

THE STAMP CIRCULAR.

Published and given gratis by NOVELTY STAMP COMPANY

Springfield, Mass. 1874.

THE EDITION of our last circular being nearly exhausted, we are obliged to issue one to meet the demands of our customers. Since Jan. 1870, many changes have been made in stamp collecting. The method of sending stamps on approval is now taken up by nearly all the dealers of America. That of having the sheets marked at one price is now used, while that of having them marked at different prices has mostly disappeared.

We have on hand a lot of stamps, that we shall send on approval to only *responsible* parties. The stamps that we send, are placed on sheets of forty-eight stamps to each sheet, and all stamps on each sheet, are marked with the same price. This plan is intended for persons who are desirous of completing their collections.

If a person who is in want of quite rare stamps, he can obtain them by ordering sheets of a higher price. We are willing to send sheets, if only one stamp is taken, but the postage must be defrayed. Small amounts can be sent in an ordinary letter, but if over \$1, it must be registered, or a money order obtained, and the cost to be deducted from that enclosed. Registered letters require eight cents extra postage. A money order can be obtained for five cents on every \$10. If at any time, persons wishing to inquire about any stamps, albums, or dealers, by applying to us they can obtain the desired information, but the same must provide postage.

We have a good stock of packets, and albums, which will be sent to any address on receipt of price. Agents are wanted for the sale of albums, sheet stamps, and packets. (Liberal discount given.)

Persons wishing to become our agents can do so by sending for our terms &c. In ordering stamps, or albums, state what is wanted in as brief and plain way as possible so to avoid mistakes.

For any sheets kept over 15 days, we hold the receiver responsible for that amount, and require that they should send us the same after that time has expired. We desire correspondence from foreign countries in order to obtain stamps by cash, or exchange.

With the best wishes that the world of Philately may still increase, we remain

Respectfully Yours,
