TO THE TRADE GENERALLY.

In presenting to the Trade the Tenth Edition of my Directory—I desire, upon behalf of the Firm, to thank my numerous friends and well-wishers for the valuable aid and assistance rendered me in the compilation of this little Trade Directory, and hope they will again render me their valued support next year when requested. In conclusion, I desire to express my gratitude to the large and increasing number of Advertisers, and to assure them that the medium they have chosen is a good one, and one which, I think, they will never regret having favoured with their esteemed commands.

IMPORTANT NOTICE!

WE have much pleasure in giving notice that, commencing with the first number published in the new year (No. 1, Volume 2, *Stamps* will be considerably enlarged and improved; the pages will be increased to practically double the present size. We have arranged with some of the leading philatelic writers to write articles for us, several of which are in preparation. Advertisers should pay particular attention to this announcement, as we shall send out a specimen copy to *all* known philatelists in *all* parts of the world. In order to do this we have for some months past been compiling a Directory or list with addresses of all known collectors and dealers, not only in Great Britain, but also abroad. The circulation, therefore, will be a very large one.

Full particulars will be published in the two numbers of *Stamps*, published November 30th and December 31st. Don't fail to send for a copy to the Publisher,

ROBERT S. GRAY,

AUCTIONEER AND VALUATOR,

213, West Campbell Street, Glasgow,

RESPECTFULLY offers his services to parties having Collections or Lots of Stamps, Post Cards, or Envelopes to dispose of. Being in touch with all the prominent Collectors in Scotland, he can guarantee that a fair auction price will always be obtained. Collectors and Dealers alike must know that better prices can be obtained in Scotland (for medium stamps) than in London. Collectors with surplus duplicates will find that it will pay them better to realise in this manner than to undergo the necessary inconvenience connected with Exchange Clubs.

Sales held every Month during the Season.
Moderate Charges. Immediate Settlements.

Lots should be so calculated as to be worth at least 5s. On hearing from likely sellers, MR. GRAY will be pleased to send sheets for mounting.

IMPORTANT TO BIDDERS.

Patrons who are unable to attend the Sales can rest assured that commissions entrusted to my care will receive careful attention and that I fully understand that I have to buy at as low a price as possible Below Their Bid. Commissions will be executed as follows:—Suppose I have an order to buy a certain lot, and £1 is given as the utmost limit, if the lot was to start in the room at 5s., and the bidding stopped at 10s., then I should purchase it at 11s. for £1 bidder. All commissions are executed without any extra charge.

THE NORTHERN STAMP CO.

(Proprietor: Edmund P. Tatham),

GREAT HORTON, Nt. BRADFORD, YORKS.

"BRITISH FLAG" APPROVAL SHEETS.

Manufactured from strong Bank paper, ruled very neatly to hold 60 stamps, and throughout a good and serviceable sheet, will go into an ordinary business envelope without creasing stamps.

With instructions printed on outside, with blank space for name and address, and any additions that may be wished. 25, 7d.; 50, 1/-; 100, 1/9; 250, 3/6; 500, 6/-; 1,000, 11/-. All carriage paid.

Group Collecting or Duplicate Books.

These books are a great improvement over the ordinary booklets with blank pages. Each page is ruled to hold 15 stamps, and have at top of each, double lines amply large enough for prices and instructions of stamps. They are sewn by hand (not with wires), and the cover consists of a strong paper one. The most important of all is, one side of the page is only counted to hold the stamps, and if both sides be used, double the quantity of stamps can be inserted. The paper used is a strong but light quality, bright surface, and the ink will not run or blur, as in the case of poor quality of paper. Size of book is 5½ by 4½ inches, being a handy size for pocket or postal use. PRICES, delivered carriage paid:—

To hold 120 stamps, 12 for 1/-; 25 for 1/9; 50 for 3/2; 100 for 5/11.

SMALL ENVELOPES FOR PACKETS.

Invaluable for shop window trade. Equally assorted, four kinds.

No. 1.—Square white, printed in red ink, to hold 20 different or 24 assorted stamps, at 1d. a packet. Space left for stamps outside each packet.

No. 2.—Oblong, buff, printed black ink, to hold 45 assorted, 2d.; or 60 assorted, 3d. Space left for stamps outside each packet.

PRICE ... 250 for 1/6; 500 for 2/6; 1,000 for 4/3.

OPINIONS OF THE PRESS:—

"Under the able editorship of our friend Mr. Nankivell, we heartily wish it a long and prosperous career in its new form."—MAJOR EVANS, in *Stanley Gibbons' Monthly Journal*.

"The editor has struck the right note, and in maintaining the promise of his earlier numbers reaped the due reward of wisdom in a large circulation. The *Record* not only affords a brisk and reliable chronicle of passing philatelic events, but serves up its contents in so neat and taking a fashion, that whether they be grave or gay, all who subscribe to it feels that this verily is a Journal worth both reading and preserving."—*The Philatelic World* (Calcutta).

List of 500 Sets, with latest Price List, only sent on receipt of postage. Exchange List, 2d.

SINCE our "Jubilee issue," enquiries for "The King of Stamps" have been very numerous. During the month of June alone we had three offers of £600, £700, and £750, which, needless to say, have all been respectfully declined. Our cash price now is

£1,250.

A few "Photos" only are now left (at 7d. each for either the unused or used side), of "The King of Stamps," showing distinctly all the errors of the 25c. 5c "Venezuela" printed upside down, in perfect condition, and in our possession these 16 years: the most extraordinary stamp ever seen since our Mr. G. commenced collecting stamps forty-three years ago.

HOW?

BUY YOUR PACKETS READY MADE.

WE have for years made a speciality of packets of stamps, and our large output enables us to supply at most advantageous prices; it will pay you to use these instead of making your own. They are just the thing that is wanted by busy dealers who have not time to make up packets, or those who keep a limited stock, and to whom the making of packets presents difficulties. You can get just what quantity you require, can depend on the genuineness of every stamp, and can always obtain them by return of post.

Sales during the past season have exceeded our most sanguine expectations, and for the present season we are prepared for increased demands. Give a trial order, and you will be quite satisfied.

Every effort is made to supply packets as quoted, but should a variety be out of stock, a stamp of equal or higher value only will be substituted.

MAKE THE SALE OF

RARE POSTAGE STAMPS

A SPECIALITY

Although it is only during the last three years that Messrs. Puttick & Simpson have undertaken the sale of this class of property, they already hold the leading place among Philatelic Auctioneers. The rapidity with which they have climbed to this position clearly proves the soundness of their system and says much for the careful attention shown to the interests of both buyer and seller, and the fairness and consideration with which all parties are treated. They are purely Auctioneers and never under any circumstances either buy or sell stamps on their own behalf. For these reasons their sales are always largely attended, by collectors as well as dealers, and many record prices for fine stamps are constantly obtained, as much as £210 having been realized for one lot.

Owing to the very large number of commissions received from the Continent and America the catalogues are issued, when possible, one month or more before the date of sale. Owners wishing to include stamps should therefore forward them as early as possible.

Messrs. Puttick & Simpson undertake the cataloguing, removal from albums, and all incidental arrangements connected with the property entrusted to their care at an inclusive charge, and the greatest care is taken in preparing the catalogues in order that Country and Foreign buyers sending bids without first viewing the lots may rely with confidence upon the condition, &c., of the stamps being accurately described.

Liberal ADVANCES made pending REALIZATION, if required.
