The remaining Services may be tendered for separately, but it is to be observed, that the Contractor for any Surveying Party is to furnish both Provisions and Forage to such party.

CONDITIONS.

All the Articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial Wheat, from which on the Ration of Emigrants, Surveying Parties, Superintendent and Crew of the Floating Light Men at the Light-house, Boatmen, and the Orphan Schools, 20 per cent. and on the Ration to prisoners of the Crown 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be deliverable in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.—1lb. wheat flour or 1lb. biscuit, equal to $1\frac{1}{2}$ of bread; 1lb. salt beef or 1lb. mutton or 10oz. salt pork, equal to 1lb. of fresh beef.

These substitutions are not to be made except on the requisition of the officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Female Orphan School, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

The supplies for Road Parties and Surveying Parties are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the ration undermentioned:—The maize or barley, 4-12—the hay, 5-12—the bran, 2-12—the straw, 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on

the written order of the person duly authorised for the purpose.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement is to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured in like manner.

In cases where the article is of a perishable nature, or from some other cause, injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the department, or officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will subject the contractor, upon the report of the officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period.

The contractor will be required to prepare

his own account, monthly or quarterly, in the prescribed form ; and on the production thereof, with the requisite vouchers, in a complete state, to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, and from the Police Magistrates of the several Districts ; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

All Tenders to be enclosed in a separate envelope, and marked "Tender for Provisions, &c."

By Command His Excellency the Governor,
E. DEAS THOMSON.

NOTICE is hereby given, that the following CLAIMS for DEEDS of GRANT of TOWN ALLOTMENTS will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council 5 William IV, No. 21, at the expiration of two months from this date, before which day any Caveat or Counter Claim must be entered at this office. Due notice will be given of the days appointed for the hearings.

Case No. 317.—HENRY RAE, of Maitland, on behalf of JAMES REID, of Newcastle.

County of Northumberland, parish of Newcastle, Town of Newcastle, allotment No. 9.

In 1830 Henry Rae applied to the Crown for a gift of this allotment, but was refused on account of an allotment having been given to him at Maitland: nevertheless he has sold, it is alleged, to Mr. Reid, whose Claim for a Deed of Grant is referred for the investigation of the Commissioners as a special case.

Case No. 318.—JAMES REID, of Newcastle.

One rood in the county of Northumberland, parish of Newcastle, town of Newcastle, allotment No. 8; bounded on the west by 1 chain of the east side of Watt-street, bearing north 7 degrees

east; on the north by the south boundary line of allotment No. 6, bearing east 7 degrees south 2 chains and 25 links; on the east by the west boundary line of allotment No. 7, bearing south 7 degrees west 1 chain; and on the south by the north boundary line of allotment No. 10, bearing west 7 degrees north 2 chains and 25 links to Watt-street.

This allotment was located on an order of Sir Thomas Brisbane's, dated the 12th July, 1823, in favor of James Phillip Webber, now absent from the Colony, who, it is alleged, sold to claimant.

Case No. 319.—Representatives of the late George Howell, of Parramatta.

Thirty-seven perches, in the county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 2, in section No. 20; bounded on the south by Thomas Bowden's allotment east 182 links; on the east by an allotment north 134 links; on the north by William Carter's allotment west 165 links to Villier's-street; and on the west by Villier's-street south 6 degrees west 135 links.

On the 12th January, 1832, the above description of this land was advertised in the Gazette with the view to the preparation of a Deed of Grant in the name of John Ward, who subsequently requested the preparation of the Deed in the name of George Howell, as announced in the Gazette notice of the 6th November, 1837, and a Deed was prepared; but as it was executed after Howell's death another is required. Ward, it is alleged, purchased of F. Atkinson, who purchased from Roberts, who purchased from S. Dyson, who purchased from Ann Flintoff, the original locatee.

Case No. 320.—Representatives of the late George Howell, of Parramatta.

Forty perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 49 in section No. 18; bounded on the west by a line 2 chains 55 links; on the south by a line 91 links; on the east by a line to George-street 2 chains 55 links; and on the north by that street 91 links.

This allotment formed the subject of the case No. 127, and is now referred to the Commissioners in consequence of the death of Mr. Howell.

No. 21, at the expiration of two months from this date; before which day any Caveat or Counter Claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 321.—THOMAS and JOHN MAHER, by their Attorney, G. R. Nichols, Esq.

Eleven perches, County of Cumberland, parish of Saint Philip, Town of Sydney, allotment No. 1 of section No. 84, commencing in Harrington-street, at the north-west corner of No. 2 allotment, and bounded on the south by a line bearing east 1 degree south 68 links to the north-east corner of No. 2 allotment 1 and thence by part of No. 12 allotment east 2 degrees north to the south-east corner of the wall built by Unwin; on the east by that wall and by a line in continuation thereof to Argyle-street on the north by the building line of Argyle-street bearing west 4 degrees west to Harrington-street; and on the west by the building line of Harrington-street bearing south 15 degrees east 74½ links to the north-west corner of allotment No. 2 as aforesaid.

When the section No. 84 was measured in 1834, this allotment was claimed by Francis Howard Greenway and Caleb Salter respectively. The greater portion is the northern half of an allotment originally leased to John Gleeson, who it is alleged, sold to Thomas Ryan, who sold to F. W.
