## WARNING TO COLLECTORS.

—:0:—

J. W. Palmer & Co., beg to direct the attention of collectors, principally inexperienced ones, to the fact that during the last years, or so, the sale of forged stamps has astonishingly increased, so much so, that in almost every collection offered to them for sale, in the majority of cases the better stamps are not genuine. They therefore recommend that stamp collectors purchase only of the Established Dealers and men whose characters can be tested. When they will find not only that their collections will be free from forgeries, but that, taken one with another, they will be supplied at a much less cost, for give what ever they may, the forgery is utterly worthless, as well as that it casts a doubt even, on those that may be genuine.

In handing therefore the present List to their customers Messrs. J. W. Palmer & Co. have the pleasure of assuring them that all and every stamp supplied will be warranted genuine and in case, when even a shadow of a doubt can be cast on a stamp it will not be supplied. It would be as well if every Dealer were as particular, as then the sale of these forgeries might be suppressed.

Messrs. J. W. Palmer & Co. have a large lot of these forgeries, which they have withdrawn from their various collections and will be pleased to compare them with any Collector's Book to test their reality or to have them with a faint hope of getting a complete collection of them.

Collectors and others therefore ordering from this list may rest perfectly assured that none but genuine stamps and in good condition will be supplied.

*J. W. P. & Co. would draw especial attention to the fact that all his Packets contain different Stamps—No one packet containing duplicates: and he particularly requests that his customers will notice EVERY STAMP IS GENUINE as J. W. P. & Co. never sends out forgeries of any kind or description. This may also account for some of the rarer Stamps appearing higher in his List than the prices of other dealers but then J. W. P. & Co. Warrant his GENUINE when some of the other Dealers supply spurious ones.*
