TO THE TRADE GENERALLY.

In presenting to the Trade the Eighth Edition of my Directory—this year earlier than usual, in accordance with a promise made last year—I desire to thank my numerous friends and well-wishers for the valuable aid and assistance rendered me in the compilation of this little Trade Directory. I hope the improvement and enlargement effected in this year's edition will still further stimulate them to again render me their valued support next year when requested. In conclusion, I desire to express my gratitude to the large and increasing number of Advertisers, and to assure them that the medium they have chosen is a good one, and one which, I think, they will never regret having favoured with their esteemed commands.
