STAMP COLLECTORS.

МЕКЕЕГ.2

PREFACE.

IN presenting this the second edition of my Address Book to the stamp collectors and dealers of the world it is with more assurance, as my first edition although very imperfect was a pronounced success.

It is impossible for a work of this kind to be perfect, but this is a great improvement on my first edition.

The names have been carefully revised and I wish to express my thanks to those who have very kindly revised and corrected my lists in their various localities.

The United States list will be found much better than the former edition, and we hope that the third edition will be even better. Those who send \$1.00 in advance for a copy of the third edition will be entitled to a 5-line advertisement in the book *free*.

I will be glad of any corrections or additions, and as I commence to get the next edition ready as soon as this is printed, it is not too soon to let me hear from you.

I hope to have more foreign advertisements in the next edition. Please send them in without further notice before January 1, 1892.

C. H. MEKEEL,

1007-1011 Locust St., ST. LOUIS, MO.

The Early Bird, Etc., Etc.

During the past six months I have been before the Philatelic public but very little. I have spent this time in buying up large consignments and collections of stamps, which I now offer to collectors at prices unequaled by other dealers, because they cannot afford to make such offers and sell genuine stamps. Until my supply is exhausted I give a discount of 50 per cent from any *American Stamp Catalogue*. Special terms to purchasers of large quantities. I make it to the interest of every Philatelist to give me a trial. 25c purchases my Lone Star Packet No. 21, containing 50 varieties of excellent stamps. It is a marvel of cheapness. WANTED!

—: OLD —:

STAMP COLLECTIONS.

(LARGE OR SMALL.)

FOR CASH.

I am willing to pay 10 per cent more than any other dealer, and I am also at all times prepared to buy for cash any quantity of postage and U. S. Revenue stamps, or exchange them for other stamps. My specialty is **United States, North, Central and South America**, and have one of the largest stocks of them in the world, and I am always prepared to buy them in any quantity for spot cash.

I am not putting any value on stamps, and parties sending stamps to me are specially requested to put their lowest cash price on them, and if the price is satisfactory, I will remit by return mail, or return the goods at my expense.

SPECIAL NOTICE!

Correspondents in foreign countries are requested **NOT TO** send a bill or invoice with the stamps, but to send these in a separate letter. Parties who wish to buy stamps should send for my retail or wholesale list, as I am one of the cheapest dealers in stamps, albums, etc.

Selections at very low prices sent to dealers and collectors on receipt of good reference. Send for sample copy of the *Post Office*, issued regularly on the 15th of every month, and it is one of the best U. S. philatelic papers. Advertising rates on application.

(LARGE OR SMALL)

❖ FOR CASH. ❖

I am willing to pay 10 per cent more than any other dealer, and I am also at all times prepared to buy for cash any quantity of postage and U. S. revenue stamps, or exchange them for other stamps. My specialty is **United States, North, Central and South America**, and have one of the largest stocks of them in the world, and I am always prepared to buy them in any quantity for spot cash.

I am not putting any value on stamps, and parties sending stamps to me are specially requested to put their lowest cash price on them, and if the price is satisfactory, I will remit by return mail, or return the goods at my expense.

Special Notice! — Correspondents in foreign countries are requested **NOT** to send a bill or invoice with the stamps, but to send these in a separate letter.

Parties who wish to buy stamps should send for my retail or wholesale list, as I am one of the cheapest dealers in stamps, albums, etc.

Selections at very low prices sent to dealers and collectors on receipt of good reference.

Send for sample copy of the *Post Office*, issued regularly on the 15th of every month, and it is one of the best U. S. philatelic papers. Advertising rates on application.

WHAT OTHERS SAY ABOUT IT.

Mekeel's Weekly Stamp News is a dandy. It comes to hand regularly every week, full of newsy items.—[Rhode Island Philatelist.

Mekeel's Weekly should receive the support of all true philatelists. A light, gossipy paper once a week is just what is needed.—[The Curio.

Mekeel's Weekly Stamp News is a new venture, hailing from the well-known American firm of Mekeel. A weekly stamp paper is a novelty, and as it is well compiled and appears in attractive form, should prove a big success; anyway, it is in good

hands and should "boom" from the first.—[Vindin's Monthly (Australia).

Mekeel's Weekly Stamp News comes to us regularly every week, and is filled with reading that will interest all live philatelists.—[National Siftings.

No doubt our readers have nearly all seen a copy of *Mekeel's Weekly Stamp News*, and I trust the majority of them have at once sent in their subscriptions. It takes money to run a paper of any kind, and this scheme of Mekeel's should be supported by every wide awake collector.—[Philatelic Era.

WHAT OTHERS SAY ABOUT IT.

Mekeel's Weekly Stamp News is a dandy. It comes to hand regularly every week, full of newsy items.—[Rhode Island Philatelist.

Mekeel's Weekly should receive the support of all true philatelists. A light, gossipy paper once a week is just what is needed.—[The Curio.

Mekeel's Weekly Stamp News is a new venture, hailing from the well-known American firm of Mekeel. A weekly stamp paper is a novelty, and as it is well compiled and appears in attractive form, should prove a big success; anyway, it is in good

hands and should "boom" from the first.—[Vindin's Monthly (Australia).

Mekeel's Weekly Stamp News comes to us regularly every week, and is filled with reading that will interest all live philatelists.—[National Meetings.

No doubt our readers have nearly all seen a copy of *Mekeel's Weekly Stamp News*, and I trust the majority of them have at once sent in their subscriptions. It takes money to run a paper of any kind, and this scheme of Mekeel's should be supported by every wide awake collector.—[Philatelic Era.

* ONE OF THE 500? *

WE ARE STILL SELLING THE PHILATELIC CATALOGUE at \$4.00 a copy, and the rapid sale is diminishing our stock, which originally consisted of *only 500 copies*, most of which are now in the hands of collectors.

This catalogue was compiled by Maj. Edward B. Evans; it is the result of much study and research upon the part of the author, who is acknowledged to be the greatest living authority on stamps in the world.

:: A BOOK OF PHILATELIC HISTORY. ::

The Philatelic Catalogue surpasses anything of its kind ever produced. It contains a *simple*, but *complete*, history of all *stamps, envelopes and cards issued up to 1890, and embraces every stamp issuing country*; it is thus a history of the first fifty years of the postage stamp.

It is a book for all, advanced or otherwise, and *will never be out of date*, an invaluable book of reference and a worthy acquisition to the best of libraries.

Send \$4.00 before it be too late. Five hundred copies do not go far among the vast number of philatelists in this day, and the book is sure to sell at a premium.

Over 500 pages, bound in handsome Russia leather, and fully illustrated. The *largest* book on stamps printed in the English language.
