ANNOUNCED.

Philatelic Siftings, Waterloo, Iowa.
Halifax Philatelist, Halifax, Nova Scotia.
Magazine Philatelist, Buffalo, N. Y.
One announced from Westboro, Mass.

There were two mistakes in our "Deaths" last month. One was the *All Around Stamp Advertiser*, which is alive and well yet, as you have just received the October number. (No. 5) The other was the *Dixie Philatelist*, which issued 23 numbers instead of 21. We will always correct all mistakes in next number, but will try not to make any more.

EDITORIALS.

Our news is small this month, but will be larger next month. We will probably have 16 pages next month, and list between 20 and 3000 good old papers, and will be published promptly. Promptness is to be one of our specialties.

We wish you would send us 10c for a year's postage. You may think us "cheeky" to ask you to pay postage on our *catalogue*, but it isn't *that* that we want. We want something for *this page*. We can't keep this page up for *nothing*, as it costs money. Let all literature collectors send us the little sum of 10c to see what you get.

Most all publishers have put us on their lists, but some have not and we wish they would do so at once.

On Jan. 15th or Feb. 1st we will publish a Directory of literature collectors which will be fine in every way. Will contain 500 to 600 names of *live* Literature Collectors. We have to charge 25c per copy, but we thought it better to make a fine one at that price than a poor one for 10c. It's a fine thing, "how" let us hear from you.

NOTICE:—We will give a year's subscription to the Home Worker, Phil. California Phil. West, Omaha Phil., Trans-Miss. Stamp or Western Stamp and this paper for 25c.

SPECIAL NOTICE *

TO

Publishers and  Literature Collectors *

On Jan. 15th or Feb. 1st I will publish

Page's Directory OF ... Phil. Literature Collectors.

It will be printed on good paper and contain a list of 500 to 600 names and addresses of *live Bona-fide* Literature Collectors.

It will consist of 32 3 1-2x5 pages and a nice colored cover, and will be *invaluable* to Publishers as an advertising medium and as a *mailing list*. Each adv. will face the reading matter. Our adv. rates are very low, just covering cost of space occupied. 500 copies will be published and nearly all literature collectors will buy a copy, so that it will *pay any enterprising* publisher to give us an ad. We will charge 25c for the Directory, and it will be worth that to every publisher and literature collector. IT WILL BE NICE.

Advertising Rates.

Philatelic Canadian, Toronto, Canada.
Philatelic Puck, McConnelville, Ohio.

EDITORIALS.

Here we are with No. 4. We were so badly delayed on No. 3 by our printer having to wait for some new type ordered, that we did not have time to make No. 4 as large as we wanted and get it out on time. We expected to have 24 pages this month, but decided to come out on time instead. No. 5 will have 20 pages probably, and an 8 page price list of Philatelic Literature. (Our stock)

NOTICE.

Our Directory will be printed on 200 lb coated paper and will be out soon. Any literature collector wishing his name in our "Wishing to X Literature" column, can have same inserted for only 5c. *Send at once.*

Want Some Money?

If so, send me copies of Boston Stamp Book, I-2-5-8-9 II-3-4, and get 5c each for them.

ONE of the most attractive of publications.
Its contents are of sterling worth, and almost

beyond the bounds of probability that I shall
make a similar offer for Vol. II within a year.

Mr. Moses B. Page, the publisher of this
paper is *authorized agent* of the B. S. B., and

EDITORIALS.

Not "dead" yet. Oh no, we're right here
 to stay (wouldn't mind having that 10c though
 bein's it's you.) Deaths, Announcements
 and Births are getting rather thick, but we're
 right after 'em (as Brother Henry says) and
 what we don't get is'nt worth having. Quite
 a few of those we *do get* aren't either.

Wonder who'll be the first "specialist" in
 Literature Collecting, anyway. Have to col-
 lect by "States" pretty soon.

We are somewhat delayed on this number
 on account of our Directory, which is now in
 press and will be ready for delivery soon. The
 price is 25c and it is well worth that as it con-
 tains 32 pages and fine cover, and on heavy
 coated paper. Don't forget!

We are opening a subscription agency for
 the benefit of our customers and soon will
 have all American and Foreign papers on our
 books. We have a large lot now which you
 will find on another page at our low prices.
 Give us a trial in that line. Advertisements
 taken too at low rates.

NOTICE.—For 20 cents we will give a
 year's subscription to the LITERATURIST and
 a copy of Jones' Check List.
