## CHAPTER II.

### REGULATIONS respecting the EXCHANGE of CORRESPONDENCE, PROGRESSIVE RATES of POSTAGE, &c.

##### ART. 8.

THE respective offices shall mutually account to each other for the portion of the postage of the correspondence exchanged between them, which is due to each, both for that of the letters not prepaid, and also for that of the letters which are prepaid.

On all prepaid letters sent from one office of exchange to another, there shall be distinctly marked in *red* ink, in the upper right hand corner of each letter, the amount due to the country to which sent; and, in like manner, on all unpaid letters there shall be marked in *black* ink, the amount due to the country from which forwarded.

When either country is entitled to the packet or sea rate of postage in addition to its inland, the two rates shall be combined and marked in one sum on each letter.

##### ART. 9.

With respect to letters above the weight of a single letter, which is fixed at half an ounce in either country, the respective offices in accounting to each other, shall employ the following scale of progression:—

For every letter not exceeding half an ounce in weight, one single rate.

Above half an ounce, but not exceeding one ounce, two rates.

Above one ounce, but not exceeding two ounces, four rates.

Above two ounces, but not exceeding three ounces, six rates.

Above three ounces, but not exceeding four ounces, eight rates; and so on, two rates being added for every ounce or fraction of an ounce.

##### ART. 10.

The correspondence of every description which may be forwarded from one office to another shall be enclosed in sealed or locked bags, and each class of correspondence shall be tied up separately, and distinguished by a label,

showing under what article in the letter-bill such correspondence is comprised.

ART. 11.

When closed mails are forwarded, under the stipulations contained in Articles 5, 6, 7, and 8, of the Convention of December 15, 1848, from the United Kingdom through the United States, or from the United States through the United Kingdom, the office which despatches the mails shall insert the net weight of the letters, and the number of newspapers contained in such mails in the letter-bill, in the table prepared for that purpose; and, in like manner, when closed mails are received in the United Kingdom through the United States, or in the United States through the United Kingdom, the office which receives the mails shall insert the net weight of the letters, and the number of newspapers contained in such mails, in the acknowledgment of receipt, which is to be returned by the next post.

ART. 12.

When closed mails are forwarded from one part of the United States to another part, through the territory of British North America, or from one part of British North America to another part, through the territory of the United States, the office which despatches the mails shall send a letter-bill, in which shall be entered the net weight of the letters, and the number of newspapers contained in such mails.

The letter-bill shall be addressed to the Post-office of the country through which the mail is forwarded, and shall be according to the Form (A), annexed to the present Articles.

ART. 14.

With respect to letters passing through either country which cannot be forwarded unless the postage be paid in advance, the office of the United States shall pay to the British office the rates of British and foreign postage set against the names of the respective foreign countries and British colonies and possessions in Table (D), annexed to the present Articles; and, in like manner, the British office shall pay to the office of the United States the rates of United States postage set against the names of the respective foreign countries and United States possessions and territories in Table (E), annexed to the present Articles.

---

CHAPTER III.

LETTER BILLS, ACKNOWLEDGMENTS OF RECEIPTS, ACCOUNTS, &c.

ART. 15.

EVERY mail passing between the respective offices of exchange in the United Kingdom and the United States, shall be accompanied by a Letter Bill, specifying the amount of postage due to each office on each class of correspondence.

The office to which the mail is addressed shall return by the next post an Acknowledgment of Receipt to the office from which it was transmitted.

The letter bills and acknowledgments of receipt shall be made according to the forms (F and G) agreed upon and annexed to the present Articles.

## 6 POSTAGE CONVENTION *between* GREAT BRITAIN *and* IRELAND

### ART. 16.

If it should happen at the usual period for making up the mails there should not be any letter or other correspondence from either of the offices of exchange, a blank letter-bill shall nevertheless be forwarded to the corresponding office.

### ART. 17.

The letter-bills and acknowledgments of receipt indicating the correct amount of postage due to each office shall serve as vouchers to the quarterly accounts.

If in checking the mails transmitted to the respective offices of exchange, the amount of postage of any of the articles shall be found to differ from that entered in the letter-bill by the despatching office, such articles shall be checked by two officers, and the corrected amount, which is entered by them on the verification side of the letter-bill, shall be accepted as the true amount.

### ART. 18.

Accounts, showing the results of the mutual transmission of correspondence between the United Kingdom and the United States, shall be made out at the end of every quarter by the General Post Office in London, and having been examined, compared, and settled by the General Post Office in Washington, the balance shall be paid without delay by that office which shall be found indebted to the other.

The quarterly accounts shall be made out according to the Forms (H) and (I) annexed to the present Articles.

---

## CHAPTER IV.

### DEAD, MIS-SENT, and RETURNED LETTERS.

#### ART. 19.

DEAD letters, newspapers, &c., which cannot be delivered, from whatever cause, shall be mutually returned after the expiration of every month, or otherwise, as the regulations of each office will admit.

Such of those letters, &c., as shall have been charged in the account, shall be returned for the same amount of postage which was originally charged by the sending office, and shall be allowed in the discharge of the account of the office to which they were transmitted.

The Forms (K and L) to be used in claiming the return of postage, and to accompany such dead letters, newspapers, &c., are annexed to the present Articles.

#### ART. 20.

With respect to dead letters, &c., which may have been received in closed mails, or which cannot be produced by the office which has to claim the amount, they shall be admitted for the same weight and amount of postage which was originally charged upon such dead letters, &c., in the accounts of the respective offices, on a declaration, or on lists vouching for the amount of postage demanded, signed by the Inspector of the Dead Letter Office, or other officer duly authorised for that purpose.

#### ART. 21.

Letters misdirected or mis-sent, or which may require the prepayment of the postage, shall be reciprocally returned, without delay, through the respective Offices of Exchange, and credit taken in the letter-bill for the amount of postage originally charged upon them.

Re-directed letters, or letters addressed to persons who have changed their residences, shall be mutually returned by the first post, charged with the rates of postage which would have been paid by the parties to whom they are addressed.

**ART. 22.**

Letters sent for the purpose of annoying or injuring the parties to whom they are addressed (the postage on which either office may think proper to return), even though they may have been opened, are to be included and admitted with the dead letters.

**ART. 23.**

Whereas, by Article 13 of the Convention of December 15, 1848, it is stipulated that letters posted in the United States, addressed to the British North American Provinces, or *vice versa*, shall be charged according to the rates of postage which are now, or which shall hereafter be, in operation in the United States and in the British North American Provinces for inland letters; and whereas, by Article 14 of the said Convention, it is further stipulated that the rates of postage fixed by the preceding Article shall be combined into one rate, of which payment in advance shall be optional, both in the United States and in the British North American Provinces, and that it shall not be permitted to pay less than the whole rate; and as, owing to the various rates of postage now in operation in the two countries, which are governed by the distance that letters have to be conveyed in each, depending upon the point of intercommunication where the correspondence passes from one country to the other, it will not be possible to determine by previous regulations the true combined rates to which letters will be liable; and as therefore it will not be practicable to prescribe such forms, and settle such details as will carry the said Articles into due effect, it is agreed that further efforts for the adjustment of such forms and details, for carrying into operation Articles 13 and 14 of the Convention of December 15, 1848, shall be postponed until such alterations be made in the rates of postage as will allow of the provisions of the said Articles being effectually carried out, according to the true intent and meaning of the same.

**ART. 24.**

The present Articles, so far as they are not already in force, shall come into operation on the 1st day of July next.

**Done in Duplicate, in the City of Washington, the fourteenth day of May, one thousand eight hundred and forty-nine.**
