supplied in bundles or envelopes containing 100 or 500 each. No damaged or heavily obliterated copies can be accepted.

No offers can be made; all prices must be quoted with the samples.

NEWEST PUBLICATIONS. 

# THE 1902 CATALOGUES.

PART I. (NOW READY.)

## Stamps of the British Empire.

Price 16/- per dozen, postage extra.

PART II. (READY IN DECEMBER.)

## Stamps of Foreign Countries.

Price 16/- per dozen, postage extra.

Consists of the Adhesive Stamps of all countries other than the British Empire, *but without any Local Stamps.*

## The Local Postage Stamps of the World.

Price 8/- per dozen, postage extra.

This Part is a distinctly "new departure," but we venture to think that, owing to the great demand we have for Local Stamps of all kinds, and to the publication of special albums for their collection, the issue of this Catalogue will be fully justified.

Further, the Collector of Government Postage Stamps will no longer find PARTS I. and II. of the Catalogue burdened with over 100 pages of Stamps in which he takes no interest.

## Envelopes and Post Cards.

Price 8/- per dozen, postage extra.

This Part is similar to Part III. of last Edition, and gives correct prices for Envelopes and Wrappers, used and unused, both entire and cut , and for Post Cards, both used and unused.

A prominent improvement throughout this Edition of the Catalogue is the insertion of copious notes on "Reprints" by Mr. E. D. Bacon.

A special feature in PART I. is the full and complete illustration of the Stamps of Great Britain, which, under the new regulations, we are now able to use for the first time for many years.

 The important feature of the PRICES has received our most careful attention, and we fully believe that the present Catalogue reflects the current Market Values as we go to press.

We have an enormous Stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis throughout than has formerly been the case.

Just Published.—The SEVENTH EDITION of the

Price, bound in handsome gilt cloth, 8/- per dozen, carriage extra.

## IMPROVED POSTAGE STAMP ALBUM No. 0.

Fifty-fifth Thousand. The best and largest Shilling Album ever issued. 176 large pages. Spaces for 4700 Stamps. 48 extra pages added in this Edition without extra charge. Selling at the rate of over 1000 copies a month.

THE demand for this Album has simply been phenomenal, and it gives universal satisfaction—not a single complaint has been received. The LAST EDITION had nearly 20 *extra pages added*, and now another 48 pages have been added, and all the Geographical and Historical Notes brought up fully to date.

All the newest Stamp-issuing Countries, such as Ichang, Las Bela, Tientsin, Bundi, Dhar, &c. &c., have been added.

At the top of each page there is the name of the country, and a mass of valuable information, including date when Stamps were issued, population, area, reigning sovereign, capital, &c.

Spaces of proper sizes are provided for all Stamps, and the book is bound in a superior manner in gilt cloth.

The Album contains a pocket to hold duplicate Stamps, and FIFTY STAMPS WILL BE PRESENTED GRATIS with each Album.

There is also an Illustrated Frontispiece of the Rarest Stamps, with prices attached that we pay for each.

## NEW PUBLICATIONS.

# THE STAMP KING.

A PHILATELIC NOVEL.

Messrs. BEAUREGARD and GORSSE. Translated from the French by Miss EDITH C. PHILLIPS.

The story commences at the New York Philatelic Club, and traces out in a most amusing manner the struggles of the two leading members to secure the rarest stamp in the world. The chase leads these collectors to London, Paris, and Naples, and ends, after many curious adventures, in New York.

The Daily News (London, Sept. 23rd, 1899) says: "A delightful addition to modern books of adventure. . . . Incidentally, there is a marvellous revelation of the inner affairs and methods of the stamp collecting world; but the main interest of the book, to our mind, is its remarkable story, and it will be read with pleasure by many who care nothing whatever about the philatelic mania. . . . It would be spoiling a very good thing to tell the rest of the story of the adventures of these two . . . and we shall be much mistaken if this book, in popular form, does not meet with general favour."

The Spectator (London, Sept. 23rd, 1899) says: "A most diverting extravaganza, rather in the style of Jules Verne. . . . The apology of the author for the lack of verisimilitude in the last scene is entirely unnecessary, otherwise she has done her work with credit, while M. Veilliemin's general illustrations heighten the attractions of a most entertaining and ingenious story."

The People (London, Sept. 24th, 1899).—"A novel that will certainly interest the ordinary reader and doubly interest the philatelist. It is excellently illustrated, and with a class of illustration that puts to shame much of the rubbish that we find in English novels."

Half bound in Art Buckram, cloth sides, gilt lettering, plain edges, 260 pages, 80 fine illustrations.

Trade Price 4/-; post-free, 4/4; abroad, 4/8.

# STANLEY GIBBONS' NEW STAMP CATALOGUE.

5,000 NEW AND ENLARGED ILLUSTRATIONS.

NEW EDITION.] POCKET SIZE, IN TWO VOLUMES. [1903.

VOL. I. contains all

## ADHESIVE STAMPS OF GREAT BRITAIN AND THE BRITISH COLONIES.

Wholesale Price 16/- per dozen, postage extra.

The countries which have received particular attention are Grenada, St. Vincent, South Australia, Tasmania, and Zanzibar, which have been entirely rewritten; while the Indian Native States have been revised thoroughly, and some of them, such as Bundi, Jammu, Kashmir, and Kishengarh, have been rewritten.

Advanced Collectors, who are interested in the various perforations effected by Messrs. Perkins Bacon and Co., will find that the lists of Grenada, Queensland, St. Helena, St. Vincent, and Western Australia have been divided in accordance with the information supplied in the Handbook Grenada.

The two Countries of Stellaland and New South African Republic are placed in Part I., as these territories now form part of the British Dominions in South Africa.

VOL. II. contains the

## POSTAGE STAMPS OF THE REST OF THE WORLD.

Wholesale Price 16/- per dozen, postage extra.

In Part II. Chili and Greece have been entirely rewritten, and many countries revised and corrected to date.

The important feature of the Prices has received our most careful attention, and we fully believe that the present Catalogue reflects the current market values as we go to press. We have an enormous stock, from the rarest to the commonest varieties, and we have been enabled to make a vast number of reductions in prices, more especially in the used stamps. The current and more recent issues have also been priced, in this New Catalogue, on a lower basis than has formerly been the case.

*The prices are those at which we can actually supply the Stamps at the moment of going to press, and are strictly net in all cases.*

TENTH EDITION  
(1903).

# IMPERIAL ALBUM.

TENTH EDITION  
(1903).

SIZE OF PAGES,  $8\frac{3}{4} \times 11\frac{1}{2}$  INCHES.

\* \* \* \* \*

The present edition is arranged in *three* volumes. Two causes have acted to bring about this result. First, the ever-increasing number of new issues, for which accommodation must be provided; and secondly, the demand by collectors that space shall be found for varieties of perforation and shade, errors, etc., to conform as closely as possible to the lists given in the Publishers' Catalogue.

## Vol. I. THE STAMPS OF THE BRITISH EMPIRE

remains as before, with the latest additions and corrections.

After careful consideration of the best method of dividing the stamps of Foreign Countries, it was thought that the following arrangement would meet with wider approval than any other which could be suggested.

## Vol. II. THE STAMPS OF EUROPE, AND THE COLONIES AND POSSESSIONS OF EUROPEAN STATES.

## Vol. III. FOREIGN COUNTRIES, except Europe and Possessions.

This division has the advantage of suitability for the collector who collects any particular country with its colonies, as well as the practical advantage of making three volumes of very nearly equal bulk.

## STAMP COLLECTING AS A PASTIME.

By E. J. NANKIVELL.

Many people are at a loss to understand the fascination that surrounds the pursuit of stamp collecting. They are surprised at the clannishness of stamp collectors and their lifelong devotion to their hobby. They are thunderstruck at the enormous prices paid for rare stamps, and at the fortunes that are spent and made in stamp collecting.

This book will afford a peep behind the scenes, and explain how it is that, after nearly half a century of existence, stamp collecting has never been more popular than it is to-day.

And perchance many a tired worker in search of a hobby may be persuaded that of all the relaxations that are open to him none is more attractive or more satisfying than stamp collecting.

### CONTENTS.

## THE LATEST STANLEY GIBBONS PHILATELIC HANDBOOK IS

### “GRENADA.”

No. 7.

By E. D. BACON and F. H. NAPIER.

This Work is the most important and interesting one that we have published up to date, as it comprises not only an exhaustive history of the stamps of Grenada, with their many intricate and minor varieties, but gives also a full and reliable history and list of all the stamps that have been perforated by Messrs. Perkins Bacon and Co., clearing up many points that have hitherto been in dispute amongst Philatelists.

The Handbook is illustrated with nine full-size autotype plates, viz.:—Two plates of the “A” and “B” perforating machine, two plates of “perforations,” three plates of the “Star” watermarked papers, and two plates of Grenada stamps; also a large number of illustrations throughout the text.

Price 5/- in strong Paper Cover, or 6/4 bound in Cloth; post-free, 5d. extra.

TENTH EDITION. **IMPERIAL ALBUM.** TENTH EDITION.

SIZE OF PAGES,  $8\frac{3}{4} \times 11\frac{1}{2}$  INCHES.

\* \* \* \* \*

The present edition is arranged in *three* volumes. Two causes have acted to bring about this result. First, the ever-increasing number of new issues, for which accommodation must be provided; and secondly, the demand by Collectors that space shall be found for varieties of perforation and shade, errors, etc., to conform as closely as possible to the lists given in the Publishers' Catalogue.

**Vol. I. THE STAMPS OF THE BRITISH EMPIRE**

remains as before, with the latest additions and corrections.

After careful consideration of the best method of dividing the stamps of Foreign Countries, it was thought that the following arrangement would meet with wider approval than any other which could be suggested.

**Vol. II. THE STAMPS OF EUROPE, AND THE COLONIES AND POSSESSIONS OF EUROPEAN STATES.**

**Vol. III. FOREIGN COUNTRIES, except Europe and Possessions.**

This division has the advantage of suitability for the Collector who collects any particular country with its colonies, as well as the practical advantage of making three volumes of very nearly equal bulk.

**GREAT BRITAIN AND COLONIES.**

526 PAGES. ABOUT 1800 ILLUSTRATIONS.

New issues appearing after the date of this edition are best collated and arranged in blank albums, preferably with movable leaves, such as our ORIENTAL PHILATELIC ALBUMS.

### A HISTORY OF THE POSTAGE STAMPS OF SICILY.

By DR. EMILIO DIENA. Translated by MAJOR EVANS.

This is the most complete work that has yet been published upon any philatelic subject, containing as it does not only a detailed description of an exceptionally interesting series of stamps, but also a brief history of the country to which they belong, a biography of the celebrated artist by whom the fine portrait of King "Bomba" was engraved, a full account of the circumstances under which the stamps were issued, of the difficulties in the production of the plates, of the various essays and proposals for subsequent issues, and a description of the postmarks and obliterations.

The book is illustrated with twenty full-page autotype plates, showing seven complete or reconstructed sheets, varieties of retouches, etc., and various illustrations in the text.

Price 15/9 in strong Paper Cover; post-free 16/2; abroad, 16/6.

## STAMP COLLECTING AS A PASTIME.

By E. J. NANKIVELL.

Many people are at a loss to understand the fascination that surrounds the pursuit of stamp collecting. They are surprised at the clannishness of stamp collectors and their lifelong devotion to their hobby. They are thunderstruck at the enormous prices paid for rare stamps, and at the fortunes that are spent and made in stamp collecting.

This book will afford a peep behind the scenes, and explain how it is that, after nearly half a century of existence, stamp collecting has never been more popular than it is to-day.

And perchance many a tired worker in search of a hobby may be persuaded that of all the relaxations that are open to him none is more attractive or more satisfying than stamp collecting.

THE IDEAL ALBUM OPEN.

FOR some years past we have had a great demand for a simple Album, fully illustrated, with squares for each Stamp and omitting all minor varieties, and we trust that collectors and the trade will be pleased with this our latest production. It is essential that an Album of this description should be in one volume, and in order to make this possible we have had to print it upon both sides of the paper and to rigidly cut down varieties.

With the aim before us of producing a book to suit the great bulk of *general* collectors, we have, after much consideration, decided to limit THE IDEAL ALBUM to the *Postage Stamps of the World*, and to omit all such varieties as Postal Fiscals, Official or Service Stamps, Postage Due or Unpaid Letter Stamps, etc., etc.

This Album is *arranged strictly alphabetically*—thus Vathy will be found under the V's and not in French Consular Offices, Aitutaki under the A's and not after New Zealand, etc., etc.

- ID. I.—On extra stout paper, strongly bound in cloth, artistically designed cover in assorted colours, sprinkled edges, gold lettered on back, about 600 pages. Trade price, 6/8 each.
- ID. II.—As last, but interleaved to prevent any chance of Stamps rubbing, and in superior and stronger binding. Trade price, 10/- each.

## THE CENTURY ALBUM

Size of each page,  
10 x 13 inches.

OF THE

### Postage Stamps of the World.

SECOND EDITION.

Including a full Descriptive Catalogue, and illustrated with several thousand full-sized reproductions of the stamps.

This Album is produced in a very large edition at a cost of between £2000 and £3000, and will be found to fulfil a long-felt want for an Album in one Volume, of high-class style, and on thoroughly good and highly surfaced paper, well and strongly bound.

The Century Album is printed on one side of the paper only, catalogue and illustrations on the left, and spaces to correspond on the right-hand pages.

All minor varieties of perforation, watermark, and type are omitted, and only such varieties are included as can be distinguished by the young Philatelist.

Space has been provided for some 18,000 stamps, and provision made for new issues by the insertion of numerous blank pages.

Two pages of watermarks, with list of countries in which they may be found, are also provided.

Among the chief alterations made in this the second edition of the Album may be noted the arrangement of the countries, which now follow in the same order as in the two parts of the current Catalogue—British Empire first and Foreign Countries last.

In the previous edition, numbers were placed beneath the line to mark the vertical line of each stamp, corresponding to the numbers in the detailed description on the left-hand page. This method was found to have many objections in practice, and the new system now adopted, whereby compartments for every stamp are marked off by dots placed above the dotted lines, will, we believe, be much preferred and prove more convenient. In many countries, owing to the varying heights of the stamps, it is impracticable—with the limited space at disposal—to place them in the order in which they are set forth on the opposite page, but by taking a little trouble in finding the place, the collector should have no difficulty in properly placing his stamps.

Throughout the Album additional rows have been provided, as well as a large number of blank pages, for new issues. As it is impossible to forecast where new issues are most likely to appear, these extra pages should be sufficient for the collector's wants for a long time ahead. There are over 15,500 marked-off places for stamps, besides space to accommodate several hundreds in addition.

All new issues down to the time of going to press have been included, and most of them illustrated.

## NEW STAMP CATALOGUE.

Pocket Size,  
in 2 Volumes.

VOL. I. contains all

### Postage Stamps of Great Britain and the British Colonies.

Price 1/8; post-free, 1/11.

At an expense of about £800 we have had an entirely new set of illustrations made for both volumes, and in the exact size of each stamp, thus enabling the collector to identify each variety without any trouble.

Throughout the Catalogue we have carefully revised the dates of issues, and a further feature in this edition is the insertion of the name of the printer, and the method of the printing of the various issues, and the illustrations of watermarks from accurate tracings.

In order to economize space we have omitted the introduction and business notices hitherto printed in French, German, and Spanish.

The question of the prices quoted in this Catalogue has received our most careful attention. These have been most carefully revised and lowered where justified, but we cannot close our eyes to the fact that our stock of old English Colonial stamps is becoming exhausted, and the difficulty of replenishing it now has been enormously increased compared with our experience of a few years ago, and in many hundreds of cases we are unable to buy stamps at the prices at which we sold them last year, therefore very many varieties will be found advanced in price.

VOL. II. contains the

### Postage Stamps of the Rest of the World.

Price 1/8; post-free, 1/11.

NOTE.—The collector will find in this Catalogue a mass of useful information given by no other catalogue known to us. We divide and price separately all minor varieties of perforation, watermark, and type, and thus enable the collector to discover the value of rare varieties he may possess, and which are not given in any other catalogue.

NONE OF OUR PRICES ARE GUESS-WORK;

they are all based on our stock of stamps, and all stamps priced are in stock as we go to press.

## **THIRD EDITION of ALBUM WEEDS**

By the Rev. R. B. EAREE.

Vol. I.—Afghanistan to Luxemburg. About 580 pages, demy 8vo.

This work is an absolute necessity to the careful Philatelist, who is naturally anxious to ensure the absence of forgeries from his collection. As a work of reference, in this particular respect, it stands entirely unrivalled, being compiled by one who has acquired a world-wide repute, and whose speciality has for many years been the description of forgeries. An immense amount of labour has been bestowed on this New Edition, so as to still further increase its usefulness. Every endeavour has been made by the Author, in the description of new and dangerous forgeries, etc., to bring the work fully up to date. Amongst the numerous additions may be noted an elaborate description of technical terms met with in the course of collecting. This section will be found especially useful for the guidance of the novice or younger collector. The illustrations have been considerably augmented, and a large and most interesting series of postmarks, specially drawn, together with an index for reference, will be found included. Altogether the Publishers have no hesitation in recommending this publication as a most valuable adjunct to a Philatelic Library, and useful alike to Collector and Dealer.

Vol. I.—Price, bound in embossed gilt cloth, 5/6, post-free 5/6.

# THE "FACILE" POSTAGE STAMP ALBUMS.

(PROTECTED BY ROYAL LETTERS PATENT.)

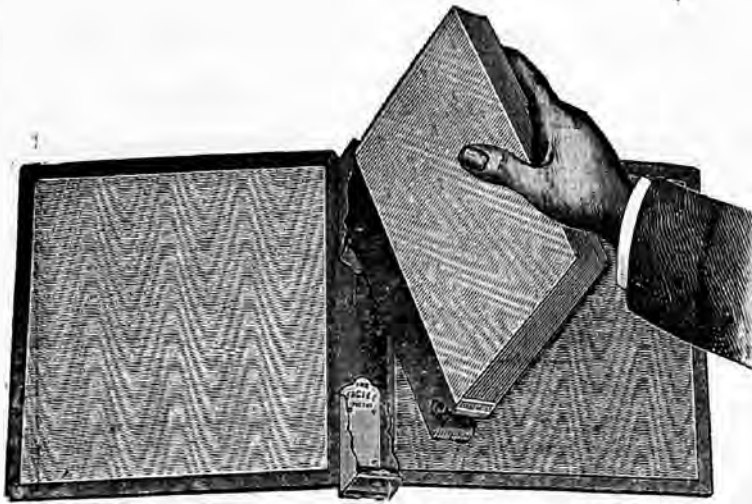

THESE Albums present externally the same appearance as our well-known

## "ORIEL" AND "PHILATELIC" BLANK ALBUMS,

and are identical in all respects except as regards the method of holding the detachable leaves, which is now a vast improvement upon the old system.

The leaves instead of being threaded upon pegs have a groove cut across each end of the linen joint (see A), and, together with a protecting cover, are held in position by means of two "V"-shaped projections, the whole being securely fastened by an ingenious spring.

When it is desired to remove the leaves it is only necessary to release the spring, when the "V"-shaped projections open automatically, and the contents can be removed with one hand. A great feature of this improvement

A—SHOWING LEAVES RELEASED.

is that a single leaf can be inserted or detached without disturbing the contents of the Album. Collectors already using the "ORIEL" and "PHILATELIC" can conveniently continue with the "FACILE."

### Leading Features of the "FACILE."

1. It is undoubtedly the "acme" of loose-leaf albums.
2. Changing position of, or adding to the number of the leaves can be effected instantly and without disturbing contents of Album.
3. The binding of cover being rigid, all possibility of friction between the leaves is prevented.
4. The patent binder has no loose or detachable parts, and therefore cannot get out of order.
5. The action of the patent binder is automatic, and can be perfectly understood the moment it is seen.

B—SHOWING LEAVES SECURED.

At present we are applying this improvement to the following, supplies of which are now ready:—

## THE "FACILE" ORIEL ALBUM.

Containing fifty detachable leaves (9 $\frac{3}{4}$  in.  $\times$  10 $\frac{3}{4}$  in.), of the best handmade paper, faced with Japanese tissue paper and bound in half red morocco with cloth sides, finished in gold. Each Album is contained in a cloth drop-in case lined with lamb's-wool.

TRADE PRICE 20s. 6d., post-free in U.K.

## THE "FACILE" PHILATELIC ALBUMS.

Each containing 100 leaves of very fine quality white card paper, and strongly bound in half morocco, gilt ornaments and lettering, and packed in a box.

# The Ideal No Minor Varieties.

# Postage Stamp Album.

**PLENTY OF ROOM LEFT FOR NEW ISSUES.**

On the inside of the front cover there is a permanent linen pocket for duplicates, and in this pocket the above packet of Stamps will be placed in the first 4000 Ideal Albums.

THE OUTER COVER IN ASSORTED COLOURS, ART CLOTH.

THE IDEAL ALBUM OPEN.

FOR some years past we have had a great demand for a simple Album, fully illustrated, with squares for each Stamp and omitting all minor varieties, and we trust that collectors and the trade will be pleased with this our latest production. It is essential that an Album of this description should be in one volume, and in order to make this possible we have had to print it upon both sides of the paper and to rigidly cut down varieties.

With the aim before us of producing a book to suit the great bulk of *general* collectors, we have, after much consideration, decided to limit THE IDEAL ALBUM to the *Postage Stamps of the World*, and to omit all such varieties as Postal Fiscals, Official or Service Stamps, Postage Due or Unpaid Letter Stamps, etc. etc.

This Album is *arranged strictly alphabetically*—thus Vathy will be found under the V's and not in French Consular Offices, Aitutaki under the A's and not after New Zealand, etc. etc.

ID. I.—On extra stout paper, strongly bound in cloth, artistically designed cover in assorted colours, sprinkled edges, gold lettered on back, about 600 pages . . . . . Trade price, **7/3** post free in U.K.
