BREVITIES.

Try the Forest City Packet.

All orders filled with promptness.

All stamps sold by us are absolutely genuine.

All orders under 50 cents must contain stamp for return postage.

Collectors will always find our stamps whole and unsoiled, features not always looked after by very many dealers.

This paper will be published as often as occasion demands, and will always include our complete price list and the latest novelties.

We have an elegant line of Albums, and collectors should be sure to give us a trial when in need of one. We sell only such as have proved by long use to be as near perfection as "imperfect man" can attain.

A recent customer says that he is more than pleased with the approval sheets sent him, and that we shall hear from him again in the near future. We are pleased to give satisfaction, and always use our best efforts to that end.

APPROVAL SHEETS.

We always have a large variety of stamps which we are pleased to make into sheets for our customers. These are priced at very reasonable rates, and collectors can have no better opportunity to enrich their collections than by ordering a sheet or two from us.

At the present time we have on hand many very rare South and Central American stamps, which are bargains for any collector.

We have sheets at 50 cents, \$1.00, \$1.50, \$1.75, \$2.00, \$2.50, \$3.00, \$3.50, \$4.00, \$4.50, \$5.00 and upwards. In ordering state what particular stamps you prefer to buy, and if possible we will include them among those sent.

Our terms in sending out sheets are invariably that a cash deposit shall accompany order, unless the party is well known to us. This is the only way in which the business can be conducted without loss.

Decide what stamps you want, enclose from 50 cents to \$5.00, as you think will cover the value of the stamps you desire, and we will forward sheets at once. Any balance of cash above stamps taken will be promptly sent you when sheets are returned.

We will be pleased to answer any inquires in relation to this department of our business.

THE FOREST CITY PACKET.

Almost every dealer puts up a packet of 100 varieties and tells you that it consists of "rare" stamps, selling it generally at from 15 to 30 cts. Any sensible collector knows that the "rare" specimens will be "few and far between." It is a practical impossibility to sell 100 rare stamps for one-fifth or one-quarter of a cent each. To give collectors a packet which will satisfy them and be worth purchasing, we have prepared the "Forest City." It consists of 100 varieties, and includes among others stamps from

Siam, Liberia, Cashmere, Gold Coast, Greece, Japan, Bulgaria, Iceland, Persia, Montserrat, Sandwich Islands, Fiji, Peru, etc.

Some are used and some unused. Each one will be found to be in perfect condition, and we are pleased to enter this packet in competition with that of any dealer in America.

Price, \$1.00, postpaid. In case it does not fully satisfy you, return the stamps and we will refund the money.

ALBUMS.

THE EXCELSIOR

Is designed for beginners, and will be found an excellent book for the purpose. It is well arranged and strongly bound. Price, 25 cts., or postpaid for 28 cents.

THE IMPERIAL.

A superb book at a remarkably low price. It holds 2,000 stamps, and is elegantly illustrated with the Flags and Arms of the world and correct representations of more than 500 stamps. It also has statistics which greatly enhance the value of the book.

It is beautifully bound in cloth, and has an elegantly designed cover in black and gold.

Price, \$1.00, postpaid.

THE YOUTH'S COMPANION.

Original in every way. It contains spaces for 2,000 varieties, which are as many as the average collector ever possesses. It is a beautiful book, the cover alone being an ornament of which any collector may feel proud.

Price, elegantly bound in black and gold, \$1.00; French Morocco, gilt edges, \$2.00, postpaid.

THE INTERNATIONAL

Is undoubtedly the best album published. We especially recommend it to collectors who want a complete book.

It has a specially engraved map of the world, showing the location of every stamp issuing country, and is replete with statistics of interest to every collector. Spaces are provided for the flags, coats of arms, and portraits of the rulers of all nations, which when inserted, add materially to the beauty of the book.

THE STANDARD COLOR CHART.

This is one of the collector's indispensables. It enables him to decide at once the exact shade of any stamp in question, and is the only reliable thing of the kind in the market.

It is printed in 146 different colors, each worked in four distinct shades, and illustrating in every case four varieties of engraving.

This chart is the adopted standard of the principal societies, collectors, and dealers in all parts of the world. It is printed in English, French, German, and Spanish.

Price reduced to 75 cents, postpaid.

ADHESIVE PAPER.

Collectors should always use gummed paper in affixing stamps to their albums. Never use mucilage as it destroys the color of the stamp, and gives it a dirty, greasy appearance. The gummed paper for sale by us is the only thing in the market which meets the requirements of the collector. It cannot injure any stamp, no matter how delicate. Price 10 cents per sheet. Each sheet is 17x22 inches, and will cut up over 5,000 hinges.

 Reliable agents always wanted to sell from our approval sheets. Send \$2.00, or good Portland reference, as a guarantee that you mean business. Good commission paid. Particulars for 2 cent stamp.

PRICE LIST OF SINGLE STAMPS.

In ordering single stamps always send a supplementary list of 50 per cent. That is, if you send 50 cts., order 75 cents' worth. In this way we can always fill orders with satisfaction. No dealer can at all times keep every variety he advertises in stock, so if you would avoid disappointment, follow above directions.

Where more than one stamp is mentioned on a line the price is so much for each.

NOTE.—For other and rarer stamps customers are referred to our approval sheets, which will be found the best in the market.

We do not limit the size of an order, as do many dealers. The smallest order is as welcome, and will receive as prompt attention, as the largest one.

RARE STAMPS WANTED.

We always wish to purchase the rare stamps of every country, especially those of the United States, and will pay good prices for such in cash or exchange, as may be preferred. We invite correspondence from collectors and others in regard to this matter. Always enclose a stamp for reply when writing for prices.

The Maine Philatelist

Will hereafter be published quarterly, embrace all novelties and new issues obtainable, and be sent free to all my patrons.

Address all orders and communications to

F. L. PERRY,

NOTICES.

Terms cash in advance.

All stamps sold by me are guaranteed genuine.

All orders under 50 cents must contain stamp for return postage.

Advanced collectors are invited to send me a list of stamps they especially desire to buy, and I shall be pleased to quote very low prices.

The list of single stamps and sets in this number comprises but a very small portion of my stock. It will be continued in succeeding numbers.

I am always willing to send stamps on approval to parties who wish to purchase in that manner, but must have either a deposit or good reference in advance.

On orders for single stamps and sets amounting to \$1.00 or more, I allow 25 per cent. discount. Smaller amounts are net, as well as all order for U. S. stamps, albums, packets, color charts, etc., regardless of amount.

Collectors can rely upon having their orders filled promptly, and receiving only stamps in good condition. I make it a specialty to supply stamps in perfect order, and at the lowest possible prices. Not one dealer in fifty has a stock of stamps in such fine condition as mine. I never send out torn, badly soiled, or imperfect stamps, believing that common honesty demands a just equivalent shall be given to customers for the money they invest. Satisfaction is guaranteed in every case, or I will refund money.

PUBLISHED

QUARTERLY.

Vol. 1.

PORTLAND, ME., APRIL, 1886.

No. 3.

The Maine Philatelist

Will hereafter be published quarterly, embrace all novelties and new issues obtainable, and be sent free to all my patrons.
Address all orders and communications to

F. L. PERRY,

114 1-2 Exchange Street, - - - Portland, Maine.

NOTICES.

Terms cash in advance.

All stamps sold by me are guaranteed genuine.

All orders under 50 cents must contain stamp for return postage.

Advanced collectors are invited to send me a list of stamps they especially desire to buy, and I shall be pleased to quote very low prices.

I am always willing to send stamps on approval to parties who wish to purchase in that manner, but must have either a deposit or good reference in advance.

On orders for single stamps and sets amounting to \$1.00 or more, I allow 25 per cent. discount. Smaller amounts are net, as well as all orders for U. S. stamps, albums, packets, color charts, etc., regardless of amount.

Collectors can rely upon having their orders filled promptly, and receiving only stamps in good condition. I make it a specialty to supply stamps in perfect order, and at the lowest possible prices. Not one dealer in fifty has a stock of stamps in such fine condition as mine. I never send out torn, badly soiled, or imperfect stamps, believing that common honesty demands a just equivalent shall be given customers for the money they invest. Satisfaction is guaranteed in every case, or I will refund money.

OLD U. S. STAMPS WANTED.

I wish to purchase the following United States stamps, and will pay good prices for them in cash or exchange. Any one having such will please write me, stating price. Only stamps in good condition, i. e. not torn or soiled, are wanted.

The Youth's Companion—original and beautiful in design. Holds over 2,000 stamps, postpaid \$1.00.

The International—the best published. Boards, \$1.50; Cloth, \$2.50; Cloth, with guards and blank pages, \$3.50, all postpaid. Also printed on one side of paper, in various bindings, at \$5.00, \$7.50, \$12.00, and \$25.00. Postage 50 cents extra.

THE FOREST CITY PACKET.

Almost every dealer puts up a packet of 100 varieties and tells you that it consists of "rare" stamps, selling it generally at from 15 to 30 cts. Any sensible collector knows that the "rare" specimens will be "few and far between." It is a practical impossibility to sell 100 rare stamps for one-fifth or one-quarter of a cent each. To give collectors a packet which will satisfy them and be worth purchasing, I have prepared the "Forest City." It consists of 100 varieties, and includes among others stamps from Siam, Liberia, Cashmere, Gold Coast, Greece, Japan, Bulgaria, Iceland, Persia, Montserrat, Sandwich Islands, Fiji, Peru, etc.

Some are used and some unused. Each one will be found to be in perfect condition, and I are pleased to enter this packet in competition with that of any dealer in America.

Price, \$1.00, postpaid. In case it does not fully satisfy you, return the stamps and I will refund the money.
