# Index to Volumes I. and II.

(NOTE.—The pages of each of the first nine numbers of Volume I. were numbered alike, 1, 2, 3, 4, but commencing with number 10, the numbering was consecutive, 1 to 144. With numbers 8 and 9 a Supplement was given, numbered i, ii, iii, iv. In order to avoid confusion, references to pages in the first nine numbers and supplements have been augmented by a letter (A to J). For instance A3 refers to 3rd page of No. 1; F4, to 4th page of No. 6; H1, to 1st page of No. 8; Jiii., to 3rd page of Supplement to No. 10, and so on. Future Volumes will be numbered consecutively right through, so that these difficulties will not arise.)
