FOR THE TRADE.

I HAVE some offers that cannot be beat by any dealer in the world ; these lots and assortments are not new, but HAVE BEEN TRIED, and by all who have bought them have been pronounced better value for the money than could be had elsewhere. All my Stamps are IMPORTED DIRECT from the countries issuing them, in very large quantities, and I am able to *sell* cheaper than most wholesale dealers can *buy* the Stamps of which I make a specialty.

1000 FOR \$3.00

This lot is just the thing for sheets and packets, and contains as follows: 250 assorted U. S. Stamps, 250 assorted British Colonials, 250 assorted European, 250 South and Central American and Mexican, all for \$3.00.

500 FOR \$3.00

This is the cheapest lot of American Stamps ever offered for the money ; they are divided as follows, 100 assorted Central American, 200 assorted South American, (*no Brazil or British Guiana*), 200 well assorted Mexican of different issues, all for \$3.00.

5000 FOR \$25.00

This is a Complete Stock of Stamps, and is a much better stock of Stamps than I had when I started in business in 1877. The Stamps in this lot could be easily sold to *net the dealer over \$100.00 profit*. It consists as follows: 1000 mixed British Colonials from every quarter of the globe, 1000 United States Stamps, including some good Departments and old issues, 1000 finely mixed European, 1000 South and Central American and Mexican mixture, well assorted, and 1000 Different Varieties from all parts of the world, including many very rare Stamps. To this I add blank approval sheets, gummed paper, and a three-inch advertisement in the PHILATELIC JOURNAL OF AMERICA, for \$25.00.

FOR THE TRADE.

I HAVE some offers that cannot be beat by any dealer in the world ; these lots and assortments are not new, but HAVE BEEN TRIED, and by all who have bought them have been pronounced better value for the money than could be had elsewhere. All my Stamps are IMPORTED DIRECT from the countries issuing them, in very large quantities, and I am able to *sell* cheaper than most wholesale dealers can *buy* the Stamps of which I make a specialty.

1000 FOR \$3.00 This lot is just the thing for sheets and packets, and contains as follows: 250 assorted U. S. Stamps, 250 assorted British Colonials, 250 assorted European, 250 South and Central American and Mexican, all for \$3.00.

500 FOR \$3.00 This is the cheapest lot of American Stamps ever offered for the money ; they are divided as follows, 100 assorted Central American, 200 assorted South American, (*no Brazil or British Guiana*), 200 well assorted Mexican of different issues, all for \$3.00.

5000 FOR \$25.00 This is a Complete Stock of Stamps, and is a much better stock of Stamps than I had when I started in business in 1877. The Stamps in this lot could be easily sold to *net the dealer over \$100.00 profit*. It consists as follows: 1000 mixed British Colonials from every quarter of the globe, 1000 United States Stamps, including some good Departments and old issues, 1000 finely mixed European, 1000 South and Central American and Mexican mixture, well assorted, and 1000 **Different Varieties** from all parts of the world, including many very rare Stamps. To this I add blank approval sheets, gummed paper, and a three-inch advertisement in the *PHILATELIC JOURNAL OF AMERICA*, for \$25.00.

THE PHILATELIC JOURNAL OF AMERICA is the oldest and largest journal of its class published in America.

It is the largest stamp journal published in the English language and has been established over five years.

It enjoys a larger circulation than any similar paper has ever attained and is carried monthly into every civilized country in the world.

Its advertising space is very valuable on account of its very large circulation and therefore must not be compared with that of any other paper.

STAMP ALBUMS.

THE POCKET ALBUM, price 20c post free.

Is a neat little album, designed with spaces to hold between 300 and 400 stamps. Bound in cloth with gilt lettering. It can be carried in the pocket, and will answer for a small collection or for duplicates.

THE POPULAR ALBUMS, prices 30c, 50c and 75c, post free.

This is the best series of albums for beginners that has ever been published. The difference in price is only for the binding, all are printed on fine 80 pound book paper, and contain spaces for over 2,000 stamps.

The stamps are illustrated, and much information is given in regard to stamp issuing countries.

It is the best album in the market for less than \$1.50. It is bound as follows: Half cloth 30c, full green cloth 50c, finely bound in cloth, gilt lettering, 75c.

INTERNATIONAL ALBUMS, prices \$1.50, \$2.50, \$3.50, \$5.00 and \$7.50, post free.

This is the best *printed* album published, it contains spaces for every postage stamp ever issued in the world, with description and illustration so that any one can arrange a collection correctly. Bindings, Half cloth \$1.50, Full cloth \$2.50, Full cloth better p-per \$3.50, Full cloth printed on but one side of the page \$5.00, Full leather gilt edges \$7.50.

MEKEEL'S BLANK STAMP ALBUMS, \$2.50 and \$4.00, post free.

This album is blank, except for a neatly printed border around each page, and a label at the top of the page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared looks like a printed page.

Size of the page is 9 x 12 inches.

The paper used in the albums is of a fine cream tint, and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves, and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithograph stamp mounts that are furnished with it, and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection, and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The effect of a page of stamps on their mounts neatly arranged is beyond description.

The stamps lay on a perfectly flat surface, as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

One thousand mounts and one set of adhesive names are given free with each album.

BOUND IN BROWN CLOTH, 328 pp., printed only on one side of page..... \$2.50

PUBLICATIONS YOU WANT

THE Philatelic Gazette

THE PHILATELIC GAZETTE has greeted stamp collectors month after month with the greatest regularity. It has made for itself friends in all quarters of the globe, a fact that is testified to by the great difficulty, or rather, well nigh impossibility, in gathering at this time a complete file of its issues.

Subscribers can depend upon receiving their money's worth; advertisers may be assured of a select circulation that cannot fail to be of benefit to them, while the rates charged are as low as any asked for similar publications of equal character.

THE PHILATELIC GAZETTE is the oldest journal published for stamp collectors in America. Subscription price:—U. S., Canada and Mexico, 50 cents a year; City of Chicago and Postal Union Countries, 75 cents. All others \$1.00. Single current numbers 10 cents each. Subscriptions must begin with current numbers, consequently *renewals* should be made at expiration.

THE EMISSIONS OF China, Shanghai, Korea and Japan.

A complete and comprehensive list of the postage stamps of these countries. By W. Alfred Warner, of the National Philatelic Society, etc. 8 vo., paper, with illustrations of stamps and numerals; price 15 cents.

The Bluffton Stamp Society.

A STORY FOR STAMP COLLECTORS.

BY PHILO.

An interesting narrative of the doings of a juvenile philatelic society. Every stamp collector should have a copy, and no library is complete without it.

16 mo, 81 pp., cloth covers; price 50 cents.

President Tiffany's Address.

Delivered before the Second Annual Convention of the American Philatelic Association. Every member of the A. P. A. should have a copy, as should every person interested in the growth and welfare of philately.

8 vo, 16 pp., paper covers; price 15 cents.

THE STAMP COLLECTOR'S LIBRARY COMPANION.

BY JOHN K. TIFFANY.

This new publication contains full particulars in regard to all known philatelic periodicals published in the United States up to January 1st, 1889, giving name of publisher, date of first and last issue, etc., etc. The list is arranged chronologically. The statistical information is printed on the right hand pages and the left hand pages remain blank. It is printed on a very superior "Welland" paper and has colored covers. As a check list and medium of exchange it is invaluable.

Price, 25 cents per copy; \$2.00 per dozen.

Not less than *one-half dozen* will be sold at the dozen price.

STAMP ALBUMS.

THE POCKET ALBUM, price 20c post free.

Is a neat little album, designed with spaces to hold between 300 and 400 stamps. Bound in cloth with gilt lettering. It can be carried in the pocket, and will answer for a small collection or for duplicates.

THE POPULAR ALBUMS, prices 30c, 50c and 75c, post free.

This is the best series of albums for beginners that has ever been published. The difference in price is only for the binding, all are printed on fine 80 pound book paper, and contain spaces for over 2,000 stamps.

The stamps are illustrated, and much information is given in regard to stamp issuing countries.

It is the best album in the market for less than \$1.50. It is bound as follows: Half cloth 30c, full green cloth 50c, finely bound in cloth, gilt lettering, 75c.

INTERNATIONAL ALBUMS, prices \$1.50, \$2.50, \$3.50, \$5.00 and \$7.50, post free.

This is the best *printed* album published, it contains spaces for every postage stamp ever issued in the world, with description and illustration so that any one can arrange a collection correctly. Bindings, Half cloth \$1.50, Full cloth \$2.50, Full cloth better paper \$3.50, Full cloth printed on but one side of the page \$5.00, Full leather gilt edges \$7.50.

MEKEEL'S BLANK STAMP ALBUMS, \$2.50 and \$4.00, post free.

This album is blank, except for a neatly printed border around each page, and a label at the top of the page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared looks like a printed page.

Size of the page is 9 x 12 inches.

The paper used in the albums is of a fine cream tint, and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves, and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithograph stamp mounts that are furnished with it, and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection, and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The effect of a page of stamps on their mounts neatly arranged is beyond description.

The stamps lay on a perfectly flat surface, as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

One thousand mounts and one set of adhesive names are given free with each album

STAMP ALBUMS.

THE POCKET ALBUM, price 20c post free.

Is a neat little album, designed with spaces to hold between 300 and 400 stamps. Bound in cloth with gilt lettering. It can be carried in the pocket, and will answer for a small collection or for duplicates.

THE POPULAR ALBUMS, prices 30c, 50c and 75c, post free.

This is the best series of albums for beginners that has ever been published. The difference in price is only for the binding, all are printed on fine 80 pound book paper, and contain spaces for over 2,000 stamps.

The stamps are illustrated, and much information is given in regard to stamp issuing countries.

It is the best album in the market for less than \$1.50. It is bound as follows: Half cloth 30c, full green cloth 50c, finely bound in cloth, gilt lettering, 75c.

INTERNATIONAL ALBUMS, prices \$1.50, \$2.50, \$3.50, \$5.00 and \$7.50, post free.

This is the best *printed* album published, it contains spaces for every postage stamp ever issued in the world, with description and illustration so that any one can arrange a collection correctly. Bindings, Half cloth \$1.50, Full cloth \$2.50, Full cloth better paper \$3.50, Full cloth printed on but one side of the page \$5.00, Full leather gilt edges \$7.50.

MEKEEL'S BLANK STAMP ALBUMS, \$2.50 and \$4.00, post free.

This album is blank, except for a neatly printed border around each page, and a label at the top of the page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared looks like a printed page.

Size of the page is 9 x 12 inches.

The paper used in the albums is of a fine cream tint, and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves, and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithograph stamp mounts that are furnished with it, and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection, and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The effect of a page of stamps on their mounts neatly arranged is beyond description.

The stamps lay on a perfectly flat surface, as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

One thousand mounts and one set of adhesive names are given free with each album

BOUND IN BROWN CLOTH, 328 pp., printed only on one side of page. \$2.50

BOUND IN BROWN CLOTH, 500 pp., printed only on one side of page, heavier paper, 4.00

STAMP ALBUMS.

THE POCKET ALBUM, price 20c post free.

Is a neat little album, designed with spaces to hold between 300 and 400 stamps. Bound in cloth with gilt lettering. It can be carried in the pocket, and will answer for a small collection or for duplicates.

THE POPULAR ALBUMS, prices 30c, 50c and 75c, post free.

This is the best series of albums for beginners that has ever been published. The difference in price is only for the binding, all are printed on fine 80 pound book paper, and contain spaces for over 2,000 stamps.

The stamps are illustrated, and much information is given in regard to stamp issuing countries.

It is the best album in the market for less than \$1.50. It is bound as follows: Half cloth 30c, full green cloth 50c, finely bound in cloth, gilt lettering, 75c.

INTERNATIONAL ALBUMS, prices \$1.50, \$2.50, \$3.50, \$5.00 and \$7.50, post free.

This is the best *printed* album published, it contains spaces for every postage stamp ever issued in the world, with description and illustration so that any one can arrange a collection correctly. Bindings, Half cloth \$1.50, Full cloth \$2.50, Full cloth better p per \$3.50, Full cloth printed on but one side of the page \$5.00, Full leather gilt edges \$7.50.

MEKEEL'S BLANK STAMP ALBUMS, \$2.50 and \$4.00, post free.

This album is blank, except for a neatly printed border around each page, and a label at the top of the page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared looks like a printed page.

Size of the page is 9 x 12 inches.

The paper used in the albums is of a fine cream tint, and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves, and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithograph stamp mounts that are furnished with it, and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection, and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The effect of a page of stamps on their mounts neatly arranged is beyond description.

The stamps lay on a perfectly flat surface, as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

One thousand mounts and one set of adhesive names are given free with each album

BOUND IN BROWN CLOTH, 328 pp., printed only on one side of page. \$2.50

BOUND IN BROWN CLOTH, 500 pp., printed only on one side of page, heavier paper. 4.00

STAMP ALBUMS.

THE POCKET ALBUM, price 20c post free.

Is a neat little album, designed with spaces to hold between 300 and 400 stamps. Bound in cloth with gilt lettering. It can be carried in the pocket, and will answer for a small collection or for duplicates.

THE POPULAR ALBUMS, prices 30c, 50c and 75c, post free.

This is the best series of albums for beginners that has ever been published. The difference in price is only for the binding, all are printed on fine 80 pound book paper, and contain spaces for over 2,000 stamps.

The stamps are illustrated, and much information is given in regard to stamp issuing countries.

It is the best album in the market for less than \$1.50. It is bound as follows: Half cloth 30c, full green cloth 50c, finely bound in cloth, gilt lettering, 75c.

INTERNATIONAL ALBUMS, prices \$1.50, \$2.50, \$3.50, \$5.00 and \$7.50, post free.

This is the best *printed* album published, it contains spaces for every postage stamp ever issued in the world, with description and illustration so that any one can arrange a collection correctly. Bindings, Half cloth \$1.50, Full cloth \$2.50, Full cloth better paper \$3.50, Full cloth printed on but one side of the page \$5.00, Full leather gilt edges \$7.50.

MEKEEL'S BLANK STAMP ALBUMS, \$2.50 and \$4.00, post free.

This album is blank, except for a neatly printed border around each page, and a label at the top of the page to receive the name of the country. The names of all countries printed on adhesive paper go with each book, and when mounted in the label prepared looks like a printed page.

Size of the page is 9 x 12 inches.

The paper used in the albums is of a fine cream tint, and the weight varies with the price of the book, even the cheapest being heavier than that used in any other album.

Advanced collectors have wholly abandoned albums with printed spaces for stamps. They wish to arrange their stamps to suit themselves, and to collect such varieties as they desire, so that a blank album is necessary.

An important feature of this album is the lithograph stamp mounts that are furnished with it, and may be used or not as the collector may fancy.

These mounts are the same as those used in the celebrated Tiffany collection, and were the invention of its owner, Mr. John K. Tiffany, President of the American Philatelic Association. The effect of a page of stamps on their mounts neatly arranged is beyond description.

The stamps lay on a perfectly flat surface, as the hinge is cut from the mount the back can be readily examined and there is room for memoranda on the mount beneath the stamp.

The mounts come in all shapes and sizes to fit any stamp.

One thousand mounts and one set of adhesive names are given free with each album

BOUND IN BROWN CLOTH, 328 pp., printed only on one side of page..... \$2.50
