STAMP DEALERS DIRECTORY.

The following comprise all the principal dealers as far as we know them, in the United States, who are doing business under their own names; there are also some Stamp Co's, but as a general rule they are of little consequence. Of course we may have omitted some who deserve notice, all dealers should send us their packet lists and other publications, that we may include them in subsequent editions. Those whose names are prefaced with a star deal in counterfeits principally.

DIRECTIONS.

All stamps sold from this Catalogue are guaranteed genuine.

All orders should be plainly written out and footed up in separate columns for the used and unused, giving the date, color and value of each stamp, with the sender's name and Post Office address each time.

Do not send money for those stamps priced in Italic figures, but send list of wants, and we will check off those in stock at the time. All letters of enquiry or orders under twenty five cents, must contain stamp for reply. In referring to any previous letter, always state the exact date if possible, as all our correspondence is filed away by the date of the letters.

In sending money through the mail have the amount in as few pieces as possible, if change is required, do not send pennies, but unused U. S. postage stamps of low values.

All sums of three dollars and upwards, should be sent either by P. O. Order, or in Registered letter. We cannot become responsible for money sent otherwise. All letters containing over five dollars worth of stamps for sale or exchange should be sent registered or prepaid by express, we will do the same in return.

To those who are starting collections we would specially recommend our packets, which have proved a decided success, and have now been thoroughly revised and improved. They are more quickly forwarded as a general rule than other orders, for being made up previously they are all ready to send off, while in a press of business orders from Catalogue are sometimes delayed.

In reading this Catalogue, collectors will please observe the following instructions:

The different nationalities are in alphabetical order; the Italic letters describe the stamps beneath ; whenever they have watermarks they are also given with the abbreviation (wmk). The figure after the color at the commencement of the dotted line represents the number of marked differences of shade or type, and those stamps which come both perforated and unperforated have a colon (:) at the end of the dotted line. Wherever the date of a stamp is given, it holds good for all below it until a new date occurs.

The prices in the first column give the market value of unused, those in the last column of used stamps. Of those priced in Roman figures only we have enough to offer them for sale, of those priced in Italics we have a part, and are continually obtaining others, which we will sell at these prices as far as we can supply them. When there are several varieties of color, perforation or watermark, our price is for the common one, for the others and for entire envelopes we sometimes charge an advance. The reason some stamps are dearer used than unused, is because they are more difficult to obtain in that way.

We are continually purchasing large quantities of stamps, and hope that those who have any good stamps to sell, either in collections or otherwise will give us a chance to purchase ; those we specially want are marked with a star, (*) for which we will pay in cash one half, and allow in exchange three fifths our list prices for limited quantities in good condition. We do not charge our list prices for any torn, clipped, greasy or badly defaced stamps ; envelope stamps are cut square, and our offer only extends to the same quality.

We are also dealing largely in Revenue stamps of all kinds, both American and Foreign, and in original Locals of the U. S., including the Despatch stamps issued by private parties in the East, and the envelope stamps of the various Express companies of California and the Territories.

We have been greatly annoyed during the past year, by many of our country customers sending us fraudulent imitations of many of the rarer stamps, such as Bolivia, Swiss Cantonal, Pacific Steam Nav. Co., and of many of the rarer Confederate and Northern locals, some of them being very nearly like the originals and postmarked, most of which were obtained either directly or indirectly from those dealers we have honored with a star, and desiring us to remit at once half our list price in cash, and the letter being of so much importance of course the stamp for reply is omitted and we have the privilege of returning the stamps with an unwelcome letter at our own expense. We have a collection of over 1500 types of forged stamps which we keep for reference, and in connection with an order for stamps we are always willing to express our opinion on suspicious stamps gratutously. The best way for parties in the country who have no facility for comparison, to avoid forgeries, is to purchase their stamps only from parties of known reliability.
